THE Subscriber would respectfully notify the inhabitants of Kingston and neighborhood, that he is prepared to execute PLANS and ELEVATIONS of BUILDINGS, having been engaged for a number of years in Practical Architecture, as well as Practical Workmanship. He flatters himself that all those who may engage him as an Architect and Surveyor, would feel satisfied with his designing and general knowledge of the business.

BOOK AGENTS WANTED

IN all the States of the Union, to Canvass for the following important and valuable Works, which are sold by subscription. We have now about one hundred Agents in the field, many of them clearing from two to five dollars per day. It will be seen that our books are of a very popular and desirable kind, and calculated to please almost every taste.

Lives of Jas. Madison and Jas. Monroe.—Fourth and Fifth Presidents of the United States, by John Quincy Adams, to which is added a history of their Administration. 1 Vol. 12 mo. 443 pp. with Steel Portraits. Cloth, price $1.25.

This new and popular volume, being the only authentic record of the lives and public career of Presidents Madison and Monroe, has already passed through several large editions, over six thousand copies having been sold within the first six months of its publication, and the demand still continues unabated.

Extracts from Letters received by the Publishers.

It is really a valuable addition to American Biography, as it is a gratifying proof of the enterprise and public spirit of the Publishers.

Z. TAYLOR.

Such a work may be read with profit and advantage by all who take a lively interest in the eminent men of our country.

H. CLAY.

Fremont's Expedition through the Rocky Mountains, Oregon and California, with additional "El Dorado" matter, with several portraits and illustrations—433 pp. 12 mo.—Cloth or Sheep, $1 25.

Oregon and California.—"The Exploring Expedition to the Rocky Mountains, Oregon and California, by Brt. Col. J. C. Fremont." It is a fair 12 mo. of 436 pages, just issued by G. H. Derby & Co., of Buffalo.

Now that the hope of getting them out of Congressmen is at an end, while three-fourths of the applicants must have been unsuccessful, we advise the Californian's to walk up to the Captain's office and buy Mr. Derby's Edition. The interest is far better than that of Congress.—N. Y. Times.

Life of Gen. Andrew Jackson.—New edition, revised and enlarged, with Burcell's Eulogy. Steel portrait—400 pages, cloth or sheep, $1 25.

Of the work before us, we think we may safely say, that its editor has striven to divest his mind of all other considerations than the one which should possess it—the consideration that he was writing the life of a great man, whose deeds were the property of the nation to which he belonged, and not of any sect or class.—*English Country.*

Tocqueville's Science of Government.—New and improved edition, 370 pp., in muslin binding—price $1 25.
