IRON-CLAD
Piano Fortes!!
John C. Fox's Patent.
F. C. CLINE respectfully informs the public of the Dominion that he is the purchaser of the Stock-in-Trade and the Patent Rights from the Assignee of the above eminent maker, and that he is carrying on the manufacture in the principal and original premises, on the corner of Princess and Ontario Streets, Kingston.
From the long established reputation of these splendid instruments, it is unnecessary to say anything further in their commendation. He will only remind the public that THEY HAVE ALWAYS OBTAINED THE FIRST PRIZE WHEREVER THEY HAVE BEEN EXHIBITED, and that the continents of Europe and America for twelve months were challenged for $1,000 each at to produce a Piano to compete with the Patent Iron-Clad, WHICH CHALLENGE WAS NEVER ACCEPTED. Since then further improvements on the Patent Iron-Clad Sounding Board have been effected, whereby the sonorousness and the vibratory powers of the Instrument has been increased.
F. C. CLINE was the first purchaser of the Stock, and was thereby enabled to call the workmen employed by the late Mr. John C. Fox, retaining only the most steady and proficient, which is an assurance to the public that in addition to the advantages of the Patent Right, they may depend that every Piano will be constructed in the most skilful and artistic manner, upon which the qualities and durability of the Instruments so much depend.
He wishes further to state that he has retained the services of Mr. Wm. Cunningham as Tuner and General Superintendent of the Factory, and that every Instrument, in every stage of its manufacture, will pass under his immediate supervision, which, from Mr. Cunningham's well known musical knowledge and ability, and his established reputation during 18 years as a first-class Tuner, will be a sufficient guarantee of the perfection of every Instrument. Mr. Cunningham has lately made an alteration in the construction of the Sounding Board by which the treble notes obtain a brilliant and flute-like tone, far surpassing anything heretofore produced.
Mr. Thos. H. B. Purdy is still the Travelling Agent, and as he is personally interested in pleasing his customers, they may depend that any orders entrusted to him will be selected to their satisfaction, and on the same terms that they are to be obtained from the Factory.
F. C. CLINE further reminds the public that, being the purchaser of the Patent Right, he is the only person entitled to make and sell the Patent Iron-Clad Pianos, and that proceedings will commence forthwith against any party infringing the Patent.

THIS celebrated Preparation—for which a Certificate of Merit was awarded to the distinguished original preparer at the National Exposition at Torino, Italy, by whose favor Mr. GIANELLI obtained the Recipe and was also awarded a Diploma at the Provincial Exhibition of Canada held at Montreal in September, 1865—is, without exception, the most Genuine, Salubrious and Agreeable TONIC ever introduced to public notice either in Europe or America.
For seventeen years it has, in Italy, been a universal favourite among the elite of Society, being generally served in the Drawing Room immediately before Dinner, in preference to Vermouth.
The ingredients of its composition have been imparted to the leading Physicians of Montreal, and have received their unqualified approval on every account.
The Proprietor has no idea of parading or puffing it before the public, but merely asks a sound and unprejudiced trial.

Kingston, May 20, 1868. 121

A CARD.
RAPPE, WEBER, & Co., deem it unnecessary in their announcement above to notice the advertisement of their competitor, Mr. F. C. Cline. They beg to inform the public that it was not the privilege of Mr. Cline to retain all of the late J. C. Fox's workmen.
The Advertisers were selected by the late Mr. Fox from the best establishments in New York, (Steinway's, Stoddard's, Weber, Gabler etc.)
After Mr. Fox's death, and before Mr. Cline's purchase of a part of Mr. Fox's stock, Rappe Weber & Co., had determined to go into business on their own account. As at present constituted, their establishment consists of four Proprietors, every one of whom have been foremen, and their workmen who have been foremen; so that so far as the "culling of workmen" (a novelty in language) is concerned, Rappe, Weber & Co., have the honor to announce that they made *their* selection before it was permitted to Mr. Cline to make his. If Mr. Cline was a practical Piano maker, it might be competent to him to remark upon the skill of other workmen; but as he is not, it may be well to remind him that the shoemaker should stick to his last.
The Advertisers do not press upon the public the merits of any Travelling Agent, and any person holding himself out as such may be treated as utterly unauthorized. Our Pianos are candidates for popular favor, and we have no doubt they will win it.
