Samuel Gilbert Passes

VANDELEUR

Death entered this community on Wednesday of last week and removed one who for many years has been intimately connected with the community life of Vandeleur in the person of Mr. Samuel Gilbert, who passed peacefully away about two o'clock, Wednesday afternoon, Sept. 18th after about three weeks' illness.

Deceased, who was in his 73rd year was a son of the late Mr. and Mrs. Thos. Gilbert, two of the early pioneers of this community, and was born and spent his entire life in this district. For many years he was postmaster at Vandeleur and carried the mails. He also conducted a store in connection with the post office and farmed on the old Gilbert homestead. Deceased had considerable musical ability. He was a fine violinist and for many years, as a member of the Vandeleur string band, he contributed generously to the musical life of the community. He was also fond of sport, and in his younger days was a prominent member of the old Vandeleur baseball team. In those days, too, he was an expert shot and there was nothing he liked better than a good fox hunt. He was a good friend, a kind and obliging neighbor, and will be much missed in the community.

Hundreds of farmers now dispose of their produce by telephone. They make a practice of calling a selected list of customers as the various farm products are ready for market. They are able to obtain the best prices and dispose of their produce quickly.

Being able to reach your market is only one of the many advantages of having a telephone. Equally important is the fact that the outside world can reach you. Many buyers make most of their purchases by telephone. Without telephone service on your farm, you are cut off from these many opportunities.

Personal Message From The Hon. W. L. M. King

(Copy of Lettergram to Dr. W. A. Hall, Liberal Candidate)

To The Electors of Grey-Bruce:

I have been informed that my inability thus far to arrange for a meeting in Grey-Bruce is due to the fact that I am not desirous of having Miss Macphail too strenuously opposed by the Liberals. This is not so. We, as Liberals, intend to use every legitimate means to elect our candidate, Dr. Hall. Doubtless this assumption arises from the consideration shown Miss Macphail from time to time by myself and other Liberals, including yourself when you were member for Bruce South and she was member for South-east Grey. Now that these constituencies have been combined, the situation and the attitude towards her by the Liberals, including myself, have necessarily completely changed. It must never be forgotten that those who are not for us are against us. Since your election in 1925 our Party has had no more steadfast upholder of its principles and policies in Parliament than yourself, nor have I had a more loyal and devoted supporter. In the circumstances, I cannot urge too strongly that all electors in Grey-Bruce constituency who desire to see the return of the Liberal administration to power and Liberal principles and policies prevail in Canada in the next five years, should give their support to you, as Candidate of the Liberal Party in the present election. Should the Liberal Federation find it possible to arrange a meeting in the constituency of Grey-Bruce, I shall be glad and shall make this statement publicly at the time. Meanwhile if any canvass is being made against you on this score mentioned, you have my authority to give to this message whatever publicity you think advisable.

W. L. Mackenzie King
