VALUE OF POULTRY

Poultry and eggs brought considerably over fifty million dollars to the farmers of Canada last year. That is a very large sum and surprising to the uninitiated who think in terms of the oldfashioned barnyard with a few hens scratching for a living. Poultry and eggs are big business, as the figures show. The revenue of 1935 was within measureable distance of yielding half as much to the farm family exchequer as the $120,000,000 of farm animals.

PROTON STATION

MCINTYRE—WATSON

A quiet but pretty wedding took place on Tuesday, June 30th at 7 p.m. in the Pilgrim Holiness Chapel at Proton Station. when Myra Emma Watson eldest daughter of Mr. and Mrs. Arthur Henry Watson, Tobermory, Ont., became the bride of Irwin Charles MacIntyre, son of Mr. and Mrs. Sydney MacIntyre, Massey Station, Ontario. NOVEL FLOWER SHOW

The Exeter Horticultural Society has developed an interesting plan for displaying flowers. Instead of holding numerous flower shows in buildings or other secluded places window displays are arranged in the leading stores and shops of the village.

The plan is to arrange for a display of each leading flower in season. A committee is appointed for each display and members are encouraged to enter their best blooms. No prizes are offered, but nevertheless competition is keen in such leading kinds as Roses and Gladioli.

To bridge the gap between week-ends!

Jim Thompson never lets loneliness get him down. With the family away for the summer he bridges the gap between week-ends, by telephone. Twice a week, at a set hour, he has a reassuring and cheering chat with wife and youngsters. There's nothing like Long Distance to take the edge off separation. It's speedy, clear, dependable and invaluable in emergency.
