And are intended to arrive in Montreal the same evenings, in time for the Quebec Boats, at Seven o'clock.

IN addition to the above named packets, the boats will call at the other important Lake and River ports. ☞ After the 20th day of September, the Boats will discontinue calling at Lewiston, and make Hamilton the point of departure at 7½ o'clock on the mornings of Mondays, Wednesdays and Fridays.

The establishment of the Line will enable the merchants of Canada West to remain throughout the business day in Montreal and to reach their homes, almost as early as if they had gone by the Mail Line at noon, and connecting at the Docks with up and down Express Trains of Ogdensburgh, they will afford direct conveyance for passengers and freight between the Canadian ports and the Eastern States.

It is deemed unnecessary to dwell upon the advantages offered when steamers passing direct from the head Lake Ontario to Montreal, arrive there, over those of Lines that involve a transhipment (on the 6 warmest days) at an unreasonable hour in the morning.

In compliance with a generally expressed wish, on the part of the public, a separate cabin will be made for meals.

☞ The Line will be commenced by the HIGHLANDER leaving Montreal on TUESDAY, the 28th instant; the CHAMPION on THURSDAY, 29th, and the MAY FLOWER will be out next month.

For Freight or Passage, apply to the Captains on board, or at the NEW THROUGH LINE OFFICE, No. 304 Mc'Gill Street, or to CHAMPION and MAY FLOWER, to Macpherson, Crane & Co., Montreal; Macpherson & Crane, Prescott, Kingston & Hamilton. AMERICAN HOUSE.
HANOVER STREET, BOSTON.

THE undersigned having entirely REBUILT and ENLARGED the above extensive establishment, continuing to all about three hundred and fifty rooms, would respectfully give notice that it is now ready for the reception and accommodation of the travelling community.

An extended notice of the unsurpassed convenience of this House is deemed superfluous, as the numerous improvements which have been made cannot be properly given in an advertisement. Suffice it to say that no expense has been spared to render any apartment perfect.

The furniture was made expressly to order, regardless of cost, and certain patterns of it, especially the Drawing-rooms, will be found to be of the most beautiful and tasteful manufacture. The Dining-rooms are capacious, and the hours for meals will be so arranged as to suit the convenience of the early and late.

Every department will be conducted in an unexceptionable manner, and the Proprietor flatters himself that the *American House* shall be truly the Traveller's Home.

THE approach of the season for visiting Boston reminds us that the period is fast approaching when our friends will be looking out for Country Merchants to cut large assortments of AMERICAN, ENGLISH and GERMAN
CUTLERY AND HARDWARE GOODS,
recently received from the manufacturers in this country and in Europe.

We are thus enabled to exhibit one of the most varied assortments ever offered for sale in Boston. We shall always endeavor so to have our goods and to make our prices as we confidently believe the interest and convenience of our Stock to be well worth the notice of Merchants.

Here We are Again!

THE Subscriber having removed to his NEW STORE in BAGOT STREET, fitted up expressly for a STOVE and TIN SHOP, would call the attention of those in want of Stoves and Tin Ware, to his assortment, feeling assured that after they have seen the Thousand Stoves advertised in other Shops, they will be amply repaid by a call on him, as his collection is too numerous to detail. He would merely say that it comprises all the kinds of Stoves made at the EAGLE FOUNDRY, under the Personal Inspection of MR. L. HAMILTON, who is universally acknowledged to be A No. 1 among Stove Manufacturers. An assortment of the Newest and most approved American Patterns of Stoves, selected by himself, with Dumb Stoves, Gathers Pipes, Stove Pipes, and Tin Ware constantly on hand.

☞ Cash paid for old Copper, Pewter, Brass and Lead. Old Metal and Rags taken in exchange.
