### BOOK AGENTS WANTED

IN all the States of the Union, to Canvass for the following Interesting and valuable Works which are sold by subscription. We have procured one hundred Agents in the field, every one of them clearing from two to five dollars per day. It will be seen that our books are of a very popular and desirable kind, and calculated to please almost every taste.

Lives of Jas Madison and Jas Monroe.—Fourth and Fifth Presidents of the United States, by John Quincy Adams, to which is added a history of their Administration. 1 Vol. 12 mo. 443 pp. with Steel Portraits. Cloth, price $1.25.

This new and popular volume, being the only authentic record of the lives and public events of Presidents Madison and Monroe, has already passed through several large editions, and the second edition having been sold within the first six months of its publication, still the demand will continue unabated.

*Extracts from Letters received by the Publishers.*

It is really a valuable work to American Biography, as it is a gratifying proof of the enterprise and patriotic spirit of the Publishers.

Z. TAYLOR.

Such a work may be used with profit and advantage by all who take a lively interest in the eminent men of our country.

H. CLAY.

Fremont's Expedition Expedition through the Rocky Mountains, Oregon and California, with additional "El Dorado" notices, with numerous portraits and illustrations—535 pp. 12 mo.—Cloth or Sheep, $1.25.

Oregon and California.—"The Exploring Expedition to the Rocky Mountains, Oregon and California, by Col. J. C. Fremont." This is a fine 12 mo. of 535 pages. Just issued by G. H. Derby & Co., of Buffalo.

Now that the hope of getting them out of Congress is at an end, which three-fourths of the Expeditions must have been unsuccessful, we advise the Californians to wait up to the Captain's office and buy Mr. Derby's Edition. The letter press is the better than that of Congress.—N. Y. Tribune.

Life of Gen. Andrew Jackson.—New edition, revised and enlarged, with Emerson's Eulogy. Nine portraits—300 pages, cloth or sheep, $1.25.

Of the work before us, we think we may safely say, that its value has arisen to a great height of all other considerations than the one which should possess it—the consideration that he was writing the life of a great man, whose deeds were the property of the nation to which he belonged, and not of any town or clan.—*Buffalo Courier.*

Paine's Sermon on Government.—New and improved edition, 128 pp., in morocco binding—price $1.25.

Questions of public policy, not merely affecting the interests of our country, but involving constitutional principles, and even liberty itself, are not unfrequently decided at the ballot box. To multitudes of our citizens it becomes a question of prerogative of freemen without knowing what the duties and responsibilities of freemen are. The poll lists of our State are annually swelled by thousands of new voters, who have never given the Constitution to them a single reading!

Contents.—Its History, Conditions, Purposes, Occasions, Consent and Prohibition, with general illustrations among the Indians during a residence on the plains, forming the Pueblos which connected with the Oregon Mission, embracing extended notes of a tedious round the world.—By Rev. Cushing Eells. 535 pp. 12 mo., sheep or cloth binding—price $1.25.

In Oregon, the Author's first employment was an exploratory tour among the Indians of the Columbia River, which empties into the Pacific.—The tour supplies us with some geographical information and a mixed account of the Indians of that country. Mr. Eells has the advantage of a comparatively untouched field, and his book will be of interest beyond the limits of his missionary brethren's contribution to the book literary of Oregon.—*Literary World.*

Turner's History of the Rebellion in Western New York, with eight portraits of the early pioneers—Maps and Plates—700 pp., 8 vo., cloth or sheep—price $2.50.

Library of Natural History.—1 Vol. royal octavo, with 400 engravings; compiled from the works of writers on Natural History. Cloth, extra binding—price $2.50.

Curiosities of Church and Dissenting Knowledge—Forming a complete Library of useful and entertaining Knowledge, &c., &c., By W. R. Maxwell, Esq. Embellished with 350 engravings, 1 vol., royal 8 vo. Morocco, extra binding—Price $3.50.

*** Newspapers copying this advertisement entire, (including this notice), and giving it one or more insertions, shall receive two copies of the $2.50 books—or for six insertions, with an editorial notice, shall receive a copy of the $3 work, or four $1.25 books, (subject to their order.)

☞ All letters should be addressed postpaid.—For further particulars apply, post paid, to

*Another Living Witness of the Hydropathic and Botanic Medicines, from* CAPTAIN McMASTER.

I WISH to inform the Public, for the good of the afflicted, that I was very unwell with a cough and inflammation of my lungs and chest, which threatened my whole constitution. I spared no cost or trouble to get rid of it, but I got no relief until I was advised to go to DR. LANKTREE, of Kingston, when I got his Medicine. It took but a short time, and little cost, until I could again rejoice in the return of my perfect health—thank God.

FRANCIS McMASTER.

Amherst Island, 23rd Aug., 1851. 212

SEEING and hearing of so many testimonials for Dr. Lanktree's Medicine, induces me to recollect my duty both to him and the public; for I was some time ago, to the knowledge of many in this city, given over as an incurable case, with Enlargement of the Heart and Liver Complaint, and was effectually cured by him; also, lately, I was in despair with a Dropsical Swelling, and obtained immediate relief, so that I am now able to do my business well, thank God.

### American Repotorry of Inventions

*To Mechanics, Inventors & Manufacturers.*

### Seventh Volume of the Scientific American.

*MESSRS. MUNN & CO.,*

*American and Foreign Patent Agents, and Publishers of the Scientific American,*

RESPECTFULLY announce to the public that the first number of Volume VII. of this widely circulated and valuable journal will issue on the 20th September. The new volume will commence with new type, printed upon paper of a heavier texture than that used in the preceding volumes. It is the intention of the publishers to illustrate it more fully, by introducing representations of prominent events connected with the advancement of science; besides furnishing the usual amount of engravings of new inventions. It is published weekly in form for binding, and affords at the end of the year a splendid volume of more four hundred pages, with a copious index, and from five to six hundred engravings, together with a vast current of practical information concerning the progress of invention and discovery throughout the world. There is no subject of importance to the mechanic, inventor, manufacturer and general reader which is not treated in the most able manner—the editors, contributors and correspondents being men of the highest attainments. It is in fact the leading scientific journal of the country.

The Inventor will find in it a weekly list of American Patent Claims, reported from the Patent Office, an original feature not found in any other weekly publication.

TERMS,

TWO DOLLARS A YEAR,—ONE DOLLAR FOR SIX MONTHS.

☞ *All Letters must be post-paid and directed to "MUNN & CO., Publishers of the Scientific American, 128 Fulton Street, New York."*

### BRITANNIA LIFE ASSURANCE COMPANY,

No. 1 Princes Street, Bank, London.

CAPITAL, ONE MILLION,
ENDOWED BY SPECIAL ACT OF PARLIAMENT
4 Vic. Cap. 9.

THE great success of this Institution in Europe and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due by or to them in case of premature death. The rates of the *Britannia* are the lowest which can be offered consistently, with security to the Assured, and the subscriber begs respectfully to invite the attention of the inhabitants of Kingston to the numerous Tables of Rates, specimens of which may be seen at his office.

The income of the Company, independently of the large subscribed Capital, is between Eighty and Ninety Thousand Pounds Sterling, per Annum, and at this the greatest part is continually accumulating for the payment of losses.

A party effecting an Assurance with this Company, may do so for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure an immediate Bonus by not paying more than is absolutely required to provide for the risk—but if participation in profits is preferred by any party, there are "Mutual Tables" adopted by the Company, which offer an annual division of the Profits, and which being supported by the other Branch of the Institution, hold out a very safe and substantial inducement to the person wishing to Assure.

All claims payable within twenty months after proof of death. No proof of birth is required at the time a claim is made; the age of the Assured being, in every case, admitted in the Policy, cannot, under any circumstances, be afterwards called in question. Policies effected by parties on their own lives are not rendered void in case of death by duelling or the hands of justice. In the event of suicide, if the Policy be assigned to a bona fide Creditor, the sum assured will be paid without deduction; if the Policy be not assigned the full amount of Premiums received thereon will be returned to the family of the Assured.

The necessary forms, and every requisite information, as to the mode of effecting Assurances, may be obtained either by letter or personal application to

### THE CANADA LIFE ASSURANCE COMPANY.

Incorporated by Act of Parliament.

THIS COMPANY is prepared to grant Assurances on Lives, whether single or joint, to sell Annuities, to purchase Reversions and to transact all business in which the risk of Life is concerned.

Tables have been expressly calculated from the most accurate data; and the Company is enabled, from its small expenditure, and the high rate of interest that money commands in Canada, to offer terms of Assurance much more favorable than the low rate of interest attainable on investments by British Companies and their generally large expenditure can with any regard to safety admit of.

An exact statement of its receipts and expenditure is annually published by the Company and forwarded to all who may be interested.

Of no other Life Assurance Company can it be said that it invests all its funds in Canada, and that it does not consequently contribute to the immense sum of money which is yearly sent out of the Province to pay British or Foreign Companies for that, in which (and this is nearly a solitary instance) neither Great Britain nor the neighboring States can fairly offer competition.

To parties who may at any time feel disinclined or unable to continue the payment of their premiums, this Company will grant Policies, payable at death, fairly representative of the value of such payments as they may have been made, & it further engages to purchase policies for an equitable consideration after five or more full premiums have been paid thereon.

Three-fourths of the profits realized in the Mutual Branch are yearly divided amongst the policy holders thus assured.

A peculiar feature of the Company is, that it is not desirous to make profits by lapsed Policies.

Tables of Rates, forms of proposal, and all other information may be obtained at the Head Office and Agencies.

### BRITISH AMERICA FIRE, LIFE AND MARINE INSURANCE COMPANY.

THE Undersigned, as Agent of the above Company, continues to effect Insurances on Property against Loss or Damage by Fire, on as liberal terms as any other *first* class Office in Canada.

To the Assured, this Company offers one important inducement over those of Alien Offices—i. e., that all claims for loss or damage, are adjusted within the limits of the Province, without parties having to resort to a Foreign Judicatory, to enforce payment of losses, when resisted.

### TOWING.

NOTICE is hereby given that a Contract has been made by this Department with Messrs CALVIN & COOK, who are thereby bound to have fully prepared and well equipped, at least four Steam Vessels, for the purpose of towing Vessels during the Season, up and down, between Kingston and Lachine, from the First of April (or from the opening of the River) until the First of December next.

The Vessels for the towing between Dickenson's Landing and Prescott, to be of at least Sixty Horse Power, and those on the other portions of the route to be of not less than Forty-five Horse Power; they are not permitted to use Rafts, and, in case of any accident occurring to any of these, these places are to be immediately supplied with others equally suitable.

A Tug Boat will be despatched on the downward trips from Kingston and from Cornwall, every Monday, Wednesday, and Friday, and on the upward trips from Lachine and from Dickenson's Landing every Tuesday, Thursday, and Saturday during the season. The Tow of vessels, taken on these days, shall be brought through direct, and without any unnecessary delay whatever.

All Vessels shall be taken in their turn, except Lake Craft, which shall have the preference.

The charges for Towing, per mile, will be according to the rates in the table annexed.

Any further information that may be desired, can be had on application to the Office of the Department of Public Works, Toronto.

### Waterloo Nursery

C. T. GOODRICH having procured a suitable piece of ground at Waterloo opposite the Pine Grove, on the Kingston Road for the Nursery Business, would intimate to his friends and the public, that he will be prepared the coming fall to supply all orders for Fruit and Ornamental Trees that he may be favored with, having recently received some three thousand standard Trees from the Oswego Nursery. He would also call the attention of the public to his beautiful stock of Cherry, and Pears, together with many choice Ornamentals, now in the McLean Garden, Lot 24, just above the Roman Catholic Seminary; there are some six kinds of Cherry and as many of Pears, all of the very best kinds.

The subscriber would also notice, that after this season he will be prepared to attend to all calls in the way of Grafting, Pruning and Setting trees, and hopes by punctual attention to the interests of his customers, to merit and receive a share of public patronage.

C. T. GOODRICH.
