Markdale Chronicles

Miss Cook of Toronto is home on a visit.

Mr. Rex Whaley of Leamington has been removed to the Merchant's bank here.

Rev. H. A. Fish of Owen Sound preached the missionary sermons in the Methodist church both morning and evening. In the morning he took as his text, "We must work while it is yet day, for the night cometh when no man worketh;" and spoke of the great responsibility placed on us, and the pressing need of evangelizing the world in the present generation. In the evening his text was found in John 14,-12: "He that believeth on me, the works that I do shall he do also, and greater works than these shall he do;" and he spoke principally on the work that was being done in the missionary fields at present. Mr. Fish is certainly a splendid preacher, and thoroughly understands his subject. He will receive a hearty welcome from his Markdale friends should he again visit us. The collections and subscriptions, which were in behalf of the general missionary fund, were generous and will in all probability exceed last year's giving. Rev. Joseph Young took Mr. Fish's work at West Side, Owen Sound.

Mr. Tom Mercer left on Tuesday for Vancouver, B. C.

Four of the cars in the Schrieber wreck on Saturday last were from here

On Thursday, Friday and Saturday last the ladies of Markdale gathered in McFarland & Co's millinery parlors to get a first glimpse of the new spring hats. They were certainly well repaid, for Miss Brooks and her assistants had done their utmost to suit the tastes of everyone. There were hats big enough for any one, and small hats, plain hats and dressy hats, but all so very pretty, chic and stylish.

Tourist Cars to Western Canada

There is no more comfortable way to travel to the West than in a Canadian Pacific tourist sleeping car. These cars run from Toronto to Winnipeg, Calgary and Vancouver daily at 10.10 p.m. Berths are fully equipped with bedding, every traveling convenience is afforded and an attentive porter is in charge. The extra cost is very small and tourist cars are attached to each Homeseekers' special train from Toronto. Early application to local C. P. R. Agent should be made for berths.

Dundalk

A meeting of the directors of Proton Agricultural Society was held in the town hall on Saturday afternoon. The chief business transacted was the arranging for the annual spring show which will be held in Dundalk on Tuesday, April 25.

An accident occurred on Sunday which might easily have been much more serious than it turned out to be. In returning home from the Methodist church after the morning service Mrs. Nichol, sr., who is crippled with rheumatism, was thrown from the cutter. The horse, which was driven by her little grandson, C. Montgomery, became unmanageable and ran away. The old lady escaped broken bones but was bruised and shaken up pretty badly.

The Western exodus this week includes Charles Dezall of Badgeros, who shipped a car of settlers' effects to Morse, Sask., on Tuesday. Luther Vett of this place, with his wife and family, started for Wainwright, Alta., on Tuesday, Mr. V. also shipped a car of horses and effects in charge of Wm. Colgan.
