VICINITY CHIPS

Mrs. George Nixon of Dundalk spent a few days with Mrs. Armstrong last week.

Nominations for the new village Council will take place from 12 to 1 o'clock on Wednesday next, May 1.

Mrs. N. Dinsmore left on Tuesday for Streaneer, Sask., where she will join her husband. Her sister, Miss Leone Bellamy, accompanied her.

We notice by Tuesday's dailies that Mr. J. E. Marcellus of the high school staff has secured his degree of B. A from Toronto university. Congratulations.

Mrs, W. H. Bunt has been elected delegate by the W. M. S to attend the Annual Branch meeting to be held in the Bathurst street church, Toronto, on May 28-29-30. Mrs. W. A. Armstrong goes from the Band.

An echo of the Titanic disaster reaches even to Flesherton. Geo. E. Graham, buyer for the T. Eaton Company, who went down with the boat was a cousin of Miss Switzer of the Flesherton public school staff.

Rev. H. E. Wellwood, B. A., B. D., made good use of the Titanic disaster to illustrate a powerful sermon in the Methodist church Sunday evening to a large congregation. His text was from Romans 21-1: "And there was no more sea."

The C. P. R. has installed an electric bell at the station here to give warning of approaching trains. Had this been in place last summer it would have prevented the accident which befel Messrs. T. and S. Black and Dave Armstrong by which their wagon was smashed and some of the men injured.

Mr. Nuhn has purchased the woolen mill property from the Flesher estate and will do considerable fiting up and improving. The purchase also includes a considerable block of land. There is general satisfaction expressed that Mr. Nuhn has at last got the property into his own hands

Mr. Geo. Bellamy has the contract for erecting a handsome residence of bungalow style for W. A. Armstrong on the lot opposide the Park House, work on which will be commenced forthwith. The house has already been rented to Mr. B. Welton before building operations are commenced, showing that a good class of residence will not go begging for a tenant.

The Flesherton W. I. will be held in the High School on Tuesday, April 30, at 2.30 p.m. Mrs. F. Mathewson and Mrs. Price Teeter will tell us what are the most suitable foods for spring and summer. Miss Wallace will give a paper on "Spring." Mrs. Blackburn and Miss Zilla Trimble will render a duet. Everybody welcome.

The License Commissioners for Centre Grey met at Chatsworth on Thursday of last week and proceeded to banish the bar as far as lay in their power. Two licenses in the inspectorate were cut out —the Murphy House in Markdale and the Desboro license. Providing a proper man can be found, however, license will issue for the latter house. There were but three licenses granted—two in Markdale and one in Chatsworth.

On Wednesday evening, May 1st, the Rev. Peter Campbell, one of the pioneer missionaries who did veteran service in the West in the days when Winnipeg was a village, will tell the story of his early expriences in the Itinerancy, in the Methodist church, Flesherton. Admission 15 cents. Do not miss this treat.

Scully's egg wagons are on the road this week. One is piloted by Malcolm McDonald and the other by J. Cairns. Needless to say, Malcolm has been given the heavy draught team. Mr. Cornfield will remain in out of the sun this summer, not of necessity to improve his complexion, but to look after shipping at the packing house.

Mr. Angus McPherson, manager of the Merchants' Bank, Markdale, died on Wednesday of last week at the age of 57 years. The cause of death was blood poisoning produced from an ulcerated tooth. The system had been undermined through previous illness. The deceased gentleman was at one time a resident of Flesherton, having been manager of Lucas' branch private bank when it was opened here some twenty-five years ago, and was married to Miss Lucas while residing here. The deceased has highly respected. He leaves, besides his wife, one daughter and two sons.

The Easter meeting of the Auxiliary was held in the Methodist church last Thursday. After the opening exercises and routine business the study of the new book, "Western women in Eastern lands," was taken up. Mrs. H. E. Wellwood gave a paper on "Ladies last," which gave most appaling facts of the degradation of women in heathen lands. This was followed by Mrs. W. Boyd with extracts from the life of Miss Isaballa Thoburn, who was the pioneer in higher education in India. Mrs. Bunt read a short account of Dr. Eleanor Chesnut, missionary martyr of Tien-chou, who was killed by a mob in 1903. Mrs. R. H. Moore read the story of Mrs. Rush at the Branch meeting and Mrs. Clinton read a paper on Tithing. Mr. Wellwood gave a short talk on the heroism of the missionaries. The Easter thank offering was received, which amounted to about twelve dollars. A letter of sympathy was ordered to be sent to Mrs. Trimble, the Cor. Sec., she having passed through a deep sorrow. A dainty lunch was served and a pleasant and profitable meeting was brought to a close.

Field Crop Competition

Those wishing to enter the standing field crop competition of the Eas Grey Agricultural Society are requested to call on the secretary and secure an entry blank. All entries must be in by May 10th. White oats is the crop chosen for competition, and an acreage of not less than five acres is required. There is no expense to those entering except one dollar which includes membership in the agricultural society. It will be necessary to have no less than ten entries.—J. A. Boyd, Secretary.

Ayton suffered severely from the spring freshet. The mill dam was demolished and the bridge was carried away. The Advance says that in the township of Normanby several bridges were damaged and the estimated loss is $30,000. The loss to the Wenger Milling Co. is about $15,000.

Notice to the Public

In consequence of the washout at the horseshoe fill, at the junction of the Collingwood gravel and Loucks' deviation, East back line, the Council of Artemesia hereby gives notice that there is now no public highway at that point and until further notice is given, and that the township will in no wise be responsible for any accident or damages that may occur to any person attempting to travel over the said section of road; this also to apply to any deviation or temporary bridge that may be made or erected.

Notice is also hereby given that 70 sideroad, from the third concession to the East Back Line, is also positively closed to all traffic owing to destruction of bridge over the Saugeen river.

Division Court

Division Court was held here before Judge Widdifield on Wednesday of last week when a couple of cases were heard.

C. P. R. v Boyd—The railway company sued W. Boyd of Flesherton for $28 transportation on stock to Toronto. The company had delivered the stock at the wrong market, and as an offset Boyd claimed $44 for damages. Judgment was given plaintiffs for the amount of their claim, $28, and to defendant for $44, each party to pay their own costs.

Murray v Roberts—Claim for services of $19. Judgment for full amount and costs.

Perigoe v Irwin—Action on note. Defendant did not appear. Judgment for plaintiff.

The situation in the Porcupine gold camp is generally encouraging, although four properties have closed within a month.

Little John Magee, whose death is reported, makes the eighth of the family in Prince Edward Island who have died of poison. The Provincial Government is investiatging the affair.

The funniest incident of the flood is one relative to a pig. A citizen in the wettest district had removed the cow from the stable on Saturday but left the pig in the sty. The citizen was aroused from his Sunday afternoon's nap by a slight noise at his back door and on looking out to see the cause was greeted by a piteous appeal for admission from no less a personage than his pig, which, taking a dislike to amphibious life, had swam over from the stable. The wise porker was taken and kept upstairs until the water went down.—Paisley Advocate.
