"TRUTH BEFORE FAVOR."—"PRINCIPLES NOT MEN."

VOL 31, NO 28 Flesherton, Ont., Thursday, January 25, 1912 W. H. THURSTON EDITOR and PROPRIETOR

Priceville Jottings

The first topic discussed now when people meet, is the recent cold wave.

Balloting for the proposed union has been going for three Sundays in the Presbyterian Church, and the majority will no doubt be largely in favor of union and in the Methodist Church it has been spoken upon for the last three weeks, and although a few persons have been in doubt as to a change being beneficial, yet it is expected that when the ballots are cast next month that perhaps every vote will be favorable. The people seem to have a great desire for more unity in Protestantism and to economise church funds so as to send more laborers into the vast mission fields of the far West. "Can we the lamp of life deny ?"

The annual meeting of Artemesia Agricultural Society was held in Union hall on the 19th. The attendance was not large but was an improvement on some former years. Mr. P. F. McArthur, one of the auditors, read the financial statement, which showed that after all authorized claims were paid the society has $188 of a balance to begin their year with. During the election of officers the membership regretted very much that some of the officers who had been strong pillars of the society for years had decided to withdraw and place some younger men in their place. The officers for 1912 are as follows: President, Thomas Nichol; 1st Vice, Wm. Aldcorn; 2nd Vice, P. F. McArthur; Directors, A. S. Muir, D. L. Sinclair, O. Konold, Thos. McGrath, W. L. McIntyre, J. J. McRae, N. McKinnon, A. D. McLeod, W. H. Patterson. Auditors—P. Riley and Dr. Lane. T. A. M. Ferguson was elected Secretary-Treasurer. The meeting instructed the Secretary to arrange with the Government for seed grain to distribute among the members.

Before the meeting closed each officer made a brief but enthusiastic address, and all decided to stand shoulder to shoulder with their president, and let no obstacle hinder them in marching onward during this year and making the fall fair on Oct. 3 and 4 next the best ever seen here

Take into consideration the magnificent equipment supplied by the Canadian Pacific, even at full tariff rates, every day is a bargain day for the traveling public.

The new compartment cars recently put into service between Toronto and Ottawa, and Toronto and Montreal, on trains leaving North Toronto at 10 p. m. daily, in addition to the electric lighted sleeping cars, also operated on this train, make it second to none on the continent.

The compartment cars have a style all their own, being the latest in construction and appointment. They are electric lighted throughout; absolute privacy is assured; individual toilet requisites, etc.

Appreciate Their Pastor

At the annual business meeting of Chalmers Church of Thursday last the Guild presented the following address to their pastor, Rev. Mr. Milligan:

Rev. Mr. Milligan:

Dear Pastor,—We, the members and officers of the Guild of Chalmers Church, take this opportunity of expressing to you our appreciation of your hearty co-operation with us in our work, and your never-failing zeal to further the interests of our society. We have ever found you ready and willing to aid and encourage us by your presence in our meetings and by your willingness to take an active part in the work. At no time have you ever refused to give us of your best work, and by so doing you have greatly encouraged us and made our meetings of the Guild a source of blessing to all its members, and, we trust, to our congregation also. We feel that, in the past, we have not given you the help and encouragement in your work that we should have and perhaps very often have discouraged you by our negligence and indifference. We have now entered upon another year, and looking back over the past we see where we have failed and hope that profiting by the mistakes and failures of the past, we shall be enabled to make our work during the present year much more encouraging to you. We wish, therefore, to take this opportunity of thanking you for your efforts in our behalf during the past, and assuring you of our loyal and united support in carrying on our church work during the present year. We realize the burden of the work which you are called upon to perform and trust that God will bless you in your labors among us.

The annual business meeting of Chalmer's church was held on Thursday afternoon last in the school room of the church. Rev. Mr. Milligan presided and Mr. G. H. Cairns was secretary. The minutes of last meeting were read and adopted, after which the pastor presented the report of session, which showed communicants on the roll 130. During the year four were received and a like number removed, one by certificate and three by death. Sympathy was expressed by the Session for the bereaved families of the congregation. The officers and teachers in the Sabbath school, the Young People's Guild and the Ladies' Aid Society were warmly commended for the zeal manifested and the faithful and successful work done by each during the year.

The audited financial statement distributed showed the total receipts for the year to be over $950.00. All liabilities were met and a balance remained on hand in each department as follows: On general account $220.63; building account $149.80; Ladies' Aid in general fund $93.04, organ fund $293.83; Guild $32.00; Sunday School $140.08. To Knox College building fund $34.00 were subscribed. In behalf of the Guild the President presented the pastor with an address expressing appreciation of his hearty co-operation in their work.

DO YOU USE PILLS?

If In Doubt About the Right Pills to Use Read the Following Letter Carefully:

"I am one of those persons whose system requires aid," writes Mr. Young Gledhill, from Picton, "but it is so easily affected by reason of the great sensitiveness of the bowels that ordinary drastic pills inflict great injury to the delicate coating, and excite such persistent activity as to be with difficulty checked.

"I wish in the highest terms to express the great value of Dr. Hamilton's Pills in cases like mine, and I am sure also for elderly people and the very weak there is no pill like them.

"Speaking of my own experience with Dr. Hamilton's Pills, I can say they have proved the most stimulating pills for the liver I have found. I have proved their tonic action upon digestion, and the same results have been secured by friends upon whom I have urged their use. The manufacturers are to be congratulated upon possessing so valuable a prescription, and the public should know that so valuable a remedy has been placed at their command."

No other pill for constipation, for liver, kidney, or stomach trouble, compares with Dr. Hamilton's Pills; they are mild and sure always to restore health. Refuse substitutes. Sold by all dealers, 25c per box, or The Catarrhozone Co., Kingston Ont.
