## Huge Elm Removed

A huge elm tree. said to be over 400 years old, and an outstanding landmark near Vineland, Ont., has been cut down in the interests of public safety. It stood right on the shoulder of the highway pavement. When the highway was laid this tree on account of its age and beauty, was left standing. It stood about 150 feet high and measured over five feet across. Lately, however, it was decreed that the monarch had to go.

Ten to fifteen foot pieces were cut from the top at a time, chain blocks and anchor lines being used to prevent damage to the telephone and power lines. The limbs measured up to two feet in diameter.

A 95 year old lady living at Vineland recalls having milked cows under the shade of this big tree when a young girl.

Only one accident is known to have occurred at the tree since the highway was laid years ago. In that case a man was killed when he drove his car into the tree.

### And Silence Is Desirable.

The maid had been to a party. Next day her mistress asked her how she had enjoyed herself. The maid replied that she had a good time, but it had been very noisy. "In fact," she added quite seriously, "It was nearly as noisy as your bridge gatherings mum."

REGULARITY!

TO MERCHANDISERS:-

"You sweep out, you trim the windows, you dust off the counters, you make up new price cards, you unpack and arrange new stock, you plan your merchandise showings, you do these and a hundred other necessary jobs REGULARLY in the normal conduct of your business.

"But how about the biggest job of all—contacting the people and telling them repeatedly that you are in business and have the goods they need. Do you do that REGULARLY? Do you figure that you are going to get your share of the available business if you don't tell folks about your merchandise or your service at REGULAR intervals instead of doing the job spasmodically or not at all?

"By all known tests, experience and thousands of records the acknowledged best-of-all medium for REGULARITY is advertising in the local newspaper. A newspaper going REGULARLY into the home of your possible customers, not only in your town but the surrounding territory as well, makes it easy enough for anyone to see how your local newspaper offers you the finest kind of vehicle for carrying your business message REGULARLY to the people.

"And don't you think these folk won't miss your REGULARITY of advertising? They look for their newspaper REGULARLY, READ IT REGULARLY, study its advertising (yours, if it's there) REGULARLY.

"And what's more, you'll find they are buying fairly REGULARLY, too, if you'll just check up, especially with the advertisers who do use space REGULARLY.

"YOURS FOR MORE REGULARLITY IN YOUR ADVERTISING."
