NEWS OF THE DAY.

WEDNESDAY MORNING, AUG. 12, 1868.

COL. GIBSON, R.A.—This Officer, who has been Commandant of the Kingston Garrison for several years past, has been at length superseded, and has left Kingston for home. His successor in the command of the Royal Artillery is Lt.-Col. Granville, who has been here some short time, but Col. Hibbert, R.C.R., the senior officer, becomes Commandant. Col. Gibbon leaves Kingston universally regretted, for he made himself very agreeable with all classes, at the same time maintaining his position as Commandant.

BELLEVUE.—D. A. C. Gen. Hughes having arrived in Canada from China, has been ordered to proceed to Kingston, to relieve Lieut. Stewart, 30th Regiment, at present attached to the Commissariat, who will rejoin his regiment at once.

THE STANDARD LIFE ASSURANCE COMPANY.—We direct attention to the advertisement of this company, with which is now united the Colonial Life Assurance Company. The company will continue business under the Insurance Act lately passed by the Dominion Parliament, having made the required deposit of $150,000 under the Act. It was established in 1825, and is one of the largest and most successful of the Life Assurance Institutions in Great Britain. Its income has now reached three million three hundred and seventy-six thousand nine hundred and fifty-three dollars; and its accumulated and invested funds amount to nearly nineteen million dollars. Its profits have been very large and persons assured have derived very valuable benefits from their connection with the company. The Standard has also acquired a marked character for liberal management, being the first institution which relieved policies of assurance from restrictive and unnecessary conditions, and gave such contracts increased value and stability in other ways. C. F. Gildersleeve, Esq., is the Kingston Agent.

COMING.—Haselmayer, the Illusionist, is announced to appear in the City Hall on Friday and Saturday, August 21st and 22nd. The proper announcements will shortly appear.

WOOD DUCKS.—Some writer in the News, who says his name and address are at our service (as if that mattered a button top), chooses to controvert what the British Whig recently said about the ignorance and absurdity of the new Game Law respecting the time for shooting Wood Ducks. It would be a very easy task to show that this writer is as ignorant of the subject matter he writes about as the Ontario Legislators were who made the absurd law. But cui bono? Writers of his stamp never are convinced, no matter what the facts and arguments used. Other people can, however, convince their own eyes, by enquiring privately at the shops where Game is usually sold, and they will be shown this Twelfth day of August Wood Ducks as well feathered and as strong on the wing as any of those that will leave us in the middle of September. The dozens of Sportsmen, regardless of the fine, who return nightly from the Flight up the Great Cataraqui could show them the same thing. Bah!

POLICE COURT, Tuesday.—The following cases were disposed of at the Court this morning: Patrick Killeen was charged by Chas. Murray with allowing his pigs to run at large. Defendant was fined $4 and $1 50 costs, as the pigs had destroyed complainant's potato crop. Mrs. Davie was charged with abusing and assaulting John Wright on Friday last. She was fined $2 and costs. Thos. Sloan and Hy. Rider were charged with being drunk and disorderly. Sloan was fined $5 or 14 days gaol, and Rider, who acted in a very disorderly manner on being arrested, was fined $12 or one month. Two drunks were fined $2 each.

SARSAPARILLIAN,

Pareira Brava.

Newly Discovered Virtues—Hidden for 300 Years—The Discovery of the True Virtues of the Roots Brought to Light and Made Manifest in

Dr. Radway's Sarsaparillian Resolvent,

By a new process recently discovered by Dr. Radway, for obtaining the active properties from vegetable substances.

SARSAPARILLIAN,
PAREIRA BRAVA,

Associated with other newly discovered Roots, enters into the composition of RADWAY'S RENOVATING RESOLVENT; secures a remedial agent, that cures all forms of Chronic, Scrofulous, Skin Glandular, Kidney, Bladder and Uterine Diseases, by communicating its curative, reparative and fruitful efficacy, through the BLOOD, SWEAT and URINE.

The ordinary Sarsaparilla decoctions, and Syrups are mere washes, compared with the Sarsaparillian of the Resolvent. It is a well known fact that Sarsaparilla as ordinarily prepared either as officinally or as a proprietary remedy, never possessed the confidence of medical men, and all the reputation it enjoyed was deemed by well informed Chemists, Physicians, and medical writers to be due to other remedial agents associated with it.

The true curative virtues of Sarsaparilla for 300 years has laid hidden in the Crystaline principle of the Root, under Dr. Radway's New Process, Sarsaparillian is secured and brought to light, and associated with other ingredients, it fulfils the most extravagant expectations and views of men. One ounce of Dr. Radway's Sarsaparillian contains more of the curative principle than ten pounds of the extracts from the crude roots, as prepared officinally or in the popular advertised Sarsaparillas.

PAREIRA BRAVA—Another of the ingredients of the Radway's Resolvent, held in high estimation by the most eminent medical men of Europe, South America and United States, as the best remedial agent, for the diseases of the Kidneys, Bladder, Uterus, and as a lithontriptic for dissolving Calculi, as a curative for Jaundice, Rheumatism, Leucorrhœa, etc.; since 1688 has never been properly prepared.—Under Dr. Radway's process, the Cicampaline principle of this valuable Root is secured, and associated with Sarsaparillian and other ingredients in the Resolvent, makes it a perfect cure in every form of disease of the Kidneys, Bladder, and Urinary Organs—Dropsy, Gravel, Incontinence, or Stoppage of water, Diabetes, or Urinary Diarrhœas, and every kind of weakening, irritating, or purulent discharges, not proper to mention in an advertisement, is rapidly cured by this remedy.

BUCHU, Turpentine Junipers, Gin, Copaiba, Cubebs, and other direct Diuretics are in many cases hurtful. In Diabeates, Urinary Diarrhœas, Catarrh of the Bladder, Dropsy, and in weakness or ulceration of the Kidneys, are unsafe to use as a continued remedy, and should never be given unless under the supervision of a Physician, as the strain these direct remedies may produce on the Kidneys, may in the course of a few hours, require Opiates, to change or modify their action; this fact is self-evident to any medical man, a compensating Remedy like the SARSAPARILLIAN RESOLVENT, is the true remedy to use in these cases.—Even as a diuretic,

Pareira Brava.

as prepared by Dr. Radway, and one of the ingredients of the Resolvent, is as superior to all forms of Buchu, etc., as rich cream is to watered milk.

Let all suffering from unnatural drains from the system—caused either by self-abuse, depraved habit of body—bad blood, impure association, weakness of the genital organs, or Skin Diseases, Scrofula, uncured Secondary Disease, Syphilold Ulcers, Chronic Disease—or from Consumption of the Lungs, as well as degeneration of the Kidneys—or Chronic Disease of the Liver, Spleen, etc., commence at once the use of the SARSAPARILLIAN RESOLVENT. It commences its work of purification at once; it repairs the waste of the body, with new and healthy material. It restores functional harmony to every organ in the system, and secures the natural secretions of the proper constituents of each. Persons have been cured, and have children now living that were deemed incapacited, by self-abuse, etc., through the use of this remedy. Ask for Dr. Radway's SARSAPARILLIAN, or RENOVATING RESOLVENT.

Price: $1 per bottle, or 6 bottles for $5. July 31st, 1868. 180

HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
