Irish Church Commission.—The Report of the Royal Commission on the Irish Church has been issued. The commissioners suggest the union of the bishoprics of Cashel, Killaloe, Kilmore and Meath, and the majority are in favor of leaving one archbishop only, that of Armagh. The Primate is to have an allowance of £5,000 a year, the Archbishop of Dublin, if continued, £3,000, and the bishops £3,000 each, with an additional £500 when attending parliament. The existing dioceses are to be rearranged, all cathedrals and deaneries, except eight, are to be abolished, but two sinecures are to be retained for each diocese. All benefices not having a Protestant population of 40 are to be suppressed, and for this purpose the Ecclesiastical Commissioners are to have extended powers. The total revenues of the Irish church are returned at £615,000, and the rent charge amounts to £440,000. The above various recommendations of a minor character. But the report has much of importance from the movement of the Ambition of the Irish Church establishment. It is not likely that any petty changes will be made while the great revolution is under discussion.—Globe.

NEWS OF THE DAY.

FRIDAY MORNING, OCT. 9, 1868.

Sabbath School Convention.—The Annual Provincial Sabbath School Convention opened at St. Catharines on Tuesday, and has since continued in session daily. About 500 delegates from the different Sabbath Schools have attended. The following officers were elected for the ensuing year:

President—W. D. Beall, St. Catarines.
Treasurer—Hon. John McMurrich, Toronto.
General Secretary—Rev. M. Millard, Toronto.

Besides which there were elected five Minute-Secretaries and ten Vice-Presidents. Among the latter is John Paton, Esq., Kingston.

Thanksgiving.—As no day of public Thanksgiving to Almighty God for the abundant Harvest has been offered by the civil authorities, the Bishops of the Provinces of Quebec and Ontario have fixed upon Thursday, the 22nd of October next to be observed for this purpose by the members of the Church of England in their several Dioceses. The Dean of Montreal and the Bishop of Toronto have each made the proper announcement, and the Lord Bishop of Ontario requests some services to be held in all the churches of his diocese on that day.

Confirmation.—On Sunday last the Lord Bishop of Ontario held a Confirmation at Odessa, when nine candidates received that holy and Apostolic rite. A number of those confirmed had been but recently received into the Church—having been baptized on the previous Sunday. His Lordship preached an eloquent discourse on the nature and benefits of the ordinance. Upwards of forty persons received the Holy Communion. The service was choral throughout, and reflects credit on the choir.

Libel Suits.—The St. Catharines Times has had only a short experience, but has succeeded in involving itself in a prosecution for libel, instigated by the Town Treasurer.—Mr. B. Devlin, of Montreal, has instructed Mr. Kenneth McKenzie to proceed with his long-threatened suit against the Toronto Freeman, in which damages to the modest amount of $20,000 are claimed. The trial will come off at the Assizes in Toronto on the 15th inst. The objectionable matter appeared in the Freeman over a year ago, during the heat of the election contest in Montreal West between the late Mr. McGee and Mr. Devlin.—It is understood that Mr. O'Farrell, of Quebec, will press his suit against the Montreal Gazette for libelling him while the trial of Whalen was going on.

A Very Good Reason.—A boy named Fitzgerald, charged at the Brockville Assizes this week with murder, was discharged on custody for the very proper reason that his supposed victim has turned up alive! He was first arrested on a mere suspicion, with which a superstitious belief of a sorcerer was connected. The second of the murder trials at the Belleville Assizes came off on Wednesday. Eve Lambert, charged with the murder of her stepdaughter, was acquitted without the jury leaving the court room.

Thanks.—The Committee of the Band Fund of the P. W. O. Rifles return sincere and grateful thanks to Professor Carlo Mora, and the Glee Club and other Amateurs who took part in the recent Volunteer Concert in aid of their fund, and also to Mr. F. C. Cline for the use of the piano forte played on the occasion.

A Gale.—The high wind prevalent on Wednesday culminated at night in a regular gale—a perfect mad-cap—which was followed by rain. Yesterday it was not so windy, but was quite cold and cheerless. We did not receive our full share of equinoctial gales in September, but the present month is making up the loss.

La Crosse Match.—Admirers of the national game will find the match to-day at one o'clock, on Barrichfield Commons, between the Pittsburg Club and the Beavers of Gananoque, an exciting and spirited game. Each Club holds a strong determination to win, and will use its best energies on that behalf.

The Attempted Suicide.—The man Mott, who made an attempt at suicide at Kingston Mills on Monday evening, is in a fair way of ultimate recovery. He has not yet been removed to the city hospital. His mind has been considerably distressed over family matters, which led him to make the attempt on his life.

The Canadian Thames has been chartered to convey Government stores from Woolwich to Montreal. The Belgian is ordered for survey, and if accepted will convey troops to Canada.

Police Court, Thursday.—The adjourned case of Mary Leney, for abusive language, came up again this morning when the magistrate reserved his judgment. Evidently both parties were in the fault. Patrick Doyle was once more charged with being drunk and allowed the preference of going to gaol or leaving the city. John Wilson, who is getting popular at Court, was sent to gaol as a vagrant. Four drunks were fined $2 each.

Horrible Sensation.—Positive pain is preferable to the gnawings, stickings and flutterings of the stomach, which are sometimes experienced by Dyspeptics. But they are not among the sensations which "can't be cured and must be endured." From one to six boxes of Radway's Regulating Pills will inevitably cure the worst case of Dyspepsia with all its complications.

Price 25 cents per box. Sold by Druggists. 235

HYPOCHONDRIASIS
Is one of the most difficult to treat successfully of all nervous diseases. Reasoning with nervous or hypochondriacal and insane persons rarely proves serviceable. The mind cannot be overcome while the nervous system is weak. In many instances the deriding laugh at the unfortunate or the more temperate appeal to the reason is absolutely injurious, by exciting irritation in the mind of the sufferer, who thinks his advisers either unfeeling or incredulous toward his complaint. There is, however, no longer necessity of resorting to such treatment. Both the feeling and the reasoning faculties are now successfully treated by
FELLOWS' COMPOUND SYRUP,
through its direct and potent action on the nervous centres.

A CARD.
A CLERGYMAN, while residing in South America as a Missionary, discovered a safe and simple remedy for the cure of Nervous Weakness, Early Decay, Diseases of the Urinary and Seminal Organs, and the whole train of disorders brought on by unchaste and vicious habits. Great numbers have been cured by this noble remedy. Prompted by a desire to benefit the afflicted and unfortunate, I will send the recipe for preparing and using this medicine, in a sealed envelope, to any one who needs it, FREE OF CHARGE. Address

A Great Sensation!—A Good Sensation!!
PAIN CURED IN AN INSTANT.
In 1847, the great grand principle—of stopping the most excruciating pain in an instant, without employing such a dangerous agent, as Chloroform, Opium, Morphine, Aconine, Ether, &c., was first made in
Radway's Ready Relief.
This Remedy accomplished this wonderful and delightful desideratum in all cases of external and internal pain. In an instant it afforded relief, the moment it was applied to the parts of the body, where inflammation or pains existed—it at once relieved the patient of the most violent and excruciating pains and throes of pain, and imparted the delightful sensation of ease and comfort.
Eve ykind of pain, whether Rheumatism, Neuralgia, Toothache, Pains in the Chest, Side, Lungs, Stomach, Bowels, Kidneys, Spine, Legs, Arms, Feet, one application was sufficient to kill and exterminate the pain.
Taken internally 20 drops to a teaspoonful would cure and will cure, Asiatic Cholera, Fever, and Ague, Chills and Fever, Bilious Cholic, Inflammation of the Bowels, Cramps, Spasms, Diarrhœa, Dysentery, and every pain that may exist in the inside of man, woman or child; this was Radway Ready Relief, of 1847, and it is Radway's Ready Relief greatly improved in 1868.
We thus started it in its mission of relieving the infirm, pain-stricken, sick, distressed and crippled of all nations throughout the world, and now to-day it is used, and patronized and revered as a household necessity, in palaces of Sultans, Emperors, Kaimous, Kings, High Priests, Nobles, as well as in the cottages of the labouring Classes of every nation on the face of the earth.
In every war that has taken place within the last 20 years, this remedy has been used as a preventive of malarious and infectious diseases—as well as a cure for wounds, stiff joints, bruises, accidents, and to relieve the soldiers from pain. Letters from Army Surgeons and distinguished Generals and soldiers in our late war are on file, certifying to the wonderful service of the Radway's Ready Relief. It will prevent all against attacks of the worst diseases that prevail, as plagues or epidemics, and those who are seized will at once check the disease and cure the patient some times with, and at others without times that assistance. This is Radway's Ready Relief. Persons afflicted with external pains or rheumatism, neuralgia, tooth ache, cramps, spasms, etc. Bathe the parts affected, either by rubbing with the hands or with a sponge dipped in the Relief, and will pain cease to exist.
The miserable stuffs scented with the Oil of Cassia or Peppermint, sold under the name of pains, etc., are nothing but weak imitation of Radway's Ready Relief, sent forth to the world under our old advertisements of 1847, etc. They are but imitations, and will die out in a few months. Their makers—nothing but a set of vagrants, street hawkers, and camp followers of side shows to circuses, after the fashion of the "For Four Cent Man," knowing as much, or rather little, about medicine as Barnum's "What is it?" The doggerel advertisements, they pay hungry Bohemians to write for them. The existence of these miserable imitations of the great and good Ready Relief of Dr. Radway, will be brief—old patrons of Radway's Ready Relief are daily coming back, and so it will ever be—Radway's Ready Relief will ever stand the first, the best, and the cheapest and quickest remedy for the instant cure of pain in the world.
Radway's Ready Relief is sold for 25 cents in bottles holding three times as much as any 25 cent bottle of any other remedy for the same purpose—and as much as $1 of the Pain Killers. One bottle will hold out longer and do more good than half a dozen bottles of any other remedy. Sold by Druggists everywhere at 25 cents per bottle and at 439 St. Paul Street, Montreal.

BEFORE USING AFTER USING
HALL'S
Vegetable Sicilian Hair Renewer
Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*
It is recommended and used by the First Medical Authority.
The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

The County Election.

To the Electors of the County of Frontenac:

GENTLEMEN,—The death of your late member, Sir Henry Smith, having rendered vacant the representation of the County of Frontenac in the Legislative Assembly of Ontario, I am induced to think that the offer of my services might be acceptable to the Electors. Long identified with the County Interests, and having, as an old member of the County Council, and a Warden, become thoroughly conversant with your local affairs, I am, I think, in a position to be of service to you in the Legislature. Many of you, too, have had knowledge of me in my business transactions, and you can thus in both respects form an opinion of my fitness for the honor which I seek at your hands.

Agriculture will have in me a warm and active friend, and I shall always be ready to lend my aid to all measures having its advancement in view.

The promotion of the settlement of the country I shall endeavor to further by seeking to have the Back Roads completed, by endeavoring to secure the passage of a generous Homestead Law, and the adoption of a more liberal policy with respect to Free Grants of Public Lands.

Education has been greatly fostered in Canada for many years past by grants of public money. I believe that most good can be done with such grants by adopting the channels which the various denominations of Christians among us have selected for the expenditure of their own means, and I will advocate the continuance of the Grants to the several Colleges in Ontario which they have hitherto received.

The present Government of Ontario has met the just expectations of the people in the economical administration of public affairs, and is entitled to my cordial support.

I will endeavor to see you as far as time will permit, between now and the Election, and will be ready to explain my views on all public questions.
