We are pleased to report Mr. Alex Carruthers recovering from his recent severe attack of pneumonia. We wish him a speedy recovery.

Anniversary services were held in the United church here on Sunday, Rev. Mr. McNeil taking both services. Although the weather was quite disagreeable in the evening there was a good attendance. Rev. McNeil took his text from Proverbs and preached an excellent anniversary sermon. He referred to lives of great men—the greatest of all being the life of Christ, and quoted that beautiful passage:

Lives of great men all remind us,
We can make our lives sublime
And departing leave behind us
Footprints on the sands of time.

He said we should act as reflectors and not as absorbers and reflect the good actions from our hearts to others and in the end we would be rewarded. A beautiful anthem was rendered by the choir and a sacred vocal selection by Miss Donalda Sloan was appreciated.

Our sympathy is extended to the Latimer and Plantt families in their recent sad bereavements. Mrs. Dunlop of Meaford, who was a sister of Mr. Len Latimer and a sister-in-law of Mr. Robt. Plantt of this village passed away, the funeral taking place Tuesday of this week. The infant daughter of Mr. and Mrs. Fred Plantt of Portlaw passed away on Saturday.

Four cases of stripping clothes lines were reported to the Collingwood police in ten days. The work was so cleverly done that no clue was left.

EasyM crey

Here's a story that is going the hounds. Two unemployed met with 25 cents between them, spun the coin for the joy of a bath. Jones won and departed with the quarter into the public baths. Smith followed him in, stole his clothes, and pawned them for $2. Walking down the street he saw clocks being sold in a jeweller's window for $40, one dollar down and the balance in instalments. He signed a contract, paid one dollar and took the clock. Further down the street he pawned it for $15 and with the proceeds redeemed Jones' clothes, which he returned. The jeweller, however identified his clock in the pawnbroker's window and had Smith arrested. Smith appeared in court, proved he was living up to his contract in the clock purchase, and promptly entered a counter charge for false arrest. He was awarded $1,200.00. Now both Jones and Smith have season tickets to the public baths and an unbounded admiration for jewellers.—Financial Post.
