Lost Both Feet

A terrible accident happened to Mr. Bert Thompson of Euphrasia, while threshing at Mr. James Kernahan's near Rocklyn, on Thursday last, by which both feet were severed about six inches above the ankles. He was standing on top of the machine arranging the blower, when it is supposed a piece of stick accidentally shoved up the flap and his feet slipped under the flap into the feed bar of the straw cutter. He is in a very serious condition, but hopes are entertained for his recovery. Mr. Thompson has been very unfortunate of late. Within the last few years he has been kicked by a horse, had two fingers taken off while working in a sawmill, and not long ago his home was destroyed by fire, but this last accident is the most terrible of all. Much sympathy is expressed for him and Mrs. Thompson in their great misfortune—Standard.

Paul Desone and Charles Marvin of Penetang started for Parry Sound in a sail and gasoline vessel. On the way they visited the wreck of the steamer Cranage, and while on board their boat drifted away, leaving them marooned on the wrecked vessel, where they remained three days before a passing vessel noticed their plight and took them off. Both men were weakened by hunger and exposure, but no serious effects will follow.

Minnis' sawmill at Markdale was burned to the ground on Monday of last week. The Standard says the building was a strong frame structure 50x80 feet, thoroughly equipped with modern saw mill and shingle mill machinery, nearly new. It was erected a year ago, the proprietor having then moved from Barrhead to the village, locating by the railway. The loss is between five and six thousand dollars, with no insurance. The cause of the fire is unknown. The misfortune and interruption in business in that line is a loss to the community at large as well as the proprietors. Rebuilding operations will be begun at once.
