Summer services at the Union Church at Pleasant Point summer resort terminated Sunday, following a successful season with an average attendance of 80 worshippers. The minister for the service

was Rev. David Lemon, Rector of St. Paul's Anglican Church, in Lindsay.

A special dedication took place when a beautiful baptismal bowl suitably inscribed was presented to the congregation by Mr. and Mrs. J. A.

McNabb, summer residents at the Point.

Rev. Dean Lemon referred in fitting words to the dedication and quoted passages from the Bible appropriate to the receiving of children into the church.
