Sudden Death Of Osprey Councillor

People here were inexpressibly shocked on Saturday last to learn of the death of Mr. A. E. McCallum, member of the Council of Osprey township, which took place at his home on the 4th line that day after only one week's illness from pleuro-pneumonia. The deceased gentleman was most popular with all who knew him, a genial, happy-natured man, possessing many friends We understand his age was 38 years. He leaves behind a young wife and two little girls, the eldest 6 years of age. The remains will be interred in Maxwell cemetery to-day (Thursday), having been kept awaiting the arrival of brothers and sisters from the West.

Charles Seeler of Sunnidale kept account of expenses and receipts in connection with 200 hens, from December 1st to March 29th. His feed cost him $70.06 allowing 67c a day for 118 days, but this does not include milk of which the hens had a supply regularly. Mr. Seeler marketed 825 dozen, receiving $210.70, and the family consumed $8.50 worth themselves, leaving a net profit of $148.14, a pretty good margin on winter eggs.—Stayner Sun.

John Huff, B.A., head master of North Battleford high school, has been appointed public school inspector in the province of Saskatchewan. Mr. Huff is an old Meaford boy, a son of Inspector Huff, and we are pleased to note that he is coming to the front in educational matters in the West. An appointment of this kind not only requires ability, integrity and progressiveness but it must carry with it a complete grasp of the possibilities of the great and growing West, and Mr. Huff must be heartily congratulated upon acquiring such an important position.—Meaford Express.

Chief of Police Mattson, Arnprior, was committed for trial on a charge of embezzling corporation funds.

The schoolmates of Sadie Guy met one night last week at her home and presented her with a handsome hand painted salad bowl and address,

Dear Sadie—We, the pupils of Maxwell public school as your companions and school fellows, have gathered at your home this evening to spend a few hours with you prior to your severing your connection with us on account of your intended departure from our midst in the near future. We feel that we cannot let you depart without, in some way, conveying to you our kind regards. During the time you have been with us we have learned to love you and appreciate your friendship. As a slight token of our good will to you we ask you to accept this mere trifle as a remembrance of your school fellows at Maxwell. We all join in wishing you and yours continued health and prosperity in your new home, and may Heaven's richest blessings accompany you through life, and should we not be permitted to meet again on earth may we all meet together around the great white throne where parting shall be no more is the sincere wish of your entire school.
