The Annual Meeting of Centre Grey Farmers' Institute will be held at Rocklyn on June 25th, at 1 p. m., after which Dr. Reed will hold a judging class on heavy horses.

The Artemesia Scarlet Chapter will be opened on Friday, June 14, in the L. O. L. Hall at Ceylon, at 8 p. m. Important business on hand. A full attendance is requested. Geo. Cairns, Comp. Scribe.

Inspector Halbert had Jas. Radley up before J. McMullen and J. A. Boyd, J. P.'s., on Friday last, charged with selling liquor. The evidence was somewhat conflicting and the charge was amended to keeping for sale, upon which a verdict was recorded of $20 and costs.

Mr. Joseph Clinton left last Tuesday for Edmonton, where he will visit his brother, John. Before leaving, Mr. Clinton resigned his position as caretaker of the Methodist church. Much regret has been expressed, for he gave entire satifaction.

At the regular meeting of the village council on Wednesday evening of last week three more bylaws were put through—one appointing J. W. Henderson chief constable, another to provide for taking the assessment, and another appointing officers: Mr. John Wright holds the combined offices of constable, collector, sanitary inspector, and truant officer. The council is holding weekly meetings in order to get the machinery of the village in running order.

The death of Mr. Thomas Bolster at Norway House, Kewatin, on April 10, was announced in the Christian Guardian last week. Mr. Bolster will be remembered by the older citizens here, he having taught at the red school about forty years ago, and later in the Flesherton public school where he taught two years. After this he ran a drug store here, selling out to M. K. Richardson. Mr. Bolster has been for some time teaching in the Norway House boarding school. The cause of death was not announced, but in a letter received by The Advance last winter the deceased gentleman said he was threatened with paralysis and no doubt this caused his death. He was ill for one month.

The services for the past two Sundays in the Presbyterian church have been of deep interest, notwithstanding the pastor's absence at the General Assembly. Sabbath fortnight the service was taken charge of by the Guild and last Sunday the Sabbath school supplied the service, and the Guild will take the work on Sunday next. The attendance at these services has also been good. The Guild supplied the work at Proton Station on Sunday evening.

An interesting little function took place at the high school on Friday afternoon last when Miss Philp and Mr. Marcellus, who are retiring, were presented by the pupils with mementos of their sojourn in Flesherton. The former received a silver teapot and sugar bowl, gold lined, and the latter a handsome and valuable book case. The address was read by Miss Lilian Bunt and the presentation made on behalf of the pupils by Miss Mabel Henderson. Both teachers made fitting replies.

Malcolm McDonald who collects eggs for M. Scully, met with an accident near McIntyre one day last week which might easily have been much more costly than it was. The team which he was driving became scared at an auto and tipped the egg wagon into the ditch. When thumbs were counted it was found that about forty dozen of the fruit had been placed beyond cold storage and Mr. McDonald was slightly lamed, when thrown out.

The Departmental Examinations commenced on Tuesday, the 11th inst., the first being Lower School Entrance to Normal School, which lasts three days. The Pass Matriculation begins on the 18th inst. and ends on the 28th. Middle School Entrance to Normal will be held from the 24th to 27th inst., both dates inclusive. The Junior High School Entrance lasts from the 19th to the 21st inst. There are nine candidates for Lower School Entrance to Normal, and thirteen for Middle School Entrance. The number of Jr. High School Entrance pupils to write here next week is not yet known. Inspector Huff will himself preside at this examination. There is a class of nine from the Flesherton public school. Mr. Marcellus is this week examining the Senior High School Entrance class at Priceville, and Mr. Holland will next week examine the Jr. Entrance High School class here.

A sprained ankle may as a rule be cured in from three to four days by applying Chamberlain's Liniment and observing the directions with each bottle. For sale by all dealers.

Arrested Near Proton

Two Orangeville young men, Walter Howes and George Foelger, enlisted in the Orangeville company, but failed to report when the regiment embarked for Niagara, and the company proceeded to camp without them. The authorities were notified of their desertion. Chief of Police William Marshall of Orangeville swore out a warrant charging theft and located his men working for the C. P. R., with a fence gang, near Proton. They were promptly arrested and taken to Orangeville with their uniforms and lodged in the county jail. The military authorities were notified and two officials came up from the camp and returned with the deserters Friday. The men will be court-martialed on their arrival at camp and on their return will be tried for theft before the Police Magistrate.

Mr. J. J. Stephens, probably the oldest lawyer in the County of Bruce, died at his home in Teeswater on Saturday last, after having recently undergone an operation in Hamilton for cataract of the eye. He had been practising in Teeswater for over thirty years.—Bruce Herald.

You Need Not Fear Lightning

Nothing to fear if your buildings are properly rodded. The reports of the mutual fire insurance companies prove that fire loss is next to nothing where a pure copper cable is used, while the loss on unrodded buildings on account of lightning is very great.

Where losses have occurred on rodded buildings, its cause has always been traced to unscientific methods of installation.

You ought to protect yourself now before it is too late. Do it by installing an absolutely reliable lightning conductor. Have your buildings equipped with

National Flat Cable

(Patent Pending)

—then you will have a *guaranteed* rod and it will be *properly installed*—a vital matter, as statistics show that lightning never damages a building properly rodded with National Pure Copper Cable. National Cable is in use on many thousands of buildings, from New England to Old Mexico—not one of which has ever been lost by lightning or set a-fire.

Come in and let us show you, and tell you why you cannot afford to *have* any other. We will also estimate the cost of rodding your property. It won't cost you a cent to talk this matter over and it's important. See us today. *The Little Brass Tag, bearing the word National, assures safety and reliability.*

Melotte Cream Separators

Why do You still loose money and cause yourself so much unnecessary work by not having us place a Melotte Cream Separator in your home. We would be glad to have you call and to point out to you their many points of superiority. Do not delay.
