Another Young Winner of the Hydropathic and Botanic Medicines, from CAPTAIN McMASTER.

I WISH to inform the Public, for the good of the afflicted, that I was very unwell with a cough and inflammation of my lungs and chest, which hindered my whole business. I spared no cost or time to get rid of it, but I got worse. Finally I was advised to go to DR LANETTE, of Kingston, where I got the Medicines. It took but a short time and little cost, until I could again enjoy the return of my wonted health. Thank God.

SEEKING and hearing of so many instances such as Dr. Lanette's Medicines, brings me to recollect my duty both to him and the public; for I was some time ago, to the knowledge of many in this city, given over as an incurable case, with Consumption of the Heart and Liver Complaint, and wonderfully cured by him; also, lately, I was in company with a Dropsical Subject, and exhibited immediate relief, so that I am now able to do my business well, thank God.
