LONDON FIRST PREMIUM DAGUERREAN GALLERY

No. 218 Main Street, Buffalo,

AND THE LAMBTON HOUSE,

PRINCESS STREET, KINGSTON, C. W.

THE above, is a cut of a SILVER MEDAL awarded the subscriber at the New York State Agricultural Fair, at Buffalo, and the Fifth Premium in the last six years. Also, the first prize at the late Fair at Syracuse, in competition with over three hundred pictures from some of the first galleries in the United States. This Gallery has now become the PICTURE EMPORIUM for the entire Western World, and the standard of imitation. Our competitors involuntarily acknowledge their inferiority by following in our wake and aping us in every particular EXCEPT THE RESULT!

Therefore, strangers visiting the city are respectfully solicited to compare our pictures with those executed by others. Also, all who have long been prepossessed in favor of other Daguerreans, and have pictures taken by them, are very urgently invited to call and have one executed at this establishment, that they may have an ocular demonstration of the vast difference in portraying the same individuals.

The subscriber would also notify the people of C. W. that he has opened a branch Gallery on Princess St. Lambton House, Kingston, where persons may expect such pictures of themselves and friends as will rarely if ever be offered to that community again.

N. B. The undersigned would most respectfully further notify the public that no premiums or diplomas have ever been awarded by the New York State Agricultural Fair to any Daguerrean in Buffalo except the subscriber.

BRITANNIA LIFE ASSURANCE COMPANY.

No. 1 Princes Street, Bank, London.

CAPITAL, ONE MILLION.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT 4 Vic. Cap. 9.

THE great success of this Institution in Europe and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due by or to them in case of premature death.—The rates of the Britannia are the lowest which can be offered consistently, with security to the Assured, and the subscriber begs respectfully to invite the attention of the inhabitants of Kingston to the numerous Tables of Rates, specimens of which may be seen at his office, or in the Montreal *Herald*, Montreal *Gazette*, and Montreal Courier as also in several papers in Canada West.

Assurances may be advantageously effected on the lives of others, either for the purpose of securing loans, or debts or in case where the party has an interest in the life of another, so as to be in any way prejudiced in the event of his decease. To creditors, a Policy of Assurance affords a certain and, in many cases, the only means of security. Also in addition to the published rates an extensive set of Tables has been computed for Assurance on Joint Lives, the survivor of two or more lives, and for contingent Assurances; also for Reversionary Annuities, Endowments for Widows and Children, and for every possible contingency affecting human life, against which it may be prudent or expedient to provide.

COMPARATIVE STATEMENT OF THE RATES OF THE FOLLOWING OFFICES:

		Rate for one year, (whole or Life) for the Assurance of £100;		
National Loan Fund	age 30	£2	4	4
Colonial Life Assurance Com'y	do.	2	3	2
United Kingdom	do.	2	3	10
British Commercial	do.	2	1	10
Mentor	do.	2	1	5
Britannia	do.	2	0	8

The other Offices doing business in the Colonies are as much higher, that comparison is unnecessary.

The income of the Company, independently of the large subscribed Capital, is between Eighty and Ninety Thousand Pounds, Sterling, per Annum, and of this the greatest part is continually accumulating for the payment of losses.

A party effecting an Assurance with this Company, may do so for a fixed sum, payable at his or her death, without participating in the profits, and hereby secure an immediate Bonus by not paying more than is absolutely required to provide for the risk—but if participation in profits is preferred by any party, there are 'Mutual Tables' adopted by the Company, which offer an annual division of the Profits, and which being supported by the other Branch of the Institution, hold out a very safe and profitable inducement to the person wishing to Assure.

All claims payable within THREE MONTHS after proof of death. No proof of birth is required at the time a claim is made; the age of the Assured being, in every case, admitted in the Policy, cannot, under any circumstances, be afterwards called in question. Policies effected by parties on their own lives are not rendered void in case of death by duelling or the hands of justice. In the event of suicide, if the Policy be assigned to a bona fide Creditor, the sum assured will be paid without deduction; if the Policy be not assigned the full amount of Premiums received thereon will be returned to the family of the Assured.

The subscriber begs to remark that the Britannia Company has been doing business in this Province for about ten years—and has been always found liberal, and prompt in the settlement of claims.

The necessary forms, and every requisite information, as to the mode of effecting Assurances may be obtained either by letter or personal application to

THE CANADA LIFE ASSURANCE COMPANY.

Incorporated by Act of Parliament.

THIS COMPANY is prepared to grant Assurances on Lives, whether single or joint, to sell Annuities, to purchase Reversions and to transact all business in which the risk of Life is concerned.

Tables have been expressly calculated from the most accurate data; and the Company is enabled, from its small expenditure, and the high rate of interest that money commands in Canada, to offer terms of Assurance much more favourable than the low rate of interest attainable on investments by British Companies and their generally large expenditure can with any regard to safety admit of.

An annual statement of its receipts and expenditure is annually published by the Company and forwarded to all who may be interested.

Of no other Life Assurance Company can it be said that it assists all its Sixth in Canada, and that it does not unnecessarily contribute to the immense sum of money which is yearly sent out of the Province to pay British or Foreign Companies for that, in which (as this is nearly a solitary instance) neither Great Britain nor the neighbouring States can fairly offer competition.

To parties who may at any time feel distressed or unable to continue the payment of their premiums, the Company will grant Policies, payable at death, fairly representative of the value of such payments as they may have made, and it further engages to purchase policies for an equitable consideration after five or more full premiums have been paid thereon.

Three-fourths of the profits realized in the Mutual Branch are yearly divided amongst the policy holders then assured.

A peculiar feature of the Company is that it is not desirous to make profits by lapsed Policies.

Tables of Rates, forms of proposal, and all other information may be obtained at the Head Office and Agencies.

TREES, SHRUBS, &c.

SPRING, the best season for transplanting (in most localities,) fruit and ornamental trees, has arrived; and the subscribers would notify the public that they have for sale a large stock of the most choice varieties of FRUIT TREES, embracing nearly all of Mr. Downing's select lists, and those recommended by the Congress of Fruit Growers, for general culture.

Their Nurseries, embracing over twenty-five acres, are situated on Tenth-street, Oswego east, but little over half a mile east of the Rail-Road Depot.

They have a larger stock of extra sized trees of all the fruits, except the Pears, than in any Nursery in Western New York, and feel confident in claiming superior hardness and value to trees grown here on the shore of Lake Ontario, exposed to its winds, at a point farther north than any other extensive Nursery in the states; and would also claim superior value to their trees, not from latitude and exposure only, but from the fact that they stand, more room in the Nursery than other tree growers, thereby rendering them more sturdy. They have a large stock of pears on standards, in a bearing state, at prices from $1 to $5. Also *Dwarf* pears in a bearing state, from 50 cents to $1, according to size and variety. Particular care will be taken in digging and packing extra sized trees, so that there will be no more danger in transplanting them than smaller trees. In this city and vicinity they will set the Oswego Beurre, in a bearing state, and warrant to live. This is the most valuable pear that can be cultivated here, and as a high flavored, melting pear, a perfect and regular bearer, the Oswego Beurre is not equalled.

We have of sizes suitable for the garden or orchard, more than 300 varieties of the Pear, and nearly all of the distinguished varieties of the Apple, Cherry, Peach, Quince, Apricot and Nectarine. Also the small fruits—Raspberries, Currants, Gooseberries and Strawberries. Of Herbaceous Roots—an extensive stock of Asparagus, Pie Plant, etc. A large stock of well grown

Ornamental Trees,

and shrubs, hardy Flower Roots and Green House Plants.

Catalogues sent to post-paid applicants.

For convenience of our city customers and the travelling public, we have made N. Stone, No. 5, in the East Wing of the City Hotel, our Agent, with whom orders may be left, and from whom Green-house Plants, and Fruits and Ornamental Trees, etc., to a limited extent, may be had.

To Kingston C. W., we can refer all those wishing to purchase any thing in our line, to Mr. C. F. Goodrich, Princess House, Princess Street, having made arrangements with him to attend to the Canada trade in and about Kingston. He will be prepared to supply purchasers at short notice, and without risk of damage in delivering. We have a large variety of green-house plants, such as Fuchsias, Verbenas, Double Dahlias, Calceolarias, Heaths, Oleanders, Rhododendrons, Venusteras, Cactuses, and many other kinds too numerous to name in this advertisement.
