GENERAL ADVERTISEMENTS.

BRITANNIA LIFE ASSURANCE COMPANY.

No. 1 Princes Street, Bank, London.

CAPITAL, ONE MILLION.

ENDOWED BY SPECIAL ACT OF PARLIAMENT 4 Vic. Cap. 9.

THE great success of this Institution in Europe and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due by or to them in case of premature death.

The rates of the Britannia are the lowest which can be offered consistently with security to the Assured, and the subscriber begs respectfully to invite the attention of the inhabitants of Kingston to the numerous Tables of Rates, specimens of which may be seen at his office.

The income of the Company, independently of the large subscribed Capital, is between Eighty and Ninety Thousand Pounds, Sterling, per Annum, and of this the greatest part is continually accumulating for the payment of losses.

A party effecting an Assurance with this Company, may do so for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure an immediate Bonus by not paying more than is absolutely required to provide for the risk—but if participation in profits is preferred by any party, there are "Mutual Tables" adopted by the Company, which offer an annual division of the Profits, and which being supported by the other Branch of the Institution, hold out a very safe and profitable investment to the person wishing to Assure.

All claims payable within THREE MONTHS after proof of death. No proof of birth is required at the time a claim is made, the age of the Assured being, in every case, admitted in the Policy, except under any circumstances be afterwards doubted in question. Policies effected by parties on their own lives are not vacated and in case of death by duelling or the hands of justice. In the event of suicide, if the Policy be assigned to a bona fide Creditor, the sum assured will be paid without deduction; if the Policy be not assigned the full amount of Premiums received thereon will be returned to the family of the Assured.

The necessary forms, and every requisite information, as to the mode of effecting Assurances may be obtained either by letter or personal application to

THE CANADA LIFE ASSURANCE COMPANY.

Incorporated by Act of Parliament.

THIS COMPANY is prepared to grant Insurances on Lives, whether single or joint, to sell Annuities, to purchase Reversions and to transact all business in which the risk of Life is concerned.

Tables have been expressly calculated from the most accurate data; and the Company is enabled, from its small expenditure, and the high rate of interest that it can command in Canada, to offer terms of Assurance much more reasonable than the low rate of interest obtainable on investments by British Companies and their generally large expenditure can with any regard to safety admit of.

An exact statement of its affairs and expenditure is annually published by the Company and forwarded to all who may be interested.

Of no other Life Assurance Company can it be said that it submits all its funds in Canada, and that it does not consequently contribute to the immense sum of money which is annually sent out of the Province to pay Branch or Foreign Companies for that, or a back one; this is surely a solidity and security neither Great Britain nor the neighbouring States can fairly offer competition.

To persons who may at any time find themselves unable to continue the payment of their premiums, this Company will grant Policies, payable at death, fully equivalent to the value of such payments as they may have been made, & therefore engages to pay those persons who are equitable considered, after five or more full premiums have been paid thereon.

Three-fourths of the profits realized in the Colonial Branch are yearly divided amongst the policy holders, this season.

A peculiar feature of the Company is, that it is not desirous to make profits by lapsed Policies.

Tables of Rates, forms of proposal, and all other information may be obtained at the Head Office and Agencies.

Waterloo Nursery

C. T. GOODRICH having procured a suitable piece of ground at Waterloo (opposite the Pine Grove, on the Lobrough Road) for the Nursery Business, would intimate to his friends and the public, that he will be prepared the ensuing fall to supply all orders for Fruit and Ornamental Trees that he may be favored with, having recently retrieved some three thousand standard Trees from the Oswego Nursery. He would also call the attention of the public to his beautiful stock of Cherry, and Pears, together with many choice Ornamentals, now in the McLean Garden, Lot 24, just above the Roman Catholic Seminary, there are some six kinds of Cherry and as many of Pears, all of the very best kinds.

The subscriber would also notice, that after this season he will be prepared to attend to all calls in the way of Grafting, Pruning and Setting trees, and hopes by personal attention to the interests of his customers, to merit and receive a share of public patronage.
