VICINITY CHIPS

Mr. S. Colquette of Toronto was in town over Sunday.

Mrs. Ed. Whitten spent the 24th with her daughter in Toronto.

Mr. Clarence Ball of Warminster is the guest of his sister, Mrs. (Rev.) Wellwood.

David Lamb of Bentinck had his house destroyed by fire.

Mr. Will Wilson of Toronto spent the 24th with his mother.

Mr. and Mrs. George Wickens of Toronto are spending a few days this week with the former's parents.

Col. A. G. Campbell of Toronto was in town on Saturday.

Mr. and Mrs. W. Moore spent Sunday with the former's parents in Egremont.

Mr. John Sharp has taken a position in the Bank of Commerce, Goderich.

Mr. George Stuart returned last week from Elk Lake. George will spend the summer here purchasing live stock.

Mr. F. G. Cole of this place has a peach tree in bloom. This is something rare in this part of the country.

Mr. Fred Leitch cut his foot pretty badly one day last week while working in the swamp for W. A. Armstrong. It required nine stitches to close the wound.

Heavy rains and tropical heat have given vegetation a phenomenal growth during the past week. If these favorable conditions continue there should be abnormal crops.

The District Meeting of the Owen Sound district of the Methodist church will be held in Markdale on Thursday of this week. Mr. W. H. Bunt is the delegate from this circuit.

Wireless signals have been sent from the Eiffel tower in Paris to Canada, and a regular service will be inaugurated.

After a few evenings of light our supply of electricity has again failed us, owing to the burning out of an armature on the dynamo recently installed. An expert is now doing renovation work thereon.

Mr. and Mrs. C. Scanlon and Mr. and Mrs. McArthur of Collingwood came over per auto on Sunday, returning the same day. Mrs. Corbett returned to Collingwood with them to remain a week.

A meeting of the plot holders of Salem burying ground, will be held in the Salem church, on June 2nd. All interested are requested to attend. By order of the trustees. W. C. Pedlar, Secy.

The Feversham football boys purposed celebrating May 24th with a good list of sports, but have decided to wait until Coronation Day, June 22, when a big day of sports is promised.

A large frame barn belonging to Messrs. Lundy and Will Johnston of the Meaford Road, was burned by lightning early Sunday morning. Particulars are given by our Vandeleur correspondent.

For some years Flesherton has been one of the best wool markets in this county and this year will not be the behind. Both Karstedt and Boyd are buying. The season has scarcely oponed, only a few loads having appeared. The price ranges from 12 and 13 cents for unwashed to 20c for the best.

Miss B. Gilholm from the Department of Agriculture, Toronto, will address the Institutes of Centre Grey during the month of June, and will speak in the Town Hall, Flesherton, on Saturday June 3 at 2.30 in the afternoon. It is hoped that a large attendance of members and visitors will be present. Miss Gilholm's subjects are "Will the dairy cow remove the mortgage?" and "Thoughts of old friends and new."

Mrs. A. H. Scott and three children of Owen Sound are guests of Mrs. W. Buskin.

Mr. and Mrs. F. D. Goff and children and Mrs. J. W. Armstrong of Meaford were guests this week of relatives in town.

Mr. George Mitchell, manager of the Standard bank, left on Monday morning for Olean lake, east of the Algonquin park, where he will join a party of friends for a few days' salmon fishing. We hope the party will get more bites than will the black flies and mosquitos, but have our honest doubts.

Rock Mills football team played a return match on the agricultural grounds here Friday evening. When the Flesherton team played at Rock mills three weeks ago no goals were scored, and the same story is told of the Friday evening game here. It would thus appear that the two teams are pretty evenly matched. The play off will probably decide matters.

Much sympathy is expressed with Mr. and Mrs. Robert Richardson of the suburbs in the loss of their infant son, of meningitis. The little one was nine months of age and was only ill about twelve hours. The funeral took place on Sunday afternoon to Flesherton cemetery and was largely attended by sympathizing friends. There were placed on the casket floral tributes from Mr. and Mrs. J. I. Graham, and Mr. and Mrs. Jos. Buchanan, also a beautiful spray of carnations from Mr. and Mrs. Geo. Pritchard and Miss Mary, grandparents and aunt of the deceased.

Riverdale

Oh, Christmas! I wish it would get cooler, is the general remark of the day.

Inspector Huff of Meaford made his annual visit to Riverdale public school on Thursday and gave a gratifying report of the institution and teacher.

The rapid advancement of foliage and vegetation during the past week has assuredly been marvellous. If the weather continues favorable a bumper harvest is looming up in the not distant future.

A number of our up-to-date citizens have had lightning rods erected on their barns, and through the influence of the oily-tongued rod guys and recent electrical storms no doubt many more will be put up in this vicinity in the near future. While properly erected lightning rods are an indispensible safeguard against loss of property by lightning, we believe that it is the limit of extravagance to invest such a prodigious figure in the rod agent's goods, when any farmer possessing ordinary mechanical ability can erect just as good lightning conductors himself for a few dollars. Information on this important subject will be forwarded upon request by the author on the easy terms of two cents a line.

Wilson Graham, a young Irishman, who works for Samuel Irvine, East Luther, received a bad shaking up on Saturday. While leading a team attached to a land roller through a gate, something started them to run away. The young fellow was knocked down insensible, had a rib fractured, and injured internally as he spat blood for a couple of days afterwards. Some think the roller passed over him, but the Dr. thinks the injuries to his body do not bear this out, anh that the force of the blow from the horses or roller knocked him out of the way. At all events he received a severe shaking up.—Grand Valley Star.

A story is told of a newspaper editor in one of the Manitoba villages who had the joke on a citizen of his town not long since. The citizen and his family are great admirers of the departmental store and buy all their goods in Winnipeg. A few weeks ago a daughter of the house got married, and the entire bridal paraphernalia, including the invitations, was purchased in the city. The day after the wedding the bride's father brought to the newspaper office a long account of the event, but when the paper appeared it contained nothing about the wedding but an announcement of three or four lines. Next day the citizen called at the newspaper office to demand an explanation why the report of the wedding had not been printed. "O that's all right," said the editor, "You'll probably find it in Eaton's spring catalogue."

The People's Railway

From the Globe of Thursday last

Steel is to be laid right away and cars are to be running before the fall on an interurban electric road from Guelph to London, through Berlin and Woodstock, according to the promoters of the People's Railway, a line intended eventually to connect Toronto with Detroit, and form the backbone of a network of interurban lines extending from Coilingwood and Owen Sound to Goderich, Port Huron and Port Stanley.

The contract for the road, it is said, has been let to the Acme Construction Company of Toronto, the papers being signed yesterday. Those present were Mr. W. A. Bugg, Managing Director of the People's Railway; Mr. H. D. Van-Norman of H. D. Van Norman & Company, financiers of New York and Detroit, representing a syndicate of United States capitalists, and Mr. R. M. Jaffray of Detroit. Mr. Van Norman said that his firm had underwritten the bond issue. The company's charter authorizes bonding for $25,000 per mile of roadbed.

The municipalities of Tavistock, Blenheim township, Wellesley township, New Hamburg, Wilmot towrship, Waterloo township, Luther township, Fergus village, Berlin and Guelph, *it is stated*, have subscribed *for preferred* stock *amounting to $295,000*, and individuals *have taken* up about $150,000 stock.

Mr. Bugg told the Globe that when work had settled down more than a mile of steel would be laid a day, and cars would be running between Berlin and Guelph in the early autumn.

"This line will be second to none on the continent," he said. "We shall make the trip between Toronto and Windsor in less time than the steam roads take, and our rolling stock will include sleepers, parlor and buffet cars of the most modern type."

It is planned to operate the road by Hydro-electric power.

LIVER LAZINESS

Those Who Lack Energy and are Unsuccessful Should Read This Closely.

"I am only thirty years old, yet for almost two years I have felt more like seventy-five. I have found it difficult to sleep at night and in the morning feel so depressed and heavy that effort was difficult. My hands were always clammy and perspiration on slight effort would break out all over me. It was not unnatural that I should begin to brood over the chance that I should soon be unfit to do my work, and this dread made my sleepless nights perfect misery. After repeated trials of medicine and mixtures Dr. Hamilton's Pills gave me the first gleam of hope. From the very first I could see they were different in action from other pills. They didn't gripe and acted as naturally as if nature and not the pills were cleansing my clogged up system. My spirits rose, I felt much better, the sluggish action of the system gave way to normal activity. Dizziness and headaches ceased, appetite, good color, and ambition to work returned and have remained. I am like a new man and I thank Dr. Hamilton's Pills for it all."

This was the experience of J. E. Parkhurst, a well-known grocery dealer in Jefferson. Follow his advice, use Dr. Hamilton's Pills for your stomach, kidneys, and liver, and you'll enjoy long life and robust good health. All dealers sell Dr. Hamilton's Pills, in yellow boxes, 25c. per box, from The Catarrhozone Co., Kingston, Ont.

C. Alliss has a white cochin bantam rooster that is real motherly in disposition. It took a notion to mother a bunch of chickens hatched in an incubator and performs the duties in a very creditable manner indeed. To see him spread his wings and 12 little ones hover for shelter under him is quite an uncommon sight. —Tara Leader.
