Deathly Cramps, Stomach was Bloated

A Bad Case That Proves Cramps and Stomach Disorders are Cured Fast by Nerviline.

"The distress I suffered from cramps last summer was so severe I thought it meant death," writes P. R. Emerson, of Guys Hill, P. O. "I was doubled up with pain and in such bad shape I couldn't walk a hundred feet. I remembered having Nerviline on hand and took half a teaspoonful in sweetened water. In five minutes I was well and my stomach derangements disappeared entirely."

NERVILINE AN INSTANT RELIEF

For cramps, flatulence, diarrhoea and disorders of the stomach and bowels, Nerviline knows no equal—one million bottles used every year—fifty years on the market, that's proof enough of its merit. Large bottles, 50c., trial size, 15c. All dealers or The Catarrhozone Company, Kingston, Ont.

Is there anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life and must be digested and converted into blood When the digestion fails the whole body suffers. Chamberlain's Tablets are a rational and reliable cure for indigestion. They increase the flow of bile, purify the blood, strengthen the stomach, and tone up the whole digestive apparatus to a natural and healthy action. For sale by W. E. Richardson & Son.

Dundalk

Arrangements are being made to have a quantity of crushed stone placed on the streets during the coming summer.

Mr. I. Traynor has just completed a map of the village which will be suitably framed and hung in the council chamber for the use of the public. The map is 3½x7 feet and is an excellent piece of work.

Traffic on the village streets has been blocked on several occasions lately by freight trains standing on the crossings. The town has no desire to quarrel with the C. P. R. but the rights of the citizens must be protected.

George Beamish, the local well driller, got a surprise on Saturday morning last that has kept him smiling since. He started drilling at Mr. Wm. Trudgeon's farm on the gravel road on Tuesday of last week, and had gone down about 55ft. when the water spouted out of the top end of the iron casing and the job was completed. The piping is six inches across and a steady stream of the purest spring water is flowing out of it. The spring was struck while the drill was working in a bed of sand and there is no rock formation above it. The well is situated on a high piece of land which is said to be at least 40 feet above Dundalk as this is supposed to be the highest point in Ontario it is difficult to understand where the presure comes from to raise the water so high. Mr. Trudgeon realizes that he has added very materially to the value of his farm and Mr. Beamish is more than tickled with the result of his labors.—Herald

Potatoes Wanted

Five hundred bags good merchantable potatoes wanted, delivered at Flesherton Station this week. Highest market price will be paid. M. Scully Co., Flesherton, or M. McDonald, Flesherton Station.

The Goderich Assizes was the occasion of a not uninteresting coincidence. In the case of Geo. Vanstone, tried for the murder of his little son, Freddie. George Tate Blackstock was prosecuting attorney M. G. Cameron counsel for the defence, and R. G. Reynolds was sherriff. This recalled a day away back in the early seventies, when the three men named, as boys, were attending grammar school at Goderich. The school had gotten up a mock trial by way of entertainment. The prisoner in the affair was on trial for murder; and among those playing a prominent part were young Blackstock as prosecuting attorney, M.G. Cameron counsel for the accused, and R. G. Reynolds, acting sherriff. Here, last week were all three, occupying similar positions, but on how much more serious an occasion! Bruce Times.

While the parents were visiting five children of a family in Megantic county, Quebec, were burnt to death.

Chief Justice Meredith at the criminal assizes at Toronto last week scored severely the present method of housing innocent insane people with prisoners in the Jail. Though the law is that the insane be kept in some comfortable and safe place it appears to be a dead letter as to enforcement of it, but the Chief Justice's timely rebuke should prove effective with the powers that be.

VARICOSE VEINS CURED

NO NAMES USED WITHOUT WRITTEN CONSENT.

Confined to His Home for Weeks.

"Heavy work, severe straining and evil habits in youth brought on Varicose Veins. When I worked hard the aching would become severe and I was often laid up for a week at a time. My family physician told me an operation was my only hope—but I dreaded it. I tried several specialists, but soon found out all they wanted was my money. I commenced to look upon all doctors as little better than rogues. One day my boss asked me why I was off work so much and I told him my condition. He advised me to consult Drs. Kennedy & Kennedy, as he had taken treatment from them himself and knew they were square and skillful. I wrote them and got THE NEW METHOD TREATMENT. My progress was somewhat slow and during the first month's treatment I was somewhat discouraged. However, I continued treatment for three months longer and was rewarded with a complete cure. I could only earn $12 a week in a machine shop before treatment, now I am earning $21 and never loose a day. I wish all sufferers knew of your valuable treatment.
