growing girls droop, become fragile, bloodless and nervous. Nature is calling for more nourishment than the blood can supply, and signs of distress are plainly evident in dull eyes, pallid cheeks, weak and aching backs, a languid step, fits of depression, nervousness and a dislike for proper food. These signs mean anaemia—that is bloodlessness.

The watchful mother takes prompt steps to give her girl the new, rich blood her weak system is thirsting for by giving her Dr. Williams' Pink Pills, because so many thousands of feeble, anaemic, unhappy girls have been transformed into robust women through the rich, red blood these pills actually

Board of Agriculture For Grey County

Delegates from eleven Farmers Clubs of Grey County met in convention at the Department of Agriculture office on Wednesday afternoon, March 6, for the purpose of centralizing and consolidating the agricultural interests of the district. Very interesting reports of the work carried on by the respective clubs were given by each delegate and all were enthusiastic and optimistic concerning their plans for future co-operation.

A central organization known as the Grey County Board of Agriculture was formed and a constitution drawn up for the same. The Board consists of two delegates from each club and corresponds to a town or city Board of Trade. At the annual meeting of such Board an executive committee of five is elected by ballot from among the delegates present, the District Representative baing a permanent member of the committee. The Executive for 1912 consists of the following members: Nelson Perdue, Massie; W. G. Milson, Goring; L. E. Bowes, Strathnairn; D. H. Shore, Clarksburg; J. E. Dolphin, Tara, and H. C. Duff, Markdale.

This concerted action on the part of the Farmers Clubs marks an epoch in the history of co-operation. The proud and independent tiller of the soil has ever shown a marked reluctance toward recognizing a common interest and has neglected many an opportunity of coming to a mutual understanding with his fellow farmer. It speaks well, indeed, for the intelligence of the agriculturists of Grey that they have come to realize the prime importance of the controlling factor of political economy in the welfare and progress of the fundamental industry of which they form a part.

Feversham Items

It is our sad duty this week to report the death of Mrs. Eli Robinson of this village, which occurred on Saturday, March 9, after an illness of about three weeks at the age of 30 years. Mrs. Robinson was one of the finest of women, beloved and respected by all who knew her. She was the eldest daughter of Mr. and Mrs. George Whiteoak and was married to her now sorrow-stricken husband seven years ago. She leaves four small children to mourn the loss of a kind and loving mother, the youngest being an infant three weeks old. The remains were laid to rest in the Feversham cemetery on Monday afternoon, when one of the largest funerals we ever saw followed her to her last resting place. The services were conducted by Revs. Phimister and Mills. Besides her sorrowing husband and children she leave a father and mother, four sisters and one brother—Miss Emma of this village, Mae of Toronto, Mrs. Ern Davidson of the 10th line, and Mrs. Chester Long of Collingwood, Rob and Pearl at home. The sympathy of the entire neighborhood is extended to the sorrowing husband and friends in their bereavement.

Mr. George Whiteoak and family moved into our village last week. We welcome them.

Mr. Chester Long and wife of Collingwood attended the funeral of the latter's sister, Mrs. Robinson, on Monday last, also Miss Mae Whiteoak of Toronto was called home to her sister's deathbed.

Mr. and Mrs. Bristow of Stayner attended Mrs. Robinson's funeral.

Mrs. Harry Horton of Collingwood is visiting her parents, Mr. and Mrs. R. J. Colquett.

Mrs. Alex. McIntyre of Stayner is visiting friends in this neighborhood.

Maxwell

A very enjoyable evening was spent on Thursday, March 7, when Mr. and Mrs. Edmond Binnington celebrated their silver wedding and guests sat down to a splendid supper. After this was served all entered the sitting room, when their pastor, Rev. J. Phimister, gave a very nice address, supported by Councillor G. Ross and Mr. E. Buckingham. Other speeches were given and closed by singing "For he's a jolly good fellow." Then our host gave us all a treat and went into the parlor, where the rest of the evening was spent by music, singing and games. Mr. and Mrs. Binnington received many valuable presents from relatives and friends, and the guests hope that they may be spared to celebrate their golden and diamond weddings and wish them many happy returns of the day. The evening was closed by singing "God be with you till we meet again."

A very pleasunt evening was spent at the home of Mr. James Clark on Wednesday of last week when about forty friends and neighbors were invited to spend a social evening with them before they leave for their new home near Collingwood. Mr. and Mrs. Clark also gave the young people a party on Friday night. All wish them happiness and prosperity in their new home.

Much sympathy is felt here for the sorrowing friends of the late Mrs. Eli Robinson.

The Ladies Aid of Maxwell purpose holding a Shamrock Social on the evening of March 18. A good old Irish program will be given.

Miss Maude Guy, who has been in Toronto for some time, returned home on Saturday last.

We are pleased to report Mrs, William Wright of the fourth line, who has been ill with pneumonia, is recovering.

Our boys are still going West. Mr. Geo. Priestly left on Saturday last, while Mr. Fenwick Heron's two sons, James and Henry, fouth line, leave this week.

Miss Ida Osborne, who spent a couple of weeks in Toronto attending the millinery openings, returned home last week.

Miss Mary Winters, third line, who has been very low with pneumonia, we are pleased to report is recovering.

Publish My Letter The World Over

The Words of Harold P. Bushy, Who Was Permanently Cured of Chronic Lumbago by "Nerviline."

"Three years ago I discovered that a man subject to lumbago might just as well be dead as alive." These words open the sincere, straightforward letter of H. P. Bushy, a well-known man in the plumbing and tinsmithing business in Portland.

"One attack came after another, and lumbago got to be a chronic thing with me. I could scarcely get in a day's work before that knifing, cruel pain would attack my back. I used a gallon of liniments; not one of them seemed penetrating enough to get at the core of the pain. I read in the Montreal Witness about Nerviline, and got five bottles. It is a wonderful medicine—I could feel its soothing pain-relieving action every time it was applied. When I got the disease under control with Nerviline, I built up my strength and fortified my blood by taking Ferrozone at meals. This treatment cured me permanently, and I urge everyone to give up the thick, white, oily liniments they are using, and try an up-to-date, penetrating, pain-destroyer like Nerviline.

"Please publish my letter the world over. I want all to hear of Nerviline."

Don't be cajoled into receiving anything from your dealer but "Nerviline." Large bottles 50c., trial size, 25c. Sold everywhere or The Catarrhozone Co., Kingston, Ont.
