TOO ILL TO WORK"

n Deepest Despair—All Run Down—Health Was Restored.

When you are sick and undecided as to the best remedy to use, there is nothing so convincing as the personal experience of some one who has suffered like yourself.

From St. Francis, Maine, comes the following statement from Mrs. Ovila Daigle: "I want to write you a few lines in order to tell you how much better my health is since taking Ferrozone.

"For two years I was weak.
"Couldn't do any housework.
"Was tired, worn out, depressed.
"Thought I wouldn't recover.
"Since using Ferrozone I have grown strong enough to attend myself to the family washing. I have seven children and a husband, and am doing all the housework myself. I still use Ferrozone, and seem to gain better health all the time."

On Friday evening the membership of Providence Methodist church choir gathered at the residence of Mrs. Albert Hanley for the purpose of expressing their kind feeling towards her. During the evening Mrs. Hanley was presented with a handsome hanging lamp. The presentation was accompanied by the following address:

DEAR MRS. HANLEY,—We have gathered here to-night to express to you the respect and esteem we entertain for you and to express our appreciation of your earnest and untiring labors in our midst. You have, by your never failing kindness and forbearance, won the esteem of all. It is with much regret we learn of your intended departure from our neighborhood, and feel that we cannot let you go without a slight token of our regard for you. We ask you, therefore, to accept this lamp as a slight expression of the feelings we entertain for you, and in future years that you may have happy remembrances of the pleasant hours we have spent together.—Signed on behalf of the Providence Methodist church choir. Morton Sayers, Mrs. Wm. Conn.

Eugenia

A feeling of sadness was experienced at Eugenia on hearing of the sudden death from that fatal disease, pneumonia, at the early age of 33 years, of Mrs. John Stuart of Charlton, Ont., formerly Miss Minnie Gilliland of this place. Deceased was the youngest daughter of the late Mr. and Mrs. T. B. Gilliland, so many years respected residents of Eugenia, where deceased was born and spent her early life, loved and respected by all for her kind and genial disposition. Some ten years ago she became the bride of John Stuart of Kimberley. They went away and made themselves a home at Powassan, latterly at Charlton. Her husband and four small children are left to mourn the loss of a devoted wife and mother, also two sisters—Mrs. Thomas Betts of the Morey Corner and Mrs. John Hargrave of the Collingwood gravel—and two brothers—Thomas at Eugenia and William of Edmonton—who all keenly feel the loss of a dearly beloved sister. The sincere sympathy of all this community is extended to the bereaved ones. May they feel that their loss is her gain. Although it is hard sometimes to say "Father, thy will be done," yet we are assured it is well with our dear one, who has gone before only a short time. Her remains were brought to Markdale for interment, where she was laid to rest until the glorious resurrection. She is not dead but gone to sleep, while the Lord her precious dust doth keep.
