The late Mrs. John Goodfellow, whose remains were interred here recently, was of Irish birth. She had been living in Flesherton since 1895. Most of her life since childhood was spent in Quebec. She was of a very kindly disposition and a staunch christian woman. While here she was a member of the Baptist church. We understand there are two brothers still living in Quebec. The deceased lady was 85 years of age at the time of her death.

Two accidents occurred on the Superior section of the C. P. R. last week, one on Thursday and the other on Saturday. In the Thursday run-off, which was caused by a broken rail, A. Cooey of Proton is said to have had his back injured, while many others were more or less damaged. On Saturday a fatal head on collision occurred about one hundred miles east of the former, and in this one Flesherton people were concerned, although no one from here was injured so far as we can learn. E. Wurts and Bert Best were on the train but a telegram arrived Saturday night stating that they were safe. A farmer named Jamieson of Owen Sound and two others were killed, and two others badly injured in this wreck.
