THEY ALL ADVERTISE

A hen is not supposed to have
Much common sense or tact,
Yet every time she lays an egg,
She cackles forth the fact.

A rooster hasn't got a lot
Of intellect to show,
But none the less most roosters have
Enough good sense to crow.

The mule, the most despised of beasts,
Has a persistent way
Of letting people know he's around
By his insistent bray.

The busy little bees, they buzz,
Bulls bellow and cows moo,
The watch dogs bark, the ganders hiss
And doves and pigeons coo.

The peacock spreads his tail and squawks
Pigs squeal and robins sing
And even serpents know enough
To hiss before they sting.

But man—the geratest masterpiece
That nature could devise,
Will often stop and hesitate
Before he'll advertise.

NOTHING TO REPORT

The young reporter was sent out to write up a society wedding for the local paper. He returned an hour or so later empty-handed, and the indignant editor demanded explanations as to why he hadn't written his "copy."

"Oh, that's all right!" said the young man. The bridegroom didn't turn up at the church, and the bride tried to kill herself, so they had to cancel the ceremony and there's nothing to report."

NO COMPLAINT

George—"Did your father complain about me staying so late last night?"

Marge—"On the contrary, he asked me how I could be so thoughtless as to let you go to work without any breakfast."

Mildmay is sure of a new post office. The contract has been let to a Toronto concern at $7,750.

Sporting Events

A boxing show is being held in the Flesherton Arena this Saturday evening and a good show is expected. These amateur boxing matches bring the fans out in large numbers and everybody has a good time. There is plenty of pep and action in the bouts.

Flesherton high school softball team lost out 22-21 with the Thornbury school team on the latter's grounds, Saturday afternoon.

Thursday, Oct. 8, is the big day for the high school athletes in Grey County, when the field meet will be held at Dundalk. Meaford and Thornbury schools joined the group this year. with Chatsworth, Markdale, Dundalk, Durham and Hanover the other members. It is hoped that the day will be warmer than for the local meet last Thursday, when everybody almost wilted from the cold. There were quite a number of spectators despite the unwelcome weather.

Vandeleur won the right to compete in Markdale this Friday against the boys' public school softball teams of the County when they defeated Flesherton 5—4 in a splendid game. Flesherton mixed school team will also defend the honors won last year.

BOTH REPORTS BAD

"Look here, young man," said the playwright, "this report doesn't say very nice things about your work at school."

"Coming up in the train, dad, I was reading about the play you had produced last night and—"

"Better have your ears, young fellow."
