The Glorious Twelfth

As Celebrated in the Loyal Village of Flesherton

The Twelfth of glorious memory was celebrated in Flesherton on Tuesday by Artemesia district, when six banners were in the procession. The morning threatened rain and before noon a heavy downpour came on that lasted an hour or so. After dinner the weather was better and at 2 o'clock the procession was formed in the following order:

The Marshall—Mr. T. F. Wilson, of Markdale
Markdale band
Markdale lodge—No 1045
Orange Valley lodge—No. 509
Ceylon lodge—No. 882
Eugenia lodge—No. 1118
Portlaw lodge—No. 1132
Vandeleur lodge—No. 1383

The lodges were all well represented and every man looked natty in nice uniform. Altogether they formed one of the most respectable looking bodies of men seen in procession here for some time. Owing to the threatening weather the drill shed was thrown open to the crowd.

The judges of the procession were Dr. T. Henderson and W. Griffiths of Toronto, and S. Shunk, Flesherton. These gentlemen awarded the prizes as follows:

Best marching lodge — Ceylon 1st, Markdale 2nd.

Best dressed lodge—Orange Valley 1st, Portlaw 2nd.

Largest lodge in procession—Markdale 1st, Eugenia 2nd.

Best fife and drum—Ceylon 1st, Vandeleur 2nd.

The drill shed, though capacious, was crowded with something like 500 people, well dressed, happy and orderly, and listened the addresses with interest. With large doors and windows open the building made quite an ideal place for listening to the speakers, also the accoustics were better than in a grove and it was much easier for the speakers. Cooling winds made the temperature very pleasant.

The chair was occupied by the District Master, Mr. Rudd Matthews, of Markdale.

Reeve Boyd gave a short address of welcome, after which Rev. Mr. Wellwood was called on and delivered on appropriate and interesting address. Rev. Dr. Caldwell of Owen Sound was the only other speaker. After adjournment the various lodges made a very pretty picture lined up on the square, where the usual cheers were given and Markdale band and the fife and drum bands made music.

NOTES

The citizens went to considerable expense for decorations, but they are always willing and happy to do that for the Orangemen.

The only lodge in the district that did not answer to the roll call was old 244—Proton Station—which went to Durham to celebrate, although a number of its members joined in with the other lodges here.

One of the oldest members of Eugenia lodge was present and replied to the address of welcome, in the person of Mr. James Brodie of Ladner, B.C.

The demonstration was even more successful than was anticipated, and everybody enjoyed the day.

It is estimated that neary a thousand people were in town in the afternoon.

Capt. Tom Wallace of Woodbridge and Inspector Huff of Meaford were advertised as speakers but failed to put in an appearance.

Married

ECKHARDT—OSTRANDER—By the Rev. Henry Berry, at the parsonage, Priceville, on Wednesday, June 29th, 1910, Mr. John Eckhardt, jr., of Glenelg, to Miss Alice, youngest daughteer of Andrew Ostrander of Priceviller

HOOPER—ECKHARDT—By the Rev. Henry Berry, at the Methodist parsonage, Priceville, July 6th, 1910, David Hooper, of the 20th of Egremont, to Miss Margaret, daughter of John Eckhardt, south line, Glenelg.

Leon Morane, flying at Rheims, attained a speed of nearly sixty-six miles an hour in an aeroplane.

It is rumored in London that the King and Queen will make a tour of the Empire.

Flesherton High School Results

Promotion results for Forms I and II of Artemesia Rural High School, in order of merit.

FORM I

Joseph Oliver, Charles Buchanan, Carrie Kernahan, Gladys Cornfield, George McPherson, Kendall Lucas, John Sharp, Edwin Loucks, Annie Wright, Zaidee Lawler.

FORM II

*Gertie Bellamy, Robert Bellamy, Roy B. Kerr, Charles Crossley, Florrie McMullen, Clara Binnie, Laura Armstrong, Edwin Smith, Oshwell Whitten, Harold Mitchell, Annie McMillan, Adda Wright, Elva Lever.

*Honor standing (75% of aggregate marks.)

The above report is based on the work of the year, coupled with the results of the final examination. In several cases pupils' work during the term was somewhat indifferent in character and the crowding or cramming at the end of the term was not the kind of study needed to obtain results. Only with good careful consistent work throughout the term can the best results be obtained. It is also worth noting that a large percentage of the errors made, especially in mathematical papers, resulted from careless reading of the questions asked and inaccuracy in the use of the simple rules, not from lack of knowledge of the method to be employed. In Form II the papers were the same as for entrance to the Model Schools set by the department.

An Exciting Mix-Up

The Grand Valley Star says. Last night about nine o'clock a horse attached to a dilapidated buggy, said to be owned by a young fellow named Thump of Mono Mills, who is now working for W. T. Tait of East Luther almost killed two children, besides hurting several grown up people, and smashing a plate glass window in J. Starkman's store. The horse bolted out of Swain's alleyway, with such speed that before it could turn on the road it was right up on the sidewalk in front of Starkman's store. The street was crowded at the time, Mrs. Starkman and baby were knocked off a chair and into the store; two children of C. Dillon's were pulled out from beneath the horse. Little damage beyond a black eye and scrapped chin; a baby carriage that held a child 30 seconds before was crushed out of shape; and the plate glass window broken. There was a little excitement and then some more. The chap drove off immediately they got hitched up again.

Notes of the Women's Institute.

The Kimberley branch held their June meeting at the home of Mrs. F. J. Weber. A goodly number of members were present and all enjoyed the meeting in spite of the heat of the day. Readings were given by Mrs. G. H. Walter and Mrs. W. T. Ellis, the former on "Homework in Public Schools" and the latter on "Effect of Home Influence on Home Life." The paper on homework for school children considered that school hours were too long but the ladies in this branch thought them not any too long. July meeting will be held in the evening of July 28th, at the home of Mrs. G. H. Walters. All are welcome.

Priceville

The welcome showers of rain on Sunday were much appreciated.

The grain crops, roots and pastures were suffering for want of moisture.

Death again visited our village and carried away two more of our citizens. On the 4th of July a large number of the citizens of this vicinity assembled to take part in the funeral services of the late Alex McDonald, who had been ailing for some months with cancer of the liver. Interment took place at the village cemetery, where his wife preceded him about 2 years ago. One sister, Mrs. Huggins, who has been keeping house for him since his wife died and three brothers, James on the South Line, Art and Donald in Proton, survive him. The services were conducted at the house and grave by Rev. J. A. Matheson.

A number of the Priceville people on the 4th attended the funeral of Miss Susan McArthur, who has been in poor health for some months and resided with her sister, Mrs. Farquhar McKinnon, South Line.

On the evening of Thursday, July 7th, as Mr. Wm. Watson, carriage maker and undertaker, was leaving his shop and apparently going up street, he was seen to stop and then fall to the ground. Some persons hurried to his assistance but after one or two long drawn breaths life was extinct. Deceased was in his 58th year and has been in business here for 37 years. Since early spring he has not been in as good health as formerly, but tried to keep going. He leaves a wife, 3 sons and 3 daughters: Wm. G., harness maker and partner in the undertaking department; Edward, in the furniture factory, Durham; Henry, in the Imperial Bank, Vancouver; Martha and Jennie at home and Louisa at Owen Sound Collegiate, and writing on her first class exams when the sad message called her home. Rev. H. Berry preached the funeral sermon Sunday afternoon in the Methodist church which failed to contain the assembled people, many remaining outside. Priceville Lodge, A. O. U. W., of which deceased was a charter member, assisted by a delegation from Flesherton Lodge, conducted the service from the residence to the church and after the service, reformed and led the way to the cemetery at Salem church, 17th con., Proton, when the pastor concluded the church service. The A. O. U. W. people encircled the grave and read and sang the several parts of their impressive burial service, the ode, or hymn and the final farewell being very sympathetic. The relatives from a distance were: Mrs. J. C. McInnis and Mrs. McArthur, Cheboygan, James Watson, Cheboygan, Mich., R. J. and A. W. Watson, Shelburne, Robt. Watson, Norval, Ont., and H. McArthur, Cheboygan.

Ceylon

Rev. and Mrs. Caldwell are visiting among their friends in Ceylon, Flesherton and vicinity. Dr. Caldwell preached for the Orangemen in their hall here on Sunday, and gave a very interesting discourse.

Mr. and Mrs. Wm. T. Chislett left for their home in the west on Monday. We wish the young couple much success.

Wm. Tucker from Toronto has spent some days visiting his uncle and other friends here.

Wm. Karstedt of Indianapolis called on T. Chislett on Sunday last. We were pleased to see him looking so well.

Mrs. Dargavel and two children of Wolseley, Sask., are visiting at Mr. G. Collinson's.

Quite a number of our citizens took in the excursion to Walkerton on the 12th.

Mr. and Mrs. W. L. Whalen of the Soo visited their aunts, Mrs. D. Muir and Mrs. A. McLeod, Ceylon, and other friends.

A Pathetic Incident

Mr. M. K. Richardson, agent for neglected children in this district, tells a rather pathetic incident in connection with one of his charges, a boy who was placed with a farmer in North Grey. The lad was a good worker and was well thought of by the family with whom he lived. He had, however, one or two failings which he freely admitted to Mr. Richardson, but said he wished to do better. After receiving some fatherly advice he held out his hand to Mr. Richardson, and with tears in his eyes promised to be a better boy. Three days after leaving him Mr. Richardson received word that the little fellow had been drowned.

Loss and Gain.

I sorrowed that the golden day was dead,
Its light no more the country side adorning,
But whilst I grieved behold the east grew red
With morning.

I sighed that merry spring was forced to go
And doff the wreaths that did so well become her.
But whilst I murmured at her absence, lo—
'Twas summer.

I mourned because the daffodils were killed
By burning skies that scorched my early posies:
But whilst for these I pined, my hands were filled
With roses.

Half broken hearted I bewailed the end
Of friendship than which none had once seemed nearer;
But whilst I wept I found a newer friend,
And dearer.

And thus I learned old pleasures are estranged
Only that something better may be given;
Until at last we find this earth exchanged
For Heaven.

Sunnyside "Doings"

Held over from last week.

Death has cast a gloom over our neighborhood by the death of Miss McArthur, who passed away on Saturday evening at the home of Mr. Farquier McKinnon. The funeral took place at Evergreen cemetery, where a large course of friends followed the remains to their last resting place.

We are also sorry to say that Mr. Farquier McKinnon is at present very low, but under the care and skill of Dr. Hutton we hope soon to hear of his recovery.

Prayer meeting on Thursday of last week at the home of Mr. Jas. Turner was largely attended. Conducted by the Rev. Mr. Matheson of Priceville, taking his text from James 1st chapter, 22nd and 23rd verses. Be ye doers of, etc.

Times are looking up around Sunnyside as Mr. Neil McDougall is putting an addition to his house. Also Jos. Ferris is enlarging his residence by a new kitchen.

The Huddy Bros. are at present putting another addition to their already large and commodious barn. Things are surely going ahead along this line.

Mr. Frank Moore took in the excursion to Guelph and stayed in the city over Sunday. He brought home with him one of his neices from the city. She intends staying for the summer.

We have not seen anything of those fast drivers lately that were mentioned of around Riverside. Must be going some other direction.

Mrs. Perrigoe, of Flesherton, was here last week, attending the funeral of her aunt, Mrs. Ellenton.—Grand Valley Star.

ON THE VERGE OF BREAKDOWN

When You Think Yourself Only Out of Sorts You are Often Seriously Ill.

Thousands are just on the edge of the crater—just ready to topple in the crater of ill-health and nervous breakdown. Such was the case with Mr. E. E. Follett, a well-known figure in all business social circles of Grand Rapids.

"I had not been well for a year or more. I had lost in weight and could not pick up. I tired of my work—it seemed like drudgery—no pleasure in it like there used to be. When I got thin, I seemed to have little blood and my hands and feet were clammy and cold. To make matters worse I grew nervous—got irritable and worried over mere trifles. I tried dieting and various medicines, but profited by none of them. I was on the verge of a breakdown when my druggist recommended 'Ferrozone.' It wasn't very long before I felt it was a true blood and nerve builder. I was encouraged so much after the third box that I got six boxes more. In seven weeks I gained six pounds and was looking the picture of health. Ferrozone has made a new man of me."

Ferrozone Builds Up Gives Strength

There is no tonic so quick and sure to build you up as Ferrozone—just one or two tablets to take at meal time, try it. Fifty cents a box, six for $2.50, all dealers or The Catarrhozone Co., Kingston, Canada.

On the eve of the departure of Mr. and Mrs. T. F. Andrews from our village a large number of their friends of the school section gathered at their home to bid them adieu. At the close of a program of speech and song an address was read by Miss Joy Allison and presentations were made—a chair to Mr. Andrews and a piece of silverware to Mrs. Andrews. Mr. Andrews made a touching reply on behalf of himself and Mrs. Andrews. The remainder of the evening was spent partaking of the good things the ladies provided. Mr. Wm. Wright was chairman of the evening. Speeches were made by Revs. Nicholson and Stanley and Dr. Rykman. Following is

THE ADDRESS.

Dear Mr. and Mrs. Andrews,—We have met together on the occasion of your departure from our midst that we, your friends of school section No. 9, may express to you our sincere regret that you are about to remove to another field of labor, and our grateful appreciation of your valuable services to our section. No community can estimate the value nor put in words its debt of gratitude to a good, faithful teacher. In you, Mr. Andrews, we have had a most devote teacher. For the past eleven years as three months you have taken your place at the desk, sparing no pains, shunning no sacrifice, working overtime early and late that the section might receive the best services, and the boys and girls the best instruction. Not only this, but you have also impressed upon their lives strong principles of morality. The scholars after passing under your instruction and influence have reflected and emphasized your painstaking work in their splendid progress in the high schools and in their sturdiness of character. As a slight token of our esteem and as a mark of our appreciation, we ask you to accept this gift, accompanied with best wishes for your continued success in your new school.

In you, Mrs. Andrews, we found the kindest friend and neighbor. You have always shown an active sympathy with the interest of the school and community. We shall miss your genial presence. We ask you to accept this piece of silverware as a remembrance of the many friends you have made during your residence among us, hoping and praying God's richest blessings may follow you and your family in your new home.

Signed on behalf of your numerous friends in School Section No. 9—Wm. Wright, Joy Allison.
