TO THE FREE & INDEPENDENT ELECTORS OF THE COUNTY OF NORTHUMBERLAND.

GENTLEMEN:

As the time is fast approaching when a general election must take place, and as I had the honour of taking to your suffrages at the last election, at the Bellevin election, and being well supported, and having at the solicitation of many friends, been induced at the close of the Poll, to pledge myself to come forward again when an opportunity should offer for exercising your rights of suffrage. I now beg leave to redeem the pledge given as well at the earnest request of many worthy Reformers during the last few years.

I am then before you a Candidate for the purpose of representing this County in Parliament at the next General Election on true Constitutional Reform principles, supporting and carrying out Responsible Government in the broadest sense of the word, as understood by the people.

Should I have the honor of being elected your Representative, I pledge myself most fearlessly to use every means in my power to settle that much vexed question, the Clergy Reserves; and support every measure that may be brought forward to remove from the people, either for purposes of Education, or for General Improvement, that have no warrant support, so that People may receive the whole benefit, without reference to Religious or Political.

I will also use my utmost influence to have the Court of Chancery abolished—to reform Law Costs as much as possible, and also to reform the expensive of the General Government as much as is practicable for its proper working,—and finally, Gentlemen,—I pledge myself to do all in my power for an improvement of the Country in general, and for this County and District in particular.

I have the honor to be,
Gentlemen,
Your ob't. Serv't.
WM. WELLER.

Cobourg, 6th Oct., 1831.

P.S.—If the Reformers of the County will hold a Convention composed of Delegates from each Municipality, and nominate a Candidate to go to the Polls on the Reform interest, should I not be fortunate enough to receive the Nomination, I pledge myself to engage and support the party who shall receive such Nomination.

W. W. WELLER.

And are intended to arrive in Montreal the morning, in time for the Quebec Boats, at Seven o'clock.

IN addition to the above named parts, the boats will call at the other important Lake and River ports. ☞ After the 20th day of September, the Boats will discontinue calling at Lewiston, and make Hamilton the port of departure at 7½ o'clock on the mornings of Mondays, Wednesdays and Fridays.

The establishment of this Line will enable the merchants of Canada West to remain throughout the business day in Montreal and to reach their homes, almost as early as if they had gone by the Mail Line at noon, and connecting as the boats will do with up and down Express Trains at Ogdensburgh, they will afford direct conveyance for passengers and freight between the Canadian ports and the Eastern States.

It is deemed unnecessary to dwell upon the advantages of first-class steamers passing direct from the head Lake Ontario to Montreal, and vice versa, over those of Lines that involve a transhipment (on the downward trip) at an unseasonable hour in the morning.

In compliance with a generally expressed wish, on the part of the public, a separate charge will be made for meals.

☞ The Lines will be commenced by the HIGHLANDER leaving Montreal on TUESDAY, the 25th instant; the CHAMPION on THURSDAY, 27th, and the MAY FLOWER will be out next month.

For Freight or Passage, apply to the Captains on board, or at the NEW THROUGH LINE OFFICE, No. 204 Main Street, or for CHAMPION and MAY FLOWER, to Macpherson, Crane & Co., Montreal; Macpherson & Crane, Prescott, Kingston & Hamilton.
