MEN-YOU NEED NERVE

Wonderful Nervous System

EARLY INDISCRETIONS AND EXCESSES HAVE UNDERMINED YOUR SYSTEM

The nerves control all actions of the body so that anything that debilitates them will weaken all organs of the system. **Early Indiscretions** and **Excesses** have ruined thousands of promising young men. **Unnatural Drains** sap their vigor and vitality and they never develop to a proper condition of manhood. They remain weaklings, mentally, physically and sexually. **How you feel?** Are you nervous and weak, despondent and gloomy, specks before the eyes with dark circles under them, weak back, kidneys irritable, palpitation of the heart, bashful, debilitating dreams, sediment in urine, pimples on the face, eyes sunken, hollow cheeks, careworn expression, poor memory, lifeless, distrustful, lack energy and strength, tired mornings, restless nights, changeable moods, premature decay, bone pains, hair loose, etc.

This is the condition our New Method Treatment is GUARANTEED TO CURE

We have treated Diseases of Men for almost a lifetime and do not have to experiment. Consult us **FREE OF CHARGE** and we will tell you whether you are curable or not.

We guarantee curable cases of NERVOUS DEBILITY, VARICOSE VEINS, BLOOD AND SKIN DISEASES, GLEET, BLADDER URINARY AND KIDNEY COMPLAINTS

Free Booklet on Diseases of Men. If unable to call write for QUESTION LIST FOR HOME TREATMENT

"FEEBLE STOMACH"

Causes Digestive Weakness and Poisons the Entire System.

"No one can have suffered more than I did with stomach trouble," writes Phil. E. Pascalar, well known at St. Andrews Corners. "My doctor told me my indigestion and sleeplessness were due to poisons in the blood. Certainly my condition was desperate, and it seemed from the despondent feelings that swept over me that I would lose my reason. I happened to read about Dr. Hamilton's Pills and bought five boxes from the druggist. Such body-cleansing pills I never used; they were mild and yet quite strong enough to drive all the humors out of the blood. My stomach gained strength rapidly with Dr. Hamilton's Pills and I improved so much that in eight weeks I could eat and digest all ordinary food. Depression and weariness passed away and I am, thanks to Dr. Hamilton's Pills, enjoying robust good health."

No remedy for biliousness, indigestion, headache, sick stomach, or constipation that compares with Dr. Hamilton's Pills. Refuse substitutes. Sold in 25c. boxes. All dealers, or The Catarrhozone Co., Kingston, Ont.

Dr. Hamilton's Pills Cure Stomach Troubles

W. H. Thurston - Editor

TRUTH BEFORE FAVOR- PRINCIPLES, NOT MEN

FREE MINING ADVICE, THIS.

The innocent public is now-a-days being given an opportunity to repeat the experience in doubtful mining ventures given by the exploitation of Cobalt mines (?) several years ago—we refer to the huge newspaper advertisements booming bargain lots of Porcupine mining stocks. There are good mines in Porcupine, but such shares never go begging. In the good proposition the shareholders and would-be shareholders do all the "begging."

The trouble is that the average person cannot resist a glow of pride in the possession of some nice green and gold certificates, which show that he is (along with a bunch of other unfortunates) the owner of a hole in the ground, or at least the ground where a hole could be made. The pride in possession is a great moving power in this case and moves away about all the common sense, and dollars and cents, some people have.

If one wishes to dissipate the cash he has accumulated, without any particular return, The Advance would highly recommend the worth-$1-you can-have-it for-50c shares in any old Porcupine "near mine" which offers. There is nothing like a fake mine to run away with the cash; but if he wants to spend the money for his health he had better lease a stonepile from the nearest farmer, buy a sledge hammer and crack stones for several weeks. This form of mining is to be highly reccommended. It is cheaper than Cobalt or Porcupine wildcatting, and brings a return in health which is worth vastly more than the dark brown taste which remains in mouth and pocket book after an encounter with the common much-advertised mining stock.

Be well advised and let others do all the monkeying with mining stocks that is done.

LOYAL SUPPORT IS NEEDED

The annual meetings of three Agricultural Societies in this immediate district will be held this week, at Feversham and Priceville on Friday and Flesherton on Saturday. These annual meetings are important affairs, for it is then that the officers are appointed, and it is there that any suggestion for improvement to prize list, or otherwise, should be handed to the new officials. Many people seem to have developed the peculiar belief that the directorate of an Agricultural Society is a body of mind readers capable of divining what goes on in the intellects of the other members whether these members speak out or not. Such is not the case, and so if you can strengthen the the Society by any constructive criticism let it loose at the annual meeting—and if you are not already a member of the nearest Society (and as many others as possible) you should lose no time in handing the secretary your dollar. Let every member of the three Societies be loyal and sacrifice a few hours to the cause of agriculture by attending the annual meeting. They will be hours well spent.

It is quite obviously needless for The Advance to launch forth into a eulogy of the little country fall fair—its value is made easily apparent by the manner in which it is supported, but there is always room for improvement in this respect. Begin the year right by purchasing a membership in an Agricultural Society. The great probability is that you can easily get several times the amount back in prize money by the end of the year.

ARTEMESIA COUNCIL A BUSY ONE

The 1911 Council of Artemesia township struck a winning pace at their initial meeting, the minutes of which were published in these columns last week. They put away a goodly amount of work for the first meeting, and important work at that. It affords the township much satisfaction to note how enthusiastically the new Council is promoting the welfare of the new High School.

Opinions as to the legitimacy of the School's birth may exist, but since it is born the only sane course of procedure is to work it for all there is in it, to make it do all the good it can—and we find the new Council practically as energetic in its behalf as the former one, and all honor to the members for it.

The worst wish that could be entertained for the new Council is that their labors in this regard may not go for naught.

ANOTHER "MERGER" COMING

The question of church union is slowly gaining ground. That the union if possible is desirable cannot be denied, and the trend of events strengthens the impression that it is quite possible. Of course there is opposition to it, and obstacles, but the movement in favor of unity is gaining strength and surmounting the obstacles. Montreal, Orangeville and Ottawa Presbyteries are the latest to vote in favor of union.

The day when the union will take place cannot be stated or guessed at, but the time is coming when the Presbyterians, Methodists and Congregationalists will all sing out of the same hymn books and say "Amen" to the same doctrine—and they will all be as near Heaven as they are today in their separate places of worship, and perhaps nearer.

Dr. Bertillion, the famous criminologist, says that most of the honest men are those who have passed 40 and are married. Wifie reforms 'em, you see.

o o o

Advertising is the magic wand which, when properly wielded, produces prosperity. Mr. Merchant, will you use the wand, or are you content with business as it is?

o o o

What is the matter with coal oil? One of our advertisers puts it at 16 and 18 cents, and an Owen Sound merchant sells it at 15 and 16 cents per gallon. Looks as though Mr. Rockefeller was losing his grip on business, doesn't it?

o o o

A French physician sees in aviation a cure for numerous nervous ills. Well, maybe so, but up to date the cures have been exceedingly few and far between, while the deaths have been numerous. We fear that the cure is worse than the disease.

Kimberley

The box social held here on Friday evening last under the managemnet of the Kimberley Citizen's Rink was a good financial success. A short programme was given consisting of solos, duets, instrumental music by Mr. Edgar Donelly and Miss Eva Buskin of Wodehouse. Readings were also given, and a dialogue entitled "When I was Young." After the program Rudd Matthews, auctioneer, of Markdale, auctioned the boxes and kept the audience in laughter. After all had partaken of the contents of the boxes a great many of those present concluded the evenings enjoyment by repairing to the rink for a skate.

Alma Camack of Toronto is holidaying at her parental home here.

Mrs. Neely of Meaford is the guest of her daughter, Mrs. R. A. Holley.

Edith Hammond is visiting Meaford friends and is the guest of the Misses Neal.

Charles Graham and the Misses Sadie and Elsie Plewes visited Rocklyn friends on Sunday last.

Gertie Hewson of Heathcote is at present visiting friends here.

Mrs. Thos. Brooks of Clarksburg is visiting her mother, Mrs. Edward Burritt, who is ill at present

Alfred Neely of Meaford was in town on Monday of this week.

Frank Hutchinson is the guest of his aunt, Mrs. R. Wragett near Dundalk.

Henry Fawcett, who has been visting relatives here for some time, returned to Heathcote on Sunday last where he will visit friends prior to his departure for his home in Oxbow, Sask.

Mr. John Wickens and sister Mae are visiting Collingwood friends.

Messrs. Jacob and David Thompson of Flesherton visited friends here last Sunday and were guests of their sister, Mrs. John Plewis.

Miss Jean Gillespie returned to her home in Craigleith on Saturday last.

Violet Gilbert, who has been visiting Meaford friends, returned home on Sunday.

Mr. and Mrs. W. T. Ellis, Albert Ellis, and Mr. and Mrs. Jas. Magee left for Guelph on Monday of this week, where they will attend the golden wedding of their parents, Mr. and Mrs. Thos. Ellis of Powassan which will be celebrated at the home of their daghter, Mrs. W. H. Stuart, Guelph, on Wed., Jan. 17th. Mr. and Mrs. W. T. Ellis will also visit friends at Schomberg.

The Institute meetings held here on Saturday last were well attended. The delegates were Messrs. Bonis of St. Marys and Laughlin of Collingwood, and Mrs. Parsons of Forest

In the afternoon separate sessions were held. Mrs. Parsons addressed the ladies in the Union church, while Mr. Bonis and Mr. Laughlin addressed the gentlemen in the public hall. The subject of Mrs. Parson's address was "Ideal Charact r," and was very interesting indeed. She also gave a short talk on "Pictures" dealing more especially with those suitable for the school room in which the child spends most of its waking hours. Mr. Bonis addressed the gentlemen on Ensilage, and Mr. Laughlin on spraying fruit trees, and no doubt their addresses were both interesting and instructive judging from those given by them at the evening session.

In the evening a joint session was held and was largely attended a number coming from a distance. Mr. Laughlin was the first speaker. The subject of his address was Agricultural Education. Although Mr. Laughlin is young in Institute work he handled his subject in a very able manner. His address was listened to with interest throughout.

The next address was given by Mrs. Parsons on "Marriage", who also handled her subject in a very able manner. She is an excellent speaker.

Mr. Bonis was the last delegate to address the audience. His subject was Good Roads. He is a very convincing speaker and gave some useful information. Despite the lateness of the hour he kept the audience in good humor.

Short addresses were given by the president of the Farmer's Institute, J. R. Fawcett, and an ex-president R. D. Carruthers. The addresses were interspersed with the following musical numbers,—solo, Maude Fawcett; duets, Misses Burritt, Misses Plewes, and R. D. Carruthers and Maude Fawcett. Readings were also given by Mrs. W. T. Ellis, president of Kimberley Branch W.I., and Lulu Ellis. Reeve Ellis occupied the chair.

Victoria Corners

We are pleased once more to have in our midst Mr. Joseph Strain. Mr. S. is from Lethbridge, Alberta, and seems pleased with the prairie home. He will be here for some time on business and renewing old acquaintances.

The Ladies Aid of the Presbyterian church spent a day at the home of Mr. James Stinson.

Mrs. H. Golher spent Monday at Mrs. George Moore's.

Mrs. Will Ludlow of Dundalk spent a few days with friends here.

We expect our pastor, Mr. Howey, to renew his work here next Sunday.

Mr. Charles Moore returned from Smithville last Wednesday, after a few weeks' visit. He is much improved in health.

Mrs. Will Talbot spent Christmas week with her mother, Mrs. George Moore.

Quite a number from here attended the funeral of the late George Harrison, son of Mr. Alfred Harrison.

We are sorry to learn that Mrs. James Cornfield has passed away, and our sympathies go out to the bereaved family.

Mrs. H. D. McLoughry and little daughter, Millie, are spending a few days at Mr. W. H. Heard's.

The January number of The Athletic world, published by W. J. Taylor, Limited, Woodstock, Ontario, just issued, not only maintains but further develops the national sports policy laid down on the inception of this highly creditable monthly. Its pages are rich in illustrations and timely discussions, making it one of the best yet issued.

Stallion Competion

The result of the stallion competition of the Ontario Jockey Club for the season of 1910, is announced by Secretary Fraser. The competition is for thoroughbred stallions standing for service in Ontario, for mares not thoroughbred, the awards being based on the number of living half-bred foals on the first of September last. The competition is as follows:—

1—J. A. Myles & Co's Buceleuch (Heathcote, Ont) ..... $ 250
2—Jas. Bovaird's St. Bassett (Brampton, Ont.) 200
3—Morris and Wellington's Shafford (Fonthill, Ont.) 175
4—The Ottawa Hunt's Kirkfield, (Ottawa, Ont.) 150
5—F. N. Case's Maurice (Beaconsfield, Ont.) 100
6—Westminster Thoroughbred Horse Association's Cricklade (Belmont, Ont.) 75
7—H.S. Fallows' Cobourg (Pasadena, Ont) 50

Total $1,000

A Grateful Mother

Tells of Her Daughter's Recovery.

A mother will always be worried and anxious if one of her daughters should be affected; that from any cause the natural functions of the body become retarded or suppressed. Any irregularity, especially in a growing girl, is apt to be the forerunner of a long chain of sickness, not unfrequently followed by pernicious anaemia or consumption.

"My daughter had just passed her sixteenth year when, owing to an exposure at an inopportune time, an important action of the system ceased." So writes Mrs. Thomas E. St. Nicholas, of Manchester South. "Stella was subject to violent nose bleed—was hysterical and borne down by fits of mental depression. She grew listless and debilitated, and her progress at school was prevented by frequent small ailments which kept her at home. After using Ferrozone six or seven weeks, some signs of improvement came, but not sufficient to show that she would grow natural again. It was fully three months after she had been using Ferrozone before my worry was over. After that her system became natural and regular. I cheerfully recommend Ferrozone for all troubles incident to girlhood and womanhood."

Ferrozone Builds Up Weak Girls

Ferrozone is a womanly tonic that supplies to the blood and nerves the qualities that are lacking when health is poor. No medicine is so nourishing—so full of life and vigor-making properties. Try one or two Ferrozone Tablets with your meals—watch the result. Fifty cents a box, six for $2.50, all dealers, or The Catarrhozone Co., Kingston, Canada.
