Christmas day passed off quietly in Flesherton. Absence of snow made it difficult to believe that Christmas was actually with us.

Mr. and Mrs. Archy Cairns of Manor, Sask., are visiting relatives and friends here. It is eleven years since Mr. Cairns last visited Ontario.

The new year commences on Monday next. May it be a happy and prosperous year to all Advance patrons—and others as well, of course.

The school teachers left for their respective homes on Friday last as follows: Miss Switzer to St. Marys, Miss Bell to Owen Sound, Miss Philp to Iroquois, and Mr. and Mrs. Holland to Woodbridge, Mr. and Mrs. Marcellus remain in town.

The Presbyterian Sabbath school held a very successful anniversary on Christmas night. The church was crowded to the doors. The program was excellent, with a couple of pretty drills, and the usual oratory from the budding orators. Music was supplied by Ceylon orchestra. The proceeds amounted to $60.00.

Among the visitors here from Toronto for Christmas were following: Dr. Ed. Richardson, George McTavish, Fred McTavish, Fred Karstedt, Arnold Thurston, Mr. and Mrs. R. C. Phillips, Mr. and Mrs. (Dr.) R. H. Henderson, Mr. Alf. Whitten, Willie Crossley, Ruby and Pearl Radley, Tena LeGard Jeff Thistlethwaite, Mrs. Ayres.

In past years it used to be customary here for the young people to indulge in choral singing on Christmas Eve, but for a few years hsa been unobserved. This year it was revived, when about 25 of the best voices in town went out and treated the citizens to a magnificent serenade. The singers were accompanied by a cornet and alto. It is a charming way of ushering in the anniversary of the birth of the Holy Child, and we hope the practice will never again fall into desuetude.

Miss Ethel Trimble of Owen Sound is visiting the parental home. She was accompanied by Miss Cume.

Mr. and Mrs. Miller from the West are visiting the latter's parents, Mr. and Mrs. C. W. Bellamy. Mrs. Miller will remain for some months.

For the first time in the history of The Advance we had to turn work away last week, and this notwithstanding we had extra help on the staff. This was caused by the short time allowed in which to get out financial statements for Osprey and Artemesia townships, some thirty pages of pamphlet work all inside of a week, in addition to issuing the paper. We owe a public apology to those who failed to have their wants met and were obliged to go elsewhere. All printing offices are extremely buisy at this season of the year, but this season with us has been exceptionally so.

A Des Moines man had an attack of muscular rheumatism in his shoulder. A friend advised him to go to Hot Springs. That meant an expense of $150.00 or more. He sought for a quicker and cheaper way to cure it and found it in Chamberlain's Liniment. Three days after the first application of this liniment he was well. For sale by all dealers.

Orange Valley L. O. L., No 509, held their annual meeting in their hall on Dec 4th, when the installation of officers took place for the ensuing year as follows: W. M., Geo. Beighton, D.M., Jno. Bennett, Chap., Fred A. York; Rec. Sec., John Doubleday; Fin. Sec., W. Teeter; Treas., John W. Gibson; D. of C., Robt. Fitzsimmons; Commitee:—J. L. Irwin, John Fadden, Carter Irwin, Geo. Littlejohns, Harry Wyville; Auditors, W. Gibson and L. Irving; Caretaker, F. A. York. The books were audited and the lodge found to be in good circumstances.

When you have a bilious attack give Chamberlain's Tablets a trial. They are excellent. For sale by all dealers.

Mrs. A. D. McLeod

Sad indeed was the Christmas experienced in the home of Councillor A. D. McLeod of Priceville, when the grim reaper came on Wednesday of last week and suddenly called the wife and mother across the valley of shadows. Mrs. McLeod was engaged in her household duties when she suddenly fell over and expired almost instantly of heart failure. Mrs. McLeod was a comparativly young woman, only 52 years of age. She was born in Waterloo County and was brought up by her grandparents. She married Mr. McLeod 25 years ago, and died on the anniversary of her wedding. She leaves to mourn a husband and six children, four boys and two girls—Martin, a traveller; David at home and two twin boys 11 years of age at home; Elsie of Toronto and Annabella at home. Previous to moving to Priceville ten years ago and engaging in sawmilling, Mr. and Mrs. McLeod lived on the 2nd con. of Artemesia. Mr McLeod has been a member of the Artemesia Council Board for the past year and his name will also appear on the ballot paper this year notwithstanding the trouble he is now passing through, and for this decision he is to be commended. The funeral took place from the Presbyterian church, Priceville to Priceville cemetery on Friday afternoon last. We only voice the general feeling throughout the township when we express our deep sympathy with the sorrowing family, who are among the most highly respected in the locality where they are best known.

You will find that druggists everywhere speak well of Chamberlain's Cough Remedy They know from long experience in sale of it that in cases of coughs and colds it can always be depended upon, and that it is pleasant and safe to take. For sale by all dealers.

All the country school children in Ontario will be sorry to learn of the defeat of Mr. Phil. Bowyer the late Consevative member in East Kent. It was Mr. Bowyer who fathered a bill through the Legislature granting rural schools a further two weeks' extension of holidays at midsummer in order to make the country school vacation the same length as that enjoyed by the more favored urban schools. If it had been left to the country school children to do the electing, Mr. Bowyer would have been returned to the Legislature by a Pennsylvania majority, and the readers of the Ridgetown Dominion, which is published by Mr. Bowyer, would have been spared from reading the sad post-election refrain, which flowed from the pen of the editor after the battle, when he said, "We had the distiction and now follows the extinction.—Bruce Times.
