Diamond Wedding

Singhampton Couple Celebrate Unique Occasion.

An honor which comes to few was granted Mr. and Mrs. Alex Weir of Singhampton on Saturday, March 25th, when they were permitted to see the sixtieth anniversary of their marriage. This important event was quietly celebrated at their home, when their family, with the exception of one daughter, together with their pastor and his wife, and a few intimate friends met to make the occasion pleasant and memorable.

Rev. J. Phimister performed the marriage ceremony, after which a bountiful repast was served, followed by an interesting toast list. Congratulatory speeches were made by members of the family and others, and a very pleasant evening was spent in social intercourse. One of the guests, Mrs. Geo. Wilson, sr., a niece of Mrs. Weir's, was present at the marriage sixty years ago, and also at the golden wedding celebration.

Alexander Weir and Elizabeth Gilchrist were both born near Enniskillen, Ireland, the former in the year 1919, and the latter in 1829. Mr. Weir came to Canada in 1846, and in 1848 his future bride, with her sister and sister's family, followed. On March 25th, 1851, the hands and hearts of this Irish couple were united at Bowmanville, Ontario. They started life together in Brock township, but hearing of better advantages farther back, they moved in 1855 to the township of Egremont, where they had all the varied experiences of pioneer life. Mr. Weir, while farming also worked at his trade as a weaver. At that time his marketing was done at Stayner and Collingwood, the round trip requiring three and four days, as Mr. Weir would take lumber, etc., on his return trip, the additional gain compensating for the additional labor.

In 1872 the family moved to Nottawasaga and settled on lot 17, con. 10, where Mr. and Mrs. Weir still reside with their youngest son and his wife, who lovingly minister to their every need.

Mr. and Mrs. Weir are among the most respected and best loved citizens of this community, as throughout their lives they have ever stood for the right and have given generously of their substance and labor to every good cause. They are proud, and justly so, of the fact that from beginning life with no worldly wealth they have lived to see a good old age, surrounded by every comfort and luxury they can desire; with their family taking their places in the world as useful and honored citizens.

Of their family of ten, seven are still living, viz.: John H., of Glen Huron; Mrs. Noble Wilson, of Boothville; Geo., of Collingwood; Mrs. James Wilson, of Walters Falls; Mrs. J. W. Taylor, of Singhampton; Mrs. Alex. Fachnie, of Govan, Sask., and Robert, on the homestead. There are also living thirty-four grandchildren and five great-grandchildren.

Address and Presentation

Previous to her removal to Toronto last week Mrs. W. Bentham was presented by the Presbyterian Choir and Guild with a purse and the following address:

Mrs. W. Bentham:

DEAR FRIEND,—Having resided here since childhood and having for many years been a valued member of Chalmers Church choir and a faithful worker in the Young People's Society we cannot allow you to depart without expressing our high appreciation of your services and the great loss we feel we sustain by your removal. Your efforts we believe have always been prompted by the spirit of love, and a cheerful willingness to render your very best services has always been manifested. Be assured your reward will be greater far than in the power of your friends here to bestow. We trust in your new home you will retain pleasant memories of your associations here and before leaving us we ask you to accept of this purse as a parting token of our affection and mark of the esteem in which you are held.—The Choir and Guild of Chalmer's Church.
