We extend a cordial welcome to Mr. and Mrs. Davidson and family of Oxmead, who moved from that vicinity last week to the farm here recently vacated by Alex. Henning. Mr. and Mrs. Davidson are of the high browed Scotch type and we wish them good luck and plenty av it.

We quite unintentionally omitted last week to mention the regretted departure of one of our highly esteemed citizens and capable business men, Mr. Fred Johnston, otherwise known as the Riverdale coon. We join in wishing Mr. Johnston happiness and prosperity in his achievements of a financial character.

In reading the editorial column of The Advance last week I noticed that the publisher is in favor of giving reciprocity a trial. I emphatically disapprove of this suggestion. Should reciprocity become established between the United States and Canada it heralds the inevitable demolition of our flourishing industries, and the incorrigible dissolution of the prosperity and immeasurable potentialities of our country. It is high time the Liberal side of the House of Commons were assuming a more rational view of the appaling possibilities of reciprocity.

Revenge.

"Stop!" The brakes of the motor were suddenly applied, a pandemonium of whirling wheels ensued, and the motorist came face to face with Constable Coppem, who had been hiding in the hedge.

"Excuse me, sir," said the portly policeman, taking out his notebook and pencil, "but you exceeded the speed limit by two miles over a measured piece of road."

"I have done nothing of the kind," retorted the motorist, "and, besides"—

"Well, if you don't believe me I'll call the sergeant, bein' as it was 'im as took the time. He's in the pigsty yonder."

"Don't trouble, Robert," the other hastened to reply. "I would sooner pay fifty fines than disturb the sergeant at his meals!"—London Answers.

The Clarksburg Review says Flesherton's new rink will have a 15 ft. space down the centre for curling! Where will they play hockey, then?

The second carnival at Feversham, held last Wednesday night was another huge success. The costumes were in more variety than at the former event, and some very neat creations were presented. This time the young ladies attempted to bribe the judges by neglecting to hide their faces behind masks. J. Latimer and A. S. Thurston, of Flesherton were judges. The prizes awarded were:

Best skating couple—Mrs. Jos. Taylor and Alex. Taylor.

Lady's costume—Miss Em. Whiteoak, with a Turkish costume.

Lady skater—Miss Linley.

Girl skater—Hilda Lush.

Girl's costume—Zaidie Lawlor.

Gent skater—Rob Whiteoak.

Gent's costume—Fred McLean, as sailor.

Boy skater—Henry Pelch, 2nd Elmer Sample.

Clown—John Taylor.

Among the other costumes, which were very excellent, were:—Clowns, Tom Brown, Ferg. Somers, Bob Whiteoak; Soldiers, Nelson Scott and Mr. McKinnon; Cow"boys", Mrs. Jos. Taylor and Alex. Taylor; Miss Canada, Maud Julian and Zaidie Lawler; Red Riding Hood, Miss Linley; Indian costume, Hattie Leitch; Fairie Queen, Queenie Kaitting; Sailor, Dean Clinton and Irene Clinton; Winter, Mrs. Goldhawk.

There is talk of a new rink for Feversham next winter. It should be a success if the patronage of the present sheet of ice may be regarded as a criterion.

Dundalk high school trimmed the Markdale hockey bunch twice last week.

"Aint it Awful, Mabel?"

The tie between the locals and the Kimberley hockeyists was broken with a bang at Markdale on Monday night in a snappy game, with the latter team in the hole by a score of 5-4. At half time the winners were ahead 4-3, but in the last half a Valley shot managed to bulge the Flesherton nets once, tying the score. It was necessary to play ten minutes extra time to decide the game. In the first five minutes the locals managed to steer the puck past the Kimberley goal nets once. D. Mercer was referee and did his best to keep good hockey throughout. Kerr, the Flesherton goal keeper, was ruled off for two minutes for getting on his knees, and in that period Kimberley tallied two goals. Kerr put up a stonewall defence in goal and puzzled the Kimberley shooters considerably. Fletcher, the Markdale junior O.H.A. goal keeper, had his work cut out for him in defending the Kimberley net. Leitch, the Heathcote man, was too closely checked to show very much class. Flesherton also played a Markdale junior O.H.A. man, "Murph" Mercer, who is a regular demon to play hockey. The local players are pardonably proud of their showing, as they went up to the game absolutely without practice, not having had more than five practices all winter and not having had skates on for several weeks, owing to the sad end of the local rink.

BEFORE TREATMENT

AFTER TREATMENT

He was surprised at how the sores healed—"I took your NEW METHOD TREATMENT for a serious blood disease with which I had been inflicted for twelve years. I had consulted a score of physicians taken all kinds of blood medicine, visited Hot Springs and other mineral water resorts, but only got temporary relief. They would help me for a time, but after discontinuing the medicines the symptoms would break out again—running sores, blotches, rheumatic pains, looseness of the hair, swellings of the glands, palms of the hands scaling, itchiness of the skin, dyspeptic stomach, etc. I had given up in despair when a friend advised me to consult you, as you had cured him of a similar disease 8 years ago. I had no hope, but took his advice. In three weeks' time the sores commenced to heal up and I became encouraged. I continued the NEW METHOD TREATMENT for four months and at the end of that time every symptom had disappeared. I was cured 7 years ago and no signs of any disease since. My boy, three years old, is sound and healthy. I certainly can recommend your treatment with all my heart. You can refer any person to me privately, but you can use this testimonial as you wish. W.
