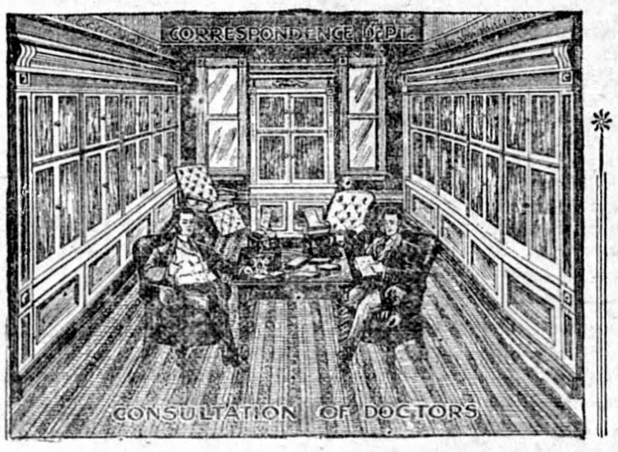
WE REPAIR WEAK MEN



ONE SECRET OF OUR SUCCESS. Every case submitted to us receives the personal attention of our Medical Staff, who consider the symptoms, complications and chronicity, and then decide as to the disease and curability. Specific remedies are then prescribed for the case and are compounded by our own chemist in our own Laboratory. Such appropriate treatment cannot fail to cure, as specific medicines are selected to cure the symptoms that trouble you. We have no cure-all medicines like most specialists use who send the same medicines to all patients alike and cure none. We have treated patients throughout Canada for over twenty years and can refer to any bank as to our responsibility.

We Guarantee Cures or No Pay. We Treat all Diseases of Men and Women.

CONSULTATION FREE

If Unable to Call, Write for a Question List for Home Treatment.

W. H. Thurston - Editor

TRUTH BEFORE FAVOR-PRINCIPLES, NOT MEN

1911 IN THE ADVANCE OFFICE

The year 1910 was one of healthy growth around The Advance office. Never before have the efforts of the publisher met with such a gratifying response. In the year just closed the circulation has grown from 1000 to 1100—and it is still climbing. The reader may not fully appreciate the significance of this fact. The number of readers has increased ten per cent., giving the publisher an opportunity to extend his facilities, as it costs just as much to prepare the paper to print one hundred copies as it does for eleven hundred. The larger the circulation the greater is the incentive to improve the quality of the paper, both from a news and an editorial standpoint.

The advertising columns have been well patronized. A feature of this is that merchants outside of Flesherton are awakening to the fact that The Advance's wide circulation throughout the townships of Artemesia, Euphrasia, Osprey, Proton and Glenelg is worth just as much to them as it is to the Flesherton merchant. They are realizing the value of publicity, and find that The Advance is the best means available. Their "store talks" are read in the evening by lamplight in hundreds of homes; and then the talks do the rest—there's no such thing as hard times when the merchant advertises wisely. It is the advertising which pulls the business. We find Jas. Pattison of Ceylon, J. E. Large of Eugenia, F. T. Hill & Co. of Markdale and S. M. Osborne of Maxwell all using The Advance weekly to draw business. There are many other progressive merchants who can increase sales by Advance publicity, and we believe they will not allow opportunity to knock much longer before they give ear.

As for The Advance itself in this new year—it looks forward to greater growth than ever. The motto of the reportorial department will be "You'll read it in The Advance," and the editorial motto is as it has been for thirty years "Truth before favor—principles not men." Success in the newspaper world is intoxicating—the greater it is the more it is desired and we hope to see in this village of 700 souls a newspaper going into 1300 homes every week by the 1st of January 1912.

In the meantime we wish all our friends and their friends a happy and prosperous new year.

—The Flesherton Advance.

THE INDIFFERENT FARMER

C. C. James, Minister of Agriculture, gave an address recently on "The Problem of the Indifferent Farmer." That problem is the problem of Canada. It is that problem which prevents Canada from utilizing to the full her greatest natural asset—the land itself. Once totally rid of this supreme indifference Canada's farm products would rival all other countries' in point of quality and quantity, and the farmer himself would be the one to benefit directly by the change—for it would be a change.

In no calling is indifference ever associated with success. Providence has not yet been found popping flies into the toad's mouth, nor will she. Study and thought must be added to labor before that labor will amount to anything; and the more the brains are used the greater will be the reward. Farm newspapers and magazines are a great help, and always tend to dispel indifference, but they have a great mission still unfilled. The Department of Agriculture is spending yearly an amount equal to 30c for every person in Ontario for agricultural improvement, and to do effective work requires 10c more. The Department is doing as much as possible with the money at its command, but the farmers are not taking advantage of it to the extent which they should for their own good.

The Farmer's Institute meets at a number of places in this district in the near future, the dates and places being shown on bills which have been distributed, and The Advance would advise every farmer to attend the nearest meeting, not for the benefit of the Institute alone, but for his own good. The membership fee is 25c, and enough valuable information is imparted at one meeting to be worth vastly more than that, and then valuable government reports are received by all members. Every farmer should make it a point to attend the nearest Institute meeting and as many more as possible. It will pay handsomely.

Busted those resolutions yet?

o o o

T. P. O'Connor claims to wear out a typewriter a year. He should try a different make.

o o o

Summer will soon be here. 1911 has commenced—the shortest day of the winter is past—and we have experienced a January thaw!

o o o

Humanity is divided into two classes—those who read The Advance and those who do not. We are happy to state that the latter class is dimishing.

o o o

Your store's long-time friends—those who watch your growth in importance with real interest—welcome any evidence you give them of your increasing enterprise in advertising.

On the Editor's Desk

We received several weeks ago a copy of The Advance Annual, issued by the Kemptville Advance for the Christmas season. It is printed on fine paper, after the style of the Chrstmas Globe, and is profusely illustrated. The Advance Annual is a product well worthy of a city print shop. The Kemptville Advance is one of the foremost of Ontario weekly newspapers, of large size and with a circulation big enough to make the average large town newspaper turn green with envy, and the printing of The Annual was only an incident in that busy office.

The editor of The Advance must acknowledge with thanks the recipt of a splendid engravure of the late Goldwin Smith, a gift from The Weekly Sun of Toronto, to which the "Sage of the Grange" was for so long a contributor under the pen-name "A Bystander." The engravure is one which will be highly treasured.

Rock Mills

Mr. and Mrs. Will Tracy and Mrs. D. Buntz of Toronto spent Christmas at M. Phillips'.

Mr. and Mrs. Albert Blackburn visited Collingwood friends.

Wilfred and Victor Phillips of Owen Sound spent a few days with friends here.

Mr. Ed. Fisher and wife and Mrs. Brooks of Toronto spent the holiday season with Mrs. John Radley.

Clifford Gamey of Toronto visited at Joseph Gamey's.

Mrs. S, Phillips is visiting friends in Owen Sound.

Mr. Geo. Johnston and wife spent Christmas with the former's parents, and New Year's with the latter's.

Mrs. M. Phillips is spending a couple of weeks with her children in Toronto.

Roy and Eldridge Phillips of Toronto are spending their holidays at J. Phillips.

Mr. Betts sr., Mrs. L. Betts and family, T. Betts and family, J. Porteous and family and Walter Akitt spent Christmas at Ned Bennington's.

Miss Smith of Durham has been engaged as teacher here.

Election matters are greatly discussed but they will soon know, for you can't keep a good man down.

Victoria Corners

Mr. and Mrs. Chas. Moore and little daughter, Margaret, are visiting at Hamilton. Mr. Moore is expected home on Tuesday, but his wife will remain for a month.

Thos. Clayton and Thos. Bulmer and mother, of Flesherton spent Christmas at W. H. Heard's.

Mrs. A. Stevens is visiting at her old home in Erin.

Mrs. (Dr.) Savananaugh spent Christmas at her brother's, Geo. Moore's.

Mr. and Mrs. Geo. Moore had a family reunion on Christmas day when all of their children and grandchildren were present, numbering twenty-eight in all.

Mr. and Mrs. Geo. Ludlow and little daughter, Susanna, are visiting Mrs. L's. parents in Clinton.

We were sorry to hear that R. Atcheson's little son was very sick with convulsions, but we were pleased to learn he is on the way to recovery.

Mr. and Mrs. John Patton of Alberta are visiting the former's parents, Mr. and Mrs. Wm. Patton of this place.

Mr. Thistle of Owen Sound was storm-stayed at W. Heard's last week.

FOR FAMILY USE

An Ideal Remedy for Coughs, Sore Throat, Catarrh, Weak Chest.

After having made a special study of the treatment of the throat and lungs for twenty years, Prof. D. Jackson states that in his opinion no preparation for general family use is so efficient, so healing, so certain to cure as Catarrhozone.

As his reasons for making this claim for Catarrhozone, Dr. Jackson says:

"Catarrhozone is free from opium.
"The patient can breathe its rich, balsamic fumes direct to the diseased spot.
"It is a remedy that treats and cures causes—prevents disease spreading.
"Reaches the innermost recesses of the throat, nose, bronchial tubes, and lungs.
"Alleviates chest soreness.
"Stops coughing instantly.
"Prevents bronchial irritations.
"Relieves clogged nostrils.
"Cures sniffles and nasal catarrh.
"Prevents La Grippe.
"Has proven itself a cure for weak lungs, loss of voice, speakers' sore throat, asthma, bronchitis, catarrh, coughs, colds, and winter ills."

Catarrhozone is unquestionably the world's greatest breathable cold, cough, and catarrh medicine, and being free from all drowsy drugs, entirely safe for children and old folks; it makes an ideal family remedy. Recommended by the medical profession, and sold by all reliable dealers. Beware of imitations, get "Catarrhozone" only; large size lasts two months, and is guaranteed, price $1; smaller sizes 25c and 50c. By mail from The Catarrhozone Company, Kingston, Ont.
