NEWS OF THE DAY.

FRIDAY MORNING, OCT. 2, 1868.

THE HANLONS.—This fine troupe had a regular bumper house at the City Hall last night. Their performances were astonishing and far more than fulfilled the great expectations of the audience. We cannot to-day say all we could wish of them.—Those who witnessed the performance last night need no inducement to attend again to-night, but to others we would say, see the Hanlons by all means, for an opportunity will not again present itself.

THE CANVAS.—There was a good meeting at Inverary on Wednesday night, to hear an explanation of Mr. Calvin's political views. The meeting was held at the Township Hall, and John Spring, Esq., J.P., presided. Mr. Calvin addressed the meeting at some length in explanation of his position, and his straightforward explanations appeared to find favor in the minds of the electors. John Breden, Esq., also addressed the meeting in support of Mr. Calvin. Capt. Campbell also made a stirring speech, urging the farmers to vote for Mr. Calvin, as a man who would honestly work for the good of the farmers. Messrs. M. W. Strange and George A Kirkpatrick also spoke in support of Mr. Calvin, and it was very evident that in case of opposition that section of Storrington would give a large vote for Mr. Calvin.

A RARE TREAT.—The citizens of Kingston are going to enjoy a rare treat during the following week. The celebrated Mr. Melville Bell, of Edinburgh, and his brother, are to appear before a Kingston audience on next Thursday evening. From the great reputation of the gentlemen it is confidently hoped that they will secure a splendid audience. We believe we are correct in stating that the Young Mens' Christian Association of St. Andrew's Church have the credit of the lecture being delivered under their auspices. We bespeak for them a large attendance.

DREADFUL ACCIDENT. — Yesterday about noon a dreadful accident occurred on the Grand Trunk Railway above Collinsby Station, and about nine miles from the city. As Mr. Cornelius Caroline was crossing the track at his farm with a yoke of oxen, having two men in the cart besides himself, the passenger train going downwards struck the cart at full speed, killing Mr. Caroline dead on the spot, seriously injuring one of the men, named McCormick, and killing also one of the oxen. McCormick was brought to the General Hospital in this city, and Dr. Barker proceeded last evening to Collinsby to hold an inquest on the body of Mr. Caroline, at which all the facts would be elicited. An accident very similar to this occurred at precisely this time last year at Collinsby.

THE COUNTY SHOW.—The Annual Exhibition of the County of Frontenac Agricultural Society, which is to be held on Wednesday next, will be an exceedingly good show. The entries greatly exceed the number that were anticipated, and the quantity and quality of the various entries are expected to be ahead of anything yet seen in our county. A La Crosse match will afford some amusement and gratification to the visitors at the show in the afternoon.

SONS OF TEMPERANCE.—The Grand Division of Sons of Temperance of Ontario meet this month in Kingston, when it is expected that the Hon. S. L. Tilley, of New Brunswick, Minister of Customs, the Hon. Malcolm Cameron, Mr. Edward Carswell, the Rev. A. Duff, and Mr. John S. Hall, from Quebec province, will attend.

ACCIDENT.—A serious accident happened to Mr. Richard Bunt about 9 o'clock yesterday morning, while he was engaged in taking down a sign over the store occupied by the late Mr. S. Allen, Wellington Street. The ladder upon which he was standing slipped from under him and he fell to the ground, the sign falling on top of him. He was taken home in an insensible condition, in which state he remained for some time. He was badly bruised, but none of his limbs were broken, he is now in a fair way of recovery.

POLICE COURT, Thursday.—There were no prisoners before the court this morning.

CRICKET AT BOSTON.—The All-England Eleven scored 109 in the 1st innings. The United States Twenty-Two followed with a score of 39 runs. In All-England's 2nd innings, at last accounts, four wickets were down for 26 runs, the Twenty-Two playing finely. The weather had been delightful, and the interest in the Match very strong.

The following telegram announces the close of the match:—

Boston, Sept. 30.

The international cricket match was concluded to-day. The All-England Eleven won after sharp play all round. The All-England scored 109 in the first innings, and 71 in the second. The American twenty-two scored 39 in the first innings, and 37 in the second.

About the Hair.

Hair is the robe which curious Nature weaves.
And does adorn our bodies,
And that alone remains when every other beauty's gone.

Whenever a new article has come up promising to enrich, adorn or lengthen this most ornamental of all coverings, our people have been exceedingly forward in giving it a trial, and in more instances than one have been sadly disappointed. It is then with great reluctance that we feel disposed to urge anything new in the way of Hair Restorers, and we would not do so now, but for the reason that we have in our mind an article of super excellent quality, one that we have tried, and know full well its value. It is not only a dressing that beautifies and renders the hair of a natural glossy appearance, but it lengthens it and will restore it to its original color. If red and has become grey, it will bring back the red. If flaxen, back to flaxen; if black, the raven's plume cannot outvie the lustre with which it will again return to it. We know of a score of persons whom faded and fallen hair has been completely restored by it. We speak of Hall's Vegetable Sicilian Hair Renewer. Use no other, or you will be disappointed. A Great Sensation!—A Good Sensation!!

PAIN CURED IN AN INSTANT.

In 1847, the great grand principle—of stopping the most excruciating pain in an instant, without employing such a dangerous agent, as Chloroform, Opium, Morphine, Aconine, Ether, ect., was first made in

Radway's Ready Relief.

This Remedy accomplished this wonderful and delightful desideratum in all cases of external and internal pain. In an instant it afforded relief, the moment it was applied to the parts of the body, where inflamation or pains existed—it at once relieved the patient of the most violent and excruciating pangs and throbs of pain, and imparted the delightful sensation of ease and comfort.

Every kind of pain, whether Rheumatism, Neuralgia, Toothache, Pains in the Chest, Side, Lungs, Stomach, Bowels, Kidneys, Spine, Legs, Arms, Feet, one application was sufficient to kill and exterminate the pain.

Taken internally 20 drops to a tea-spoonful would cure and will cure, Asiatic Cholera, Fever, and Ague, Chills and Fever, Bilous Cholic, Inflammation of the Bowels, Cramps, Spasms, Diarrhœa, Dysentery, and every pain that may exist in the inside of man, woman or child; this was Radway Ready Relief, of 1847, and it is Radway's Ready Relief greatly improved in 1868.

We then started it in its mission of relieving the infirm, pain-stricken, sick, distressed, and crippled of all nations throughout the world, and now to-day it is used, and patronized and revered as a household necessity, in palaces, of Sultans, Emperors, Kaimous, Kings, High Priests, Nobles, as well as in the cottages of the labouring Classes of every nation on the face of the earth.

In every war that has taken place within the last 20 years, this remedy has been used as a preventive of malarious and infectious diseases—as well as a cure for wounds, stiff joints, bruises, accidents, and to relieve the soldiers from pain. Letters from Army Surgeons and distinguished Generals and soldiers in our late war are on file, certifying to the wonderful service of the RADWAY'S READY RELIEF. It will prevent all against attacks of the worst diseases that prevail, as plagues or epidemics, and those who are seized will at once check the disease and cure the patient sometimes with, and at others without remedial assistance. This is Radway's Ready Relief. Persons afflicted with external pains or rheumatism, neuralgia, tooth ache, cramps, spasms, etc. Bathe the parts affected, either by rubbing with the hands or with a sponge dipped in the RELIEF, and will pain cease to exist.

The miserable stuff scented with the Oil of Cassia or Peppermint, sold under the name of paint, etc., are nothing but weak imitation of RADWAY'S READY RELIEF, sent forth to the world under our old advertisements of 1847, etc. They are but imitations, and will die out in a few months. Their makers—nothing but a set of vagrants, street hawkers, and camp followers of side shows to circuses, after the fashion of the "For Four Cent Man," knowing as much, or rather little, about medicine as Barnum's "What is it?" The doggrel advertisements, they pay hungry Bohemians to write for them. The existence of these miserable imitations of the great and good Ready Relief of Dr. Radway, will be brief—old patrons of Radway's Ready Relief are daily coming back, and so it will ever be—Radway's Ready Relief will ever stand the first, the best, and the cheapest and quickest remedy for the instant cure of pain in the world.

RADWAY'S READY RELIEF is sold for 25 cents in bottles holding three times as much as any 25 cent bottle of any other remedy for the same purpose—and as much as $1 of the Pain Killers. One bottle will hold out longer and do more good than half a dozen bottles of any other remedy. Sold by Druggists everywhere at 25 cents per bottle and at 439 St. Paul Street, Montreal.

ALBION HOTEL,

MONTREAL, P. Q.

IN 1857 MR. DECKER purchased the "Albion," which then contained fifty rooms. In 1859 he added a New Wing of Forty Rooms. The steady and rapid increase in the business compelled him, in 1862, to build a second New Wing of Fifty Sleeping Rooms, with large Dining Room, capable of seating Two Hundred Guests. Notwithstanding all this additional accommodation, hundreds of merchants and others, patrons of the "Albion," have been obliged to seek accommodation elsewhere during the Spring and Fall Business Seasons. Encouraged by the liberal patronage extended to the "Albion," the proprietor has built a third addition of Ninety Sleeping Rooms, large Parlors, Reading Room, Office and Bar—fronting on McGill Street. Fifty of the Sleeping Rooms will be furnished and ready for the Fall Trade. In the Spring of 1869 all the improvements will be completed, when the "Albion" will have an entrance on McGill Street instead of St. Paul Street.

The charge will be $1.50 per day, as heretofore.

HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and* falling out of the hair; *and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original; it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

The County Election.

To the Electors of the County of Frontenac:

GENTLEMEN,—The death of your late member, Sir Henry Smith, having rendered vacant the representation of the County of Frontenac in the Legislative Assembly of Ontario, I am induced to think that the offer of my services might be acceptable to the Electors. Long identified with the County Interests, and having, as an old member of the County Council, and a Warden, become thoroughly conversant with your local affairs, I am, I think, in a position to be of service to you in the Legislature. Many of you too, have had knowledge of me in my business transactions, and you can thus in both respects form an opinion of my fitness for the honor which I seek at your hands.

Agriculture will have in me a warm and active friend, and I shall always be ready to lend my aid to all measures having its advancement in view.

The promotion of the settlement of the country I shall endeavor to further by seeking to have the Back Roads completed, by endeavoring to secure the passage of a generous Homestead Law, and the adoption of a more liberal policy with respect to Free Grants of Public Lands.

Education has been greatly fostered in Canada for many years past by grants of public money. I believe that most good can be done with such grants by adopting the channels which the various denominations of Christians among us have selected for the expenditure of their own means, and I will advocate the continuance of the Grants to the several Colleges in Ontario which they have hitherto received.

The present Government of Ontario has met the just expectations of the people in the economical administration of public affairs, and is entitled to my cordial support.

I will endeavor to see you as far as time will permit, between now and the Election, and will be ready to explain my views on all public questions.

D. D. CALVIN.
