"Yes—we're both feeling fine"

Joe Thompson and his wife were glad when Gwen finished Business College and got a good position in the city. But Gwen was the last of the family and the house was pretty lonely.

Then they found they could call her on Long Distance telephone for as little as 30 cents. So now, every Friday evening, Gwen waits for their call and the weekly talks make them all feel better.

Long Distance is easy to use, dependable, and surprisingly inexpensive.

17th Anniversary And Harvest Thanksgiving

Services in Trinity church, Proton Station, Sunday, October 2, marked the occasion of the 17th Anniversary and Harvest Thanksgiving Services of Trinity Anglican church at Proton Station. The weather was ideal for the occasion and a splendid crowd of people was present at each service. The services held at 11 a.m. and 7 p.m. were in charge of Rev. M. F. Oldham, the pastor. The special preacher was Mr. L. G. Geary, a student of Wycliffe College, Toronto and who has charge of Emmanuel Anglican church at Hanlan's Point on Toronto Island. He preached two very appropriate harvest sermons in the a.m. on Psalm 24:1 and in the evening on 1 Corinthians 3:6. His sermons were much appreciated by all present. The surplice choir of St. James' Church, Dundalk, of 14 voices were present at each service and processional and recessional hymns were used. At the evening service they rendered the anthem, "Sing Forth His Praise." At the morning service they sang the anthem "Oh Lord How Manifold are Thy Works." These were much enjoyed by all present. Mrs. J. Lyons, a former organist of the church was in charge of the music. The church was very prettily decorated with grain, flowers, fruits and vegetables. The offering amounted to a substantial sum. The day was an important one in the history of the church. The United church withdrew their usual evening service in courtesy and many of their members were present. This was much appreciated by the members of Trinity church and they wish to convey to them their sincere thanks.

Toronto Here Saturday

A big lacrosse game is being played in Flesherton on Saturday night between the Runnymede team of Toronto and the Flesherton box lacrosse team. The game is scheduled for eight p.m. and should attract a full house at the rink as Runnymedes have a snappy team and should give the local lads a real close game. This box lacrosse game presents all kinds of actions with thrilling encounters and is improving in popularity with the fans at each game.

M. F. Oldham presiding. It was decided to hold a Sunday school convention for all denominations in Osprey Township and associate charges in the United church at Singhampton on Wednesday, November 2nd at 2 p.m. and 7 p.m. Rev. A. C. Macpherson of McIntyre was chosen for the speaker in the afternoon and Rev. A. M. Shannon of Feversham was chosen for the evening speaker. All Sunday school workers, teachers, pupils and officers who are interested in Sunday school work are cordially inited to be present.

GOOD CARE ESSENTIAL

The properly balanced ration accomplishes wonderful results when date 100 chicks will not take care of managed and correctly housed.

Houses and equipment, such as brooders, feed hoppers, drinking pans, etc., that are sufficient to accommodate 100 chucks will not take care of 500. Satisfactory growth cannot be made under such conditions. Growing stock needs lots of feed; provide a good grain feed and a good growing mash in hoppers so the birds can get it.

The condition of a carcass when it is marketed depends almost entirely on the way the bird is cared for up to the time it is killed. This means the way in which it is grown and the way it is fattened for market.

A poorly grown bird will not take on weight satisfactorily; its digestive organs have not developed sufficiently to handle the more or less concentrated feed that is fed during the fattening period, nor does the bird have the vitality to stand up under this fattening process.

ONTARIO HONEY FOR ENGLAND

The newly formed Ontario Honey Export Association has announced the shipment of four carloads of light honey to England. It is estimated that the arrival of this shipment in the Old Country will be co-incident with that of George R. Paterson, the Association's representative in England, who has just arrived in that country.

Flesherton 6, Laurel 4

Flesherton lacrosse team won from the Laurel club in a box lacrosse game in the rink here on Friday evening by the close score of 6-4. The game was close all through, at one time the score being tied, but with the extre punch needed the locals added to their score to keep ahead. It is very pleasing to all to see the boys with each game improving in their shooting and passing of the ball. Their series with Durham, even if they did tie one and lose two was a real school of instruction and they absorbed many of the tricks in the game. Just as the game was nearly over Friday evening McCutcheon of Flesherton hit Carl Bryan over the head with his lacrosse stick, and knocked him unconscious. He failed to recover for over 15 minutes. McCutcheon has always been considered a clean player in both hockey and lacrosse and the unfortunate ending to this game was regretted by all.

The players were:

Laurel — Goal, Fife; Defence, Myers and Cotton; centre, Looby; Homes, Grey and Whaley; Rover, Bryan; subs Cotton, Simpson, Alexander and McPherson.

Flesherton — Goal, Ferris; Defence Alexander and Betts; Centre, Best; Homes, Phillips and Gorrell; Rover McCutcheon; subs, E. Patton, Boyd, M. Sled and M. Johnson.

Referee — Cyril Decker, Durham.

BUYER UNABLE TO SECURE 20,000 ONTARIO CALVES

Garnet Duncan, Ontario Marketing Board, states that a buyer from the United States has been on the Toronto market attempting to purchase 20,000 well finished top calves, weighing about 185 pounds. These calves were to be used to top out loads of American calves, and this buyer claimed that the Canadian calf is a better finished product than that obtainable in his own country. In spite of being prepared to pay eight cents a pound, the calf offerings on the market lately have been so disappointing that the American has been unable to get the desired quality.

Mr. Duncan said that farmers would be well-advised to cultivate this market, as outside competition in buying is vitally necessary. If this market is not cultivated, the United States, a most valuable outlet, will be closed to us.
