Mr. and Mrs. Henry Hurd of Kimberley returned from Virginia last week, where they spent most of the winter, and Mr. Hurd gave The Advance a call on Thursday. He says social and agricultural conditions are still away behind the times in the South.

The Advance had a pleasant call from Mr. James Inkster of Strongfield, Sask., who was down here attending the funeral of his brother-in-law, Mr. Bert McCallum. Mr. Inkster is charmed with the West and has no desire to return to old Osprey.

Alex, son of Mr. Walter LeGard, of Toronto, has been very low with bronchial pneumonia. He is showing slight signs of improvement.

Married—In Toronto, on Wednesday April 12th, Mr. Reuben Spence to Miss Edith Eago, formerly of Orillia. The Advance extends congratulation.

In mentioning the death last week of Mrs. Theresa Robinson we inadvertently said she was a daughter of Mr. John McKee, when it should have been Wm. T. McKee. The error was regrettable.

Among those from Toronto visiting in town for Easter holidays we noticed the following: Dr. and Mrs. Fred Murray, Misses Alice and Lou. Nicholson, Miss Lulu Mitchell, Ethel Trimble, Charlie Thistlethwaite, John Kerr, Annie Flynn.

Owing to the death of the late Councillor McCallum of Osprey it is necessary to fill his place. Nomination will take place at Maxwell on Thursday, April 27.

Mr. Andrew Dow, who moved with his family to the west, has returned to Ontario, arriving here last week. We understand that ill health was the cause of his return.

The committee appointed to look into the fire protection question desire us to announce for a meeting of citizens to be held in the town hall on Friday evening this week.

Negotiatons were completed the last of last week by which Mr. R. Goldhawk of Singhampton has purchased the bakery business here from Mr. Edward Thompson. Mr. Goldhawk took possession on Monday. He comes highly recommended as a first class baker and we bespeak for him a good business here. He was in business at Woodbridge for eleven years.

The Woman's Missionary Society held their Easter meeting in the Methodist church last Wednesday. Rev. H. E. Wellwood gave an address on "Tithing," and several members gave appropriate readings. This, with Easter music, made an interesting meeting. The Easter thank-offering was presented, which amounted to over ten dollars, which will be augmented at the next meeting. Lunch was served to about fifty ladies and a pleasant hour spent. Mrs. W. H. Wright was elected delegate to attend the Branch meeting to be held in Elm street church, Toronto, on May 30, 31 and June 1st.

A certain mother remarked, before her 6-year-old son, "Well, here it is the 7th of April and it is snowing." The comment by the youthful logician was, "Well, mother, I guess God didn't have a calender up in Heaven."

Mr. Charles Stafford returned from a month's visit to Cuba. A letter elsewhere gives some of his views regarding conditions down there and he has promised us more for next week. He had purposed also taking a trip through Mexico, but unsettled conditions there prevented. The revolution in Mexico appears to be assuming serious proportions, and railways will not sell through tickets, as a consequence tourist travel is at a standstill.

The Good Friday sacred concert, given by the Mission Band of the Methodist Church, was a decided success. The program was high-class and very appropriate to the day and to the holy Easter-tide. The pastor of the church occupied the chair, and the Rev. Mr. Kelly of the Baptist church brought friendly greetings from the sister congregation. The pleasing variety in the selections held the interest of the large audience from beginning to end. Twin drills—"He is dead," symbolizing the tragic Good Friday, and "He is risen," picturing the glad Easter day, were especially apt. The ladies who trained the band, Mrs. W. A. Armstrong, Miss Florence Thurston and Mrs. R. Wright, deserve great credit. The Mission Band can boast 82 members and is a training place for boys and girls in the Missionary spirit. The free-will offering of the evening goes toward erecting the new home for Ruthenian girls in Edmonton, and amounted to $17.50.

Hon. G. P. Graham's son, Perry M., died of brain fever.

SCIATICA

EXPECTED DEATH ANY DAY

Another Case Where Life Was Saved and Health Restored by "Nerviline."

It is because he feels it his solemn duty to tell to the world his faith in Nerviline that Victor P. Hires makes the following declaration: "For three years I was in the Royal Mail service, and in all kinds of weather had to meet the night trains. Dampness, cold, and exposure brought on sciatica that affected my left side. Sometimes an attack would come on that made me powerless to work. I was so nearly a complete cripple that I had to give up my job. I was in despair, completely cast down because the money I spent on trying to get well was wasted. I was speaking to my chemist one day, and he recommended "Nerviline." I had this good liniment rubbed on several times a day, and got relief. In order to build up my general health and improve my blood I used Ferrozone, one tablet with each meal. I continued this treatment four months and was cured. I have used all kinds of liniments, and can truthfully say that Nerviline is far stronger, more penetrating, and infinitely better than anything else for relieving pain. I urge everyone with lumbago, neuralgia, rheumatism, or sciatica to use Nerviline. I know it will cure them."

CURED SIX YEARS

There isn't a more highly-esteemed citizen in Westchester than Mr. Hires. What he says can be relied upon. For six years since being cured he hasn't had a single relapse. Don't accept anything from your dealer but "Nerviline." 50 cents per bottle, trial size, 25c; sold everywhere, or The Catarrhozone Co., Kingston, Ont.
