PHYSICIANS Failed to Cure Rheumatism

Miss Flora Chapman Vividly Describes Her Sufferings and Ultimate Cure With "Nerviline."

"After being an enthusiastic user of Nerviline for years, I feel it my duty to tell you personally what your wonderful preparation has done for me.

"I suffered torture from rheumatism and heart trouble, tried scores of so-called remedies, consulted for weeks and months with Toronto's most eminent physicians, but derived only slight benefit.

"A friend insisted on my using Nerviline, and to my surprise a vigorous rubbing of this powerful liniment eased the pains and reduced the stiffness in my joints. I continued to use Nerviline and was permanently cured. I am now perfectly well, and for three years have had no rheumatism at all. I know many families where no other medicine but Nerviline is kept—it is so useful in minor ailments like earache, toothache, neuralgia, coughs, colds, lumbago, and sciatica. I call Nerviline my "Life Guard," and urge all to try its merit."

Mr. George Hutchinson is the first to finish seeding, having finished on May 4. Mr. Hutchinson gets up before breakfast.

Mr. and Mrs. Robert Holly of Meaford were visitors in our burg during the past week.

Mr. Andrew Fawcett, accompanied by his mother, visited friends at Duncan recently.

R. R. Fawcett visited his sister, Mrs. J. E. Corbett, at Dundalk last week.

Mrs. D. Weber visited friends near Markdale last week.

Russell McMullen of Eugenia visited with his sister, Mrs. Jasper Stuart, during the past week.

Mr. and Mrs. Hugh Hammond and family of Priceville visited the former's parents here on Sunday.

Arnold Thurston of Toronto, accompanied by his sister, Miss Dell, of Flesherton, spent Saturday evening and Sunday last the guests of their aunt and uncle, Mr. and Mrs. G. H. Walter.

Mr. and Mrs. John Plewes are visiting friends at Collingwood this week.

The many friends of Mr. Elgin Cook, of Vancouver, B. C., eldest son of Mr. and Mrs. Ezra Cook, former much respected residents of this vicinity, were shocked to learn of his sudden death, which occurred recently. While we have not full particulars as to the cause of his death, yet it is supposed to have been caused by a premature explosion of dynamite. To the sorrowing friends we extend our sympathy.

Messrs. George Hutchinson, George Burrit and J. R. Fawcett attended the quarterly official board of the Euphrasia circuit at New England on Monday afternoon of this week as the official representatives from the local church here. Mr. Samuel Gilmore, one of the representatives from the Victoria appointment, has been an official representative of the above appointment continuously for fifty-seven years.

Maxwell

The annual meeting of the Ladies Aid was held on Thursday of last week, which was well attended. After the business was transacted the following officers were elected: Mrs. (Rev.) Phimister, president; Mrs. A. N. Brownridge, Vice-President; Mrs. C. M. Field, Secretary, and Miss Alice Fenwick, Treas.

The annual meeting of the W. I. will be held on Saturday, May 11, at 3 p.m. sharp. A full attendance is requested, as the officers will be elected for the ensuing year, and final arrangements for the concert to be held on May 14th, will be made. A good program is prepared.

We extend congratulations to Mr. John Coulthard who has spent the winter in England, on his safe arrival in the land of the maple once more.

The farmers are rushing the seeding. Some are nearly through, all are losing no time this beautiful weather.

Mr. and Mrs. C. Kerton are taking up their abode in the village. We wish them long life and prosperity.

Miss Osborne is very busy now in the millinery department. Orders are coming in with a rush this fine warm weather.

Priceville Jottings

Seeding and trout fishing seems to keep both the rural and urban portions of the population quite busy. We have not seen any speckled beauties disappear yet that would beat the record, but we netted a good sized specimen of the other kind at Riverdale week before last, which we expect to hold for a couple of weeks for scientific purposes and—well, for general amusement—especially the latter,

Dr. J. A. McLeod of Massie, Ont., paid a brief visit to our village last Saturday,

Rev. Mr. Leece conducted a service for the children in the Methodist church last Sunday morning.

Bi-lingual Services,—Gaelic services first Sunday in each month have been arranged for during the summer season, commencing first Sunday in May in the Presbyterian church.

The Women's Institute meeting for May was held at the home of Mrs. I. Moore on Thursday last. The following officers were elected for the ensuing year: President, Miss Jennie McArthur; Vice Pres., Mrs. D. G. McLean; Sec.-Treas., Miss Jennie Watson.

Mrs. E. McPhail returned to her home, O. D. R., after spending part of the winter with her sons in the West.

We could not resist the temptation, week before last, when the tongs were so handy by, and as we attempted to stir the fire at Riverdale, lo! vesuvius jr. burst forth in all his fiery wrath, emitting volumes of flame, quantities of old dictionaries, masses of yellow political literature, and showers of Yankee slang, and now our fun loving, sight-seeing populace gather in the evenings on the hill tops and on the roof gardens of the highest buildings, gazing north-eastward at the peculiar phenomenon, jesting and joking at its origin and probable duration, while merry peals of laughter ring out on the evening atr. There is a time to laugh.

The warm shower of rain on Sunday night and a little on Monday evening last have made a marked improvement on the grass.

Feversham Items

The farmers are have fine weather for seeding and some of them have completed the contract.

What might have been a serious accident happened in this village on Friday evening last. Mr. and Mrs. Wm. Thomson of the Eigth line had just stopped at Mr. Clinton's store and Mrs. Thomson had alighted from the veichle when without warning an auto came around the corner at the Temperance Hotel. The horse ran away and threw Mr. Thomson down giving him some severe bruises and upsetting the rig broke a good many dozen of eggs. The horse got tangled in Mr. Lushe's wire fence and was captured. Surely this man who had the auto has had warning enough to be more careful.

Mr. John Coulthard has returned home after spending the winter with friends in England. His many friends here were glad to see him again.

We understand tha t Mrs. Christopher Thompson of the 10th line is very ill at present. We hope to hear of her early recovery.

Mr. and Mrs. Harry Horton and children, of Collingwood, visited with Mrs. Horton's parents over Sunday.

Robert Colquett is on the sick list at present.

Rev. Mr. Sifton preached his first sermon to the Feversham Presbyterians last Sunday evening.

FOR FAMILY USE

An Ideal Remedy for Coughs, Sore Throat, Catarrh, Weak Chest.

After having made a special study of the treatment of the throat and lungs for twenty years, Prof. D. Jackson states that in his opinion no preparation for general family use is so efficient, so healing, so certain to cure as Catarrhozone.

As his reasons for making this claim for Catarrhozone, Dr. Jackson says:

"Catarrhozone is free from opium.
"The patient can breathe its rich, balsamic fumes direct to the diseased spot.
"It is a remedy that treats and cures causes—prevents disease spreading.
"Reaches the innermost recesses of the throat, nose, bronchial tubes, and lungs.
"Alleviates chest soreness.
"Stops coughing instantly.
"Prevents bronchial irritations.
"Relieves clogged nostrils.
"Cures sniffles and nasal catarrh.
"Prevents La Grippe.
"Has proven itself a cure for weak lungs, loss of voice, speakers' sore throat, asthma, bronchitis, catarrh, coughs, colds, and winter ills."

Catarrhozone is unquestionably the world's greatest breathable cold, cough, and catarrh medicine, and being free from all drowsy drugs, entirely safe for children and old folks; it makes an ideal family remedy. Recommended by the medical profession, and sold by all reliable dealers. Beware of imitations, get "Catarrhozone" only; large size lasts two months, and is guaranteed, price $1; smaller sizes 25c and 50c. By mail from The Catarrhozone Company, Kingston, Ont.

Ravenna

Intended for last week

A number of farmers of this locality have taken advantage of the beautiful weather of the last few days.

A large number of young people attended the party at Mr. Art. Loughead's the other evening, quite a number coming from a distance. All report a good time.

Mr. Wilton Collins sold his driver to Mr. McDonald of Dundalk. The purchase price was $165.

E. Pinch and R. E. Gardiner made a flying business trip to Hamilton and Toronto last week in search of horses for the West.

C. BLAKELEY

Standard Bank Building
FLESHERTON, — ONT.

You better be careful in the selection of your twine this year. Be sure you get the best. Beware of mixed twines, which are really composed of low grade manila. They are unsatisfactory at the best, and they will annoy you to death straightening out tangles and picking up loose bundles. Buy good sisal, standard sisal, or high-grade manila binder twine and save yourself annoyance.

When you consider the satisfaction that sisal, standard sisal and high-grade manila binder twine will give and the amount of extra labor good twine will save, you will more fully understand the value of McCormick twines. McCormick binder twine is made in four brands—sisal, standard, manila, pure manila. Every brand is up to the McCormick quality. You will get perfect satisfaction if you use McCormick twine.

Don't be misled, come direct to us and we will explain the twine proposition.
