The automobile has been a great factor in the present political contest and has made it possible for the candidates to get through much more work than they otherwise would have been. As an instance, Mr. Clute of Toronto spoke at Markdale Friday evening at Mr. Hartman's meeting, boarded the auto and ran over to Eugenia, eleven miles away, where he delivered a second address the same evening.

Cameron and Piggot have been engaged for the concert in the assembly hall of the high school on the second day of our fall fair. There is no superior talent in this country to Cameron and Pigott, and the assembly room will hold an enormous crowd comfortably, so do not fail to make your arrangments to hear these fun-makers. Bring your best girl, and her two sisters if she has 'em—but let the old folks look after Johnny.

Patterson of Blantyre, President of East Grey Reform Association. Both candidates gave lengthy addresses, which, at this late hour it will not be wise to quote at any length.

A team drawing a light wagon, owned by Returning officer A. C. Patterson, are becoming nervous as election day approaches, and on Tuesday morning broke away from Munshaw's hotel shed and disappeared over the hills north-eastward with the speed of a Wright biplane. They turned the east back line and brought up at Loucks' mill shed, a mile and a half away, in about two minutes and a half. A broken dashboard was all the damage sustained by the outfit.
