The annual convention of the W.M.S. of the Owen Sound District will be held in Westside church on Thursday and Friday, Sept. 19 and 20.

Mr. Frank Tait of Lucknow was in town last week. Mrs. Tait and babe, who have spent most of the summer here, returned home with him on Saturday.

At the session of Artemesia Council held on Saturday Messrs. A. B. McDonald, S. Gilbert, Frank Chard and J. K. Jamieson were appointed tax collectors.

Rev. H. E. Wellwood and family returned on Saturday from a delightful holiday outing, and the rev. gentleman occupied his own pulpit at both services on Sunday.

Rev. J. H. Douglas, a clever young minister, preached in the Presbyterian church on Sunday. Next Sabbath the postponed quarterly Communion Service will be held and a good pulpit supply is expected.

Now that the big Toronto exhibition is a thing of the past, our thoughts naturally turn to the home show, which will take place here on Thursday and Friday, Sept. 26 and 27. Mr. J. A. Boyd, secretary, is preparing for a bumper show this year. Grain crops and roots should show fine samples. The concert on the evening of the second day will be conducted by two artists, who will doubtless attract an enormous crowd. Mr. Robert Wilson will present the comic side of the picture, and Mr. Ellwood Genoe the more serious and instructive. The latter gentleman has made an enviable name for himself elsewhere, and as it is his own home town the people will turn out en masse to hear him. The Advance man has had a private taste of what he can do, and we can conscientiously say that there is a very rare treat in store for those who hear him. Come to the fair on the second day and remain for the evening concert.

Mrs. Corbett is visiting her daughter, who is ill, in Drumbo.

Born—In Flesherton, on Monday, Sept. 9, to Mr. and Mrs. Herb. Smith, a daughter.

Villagers are requested to attend a public meeting to be held in the town hall on Friday evening of this week at 8 o'clock to receive a report of work done on sidewalks, previous to the voting next week, and an explanation of how the present condition of affairs occurred. A large attendance of the electors is hoped for.

County Constable Cook recently made two seizures of cases of wet goods at this station. One was consigned to a telephone lineman and the other to Noah Pivnic of Eugenia. The telephone man had his juice confiscated and paid costs. Mr. Pivnic is still on the gridiron. His case has been twice called but was again adjourned until next Saturday when it is expected that it will be finally disposed of.

A general advance in printing rates went into effect in this part of Ontario on Sept. 1st. In eastern Ontario the prices were raised long ago, and have been reluctantly advanced by the printers of this section to correspond, as paper bills and wages, which have also enormously advanced during the past few years, could not be paid under the old scale. In some cases it has been found necessary to almost double the rates charged, as for years past certain lines have been absurdly low and done at actual loss. This could not continue any longer, so the printers of this and surrounding counties got together and formulated a new scale on a more equitable basis.

The local telephone exchange has been growing with amazing rapidity during the past summer, until now we have about 175 'phones on the exchange, and more going on every day. The line to Kimberley is going up fast, but may not be put all the way through this fall. The latest telephone news is to the effect that Flesherton will have an all-night service, to commence immediately. Mr. Mr. Armstrong, the local manager, received instructions to that effect last week. This will be good news to all users of the heloo! machine, especially to those living in the country and requiring hurry calls at night.

Village Council

The village council met in regular session on Wednesday evening of last week, with all members present, the Reeve in the chair. A communication was read from Mr. Andrew Carr asking that the water be taken away from his lots. The Reeve was instructed to see Mr. Carr as to what he desired done.

By-Law No. 12, to levy rates for the current year, was introduced and passed in proper form. The sums to be raised are as follows: General purposes, $532.10; public school purposes, $1050; county, $112.50; Continuation school, $142; Continuation school debentures, $106.50; public school debentures, $169.40; sidewalk debentures, $388.50; and fire By-Law debentures $115.49; total $2716 49. To raise this amount 23 mills will be required.

This completed the business and Council adjourned.

MacKinnon-Lever

Another of our young men was made happy by the pretty home wedding which took place on Wednesday, Sept. 4th, at Maple Grove Farm, the comfortable home of Mr. and Mrs. Wm. Lever, east back line, when their eldest daughter, Ella, was united in the holy bonds of matrimony to Mr. Charles MacKinnon, a popular young man of Priceville. The ceremony was conducted by Rev. Mr. Matheson of Priceville. Promptly at high noon, as Miss Maggie Mae Arrowsmith, niece of the groom, of Durham, played the wedding march, the principals and their attendants took their places on the verandah beneath a beautiful arch of evergreens decked with white ribbons and flowers, and from which was suspended the emblem of good luck, two white horseshoes. The pretty young bride, who was given away by her father, was neatly attired in a becoming costume of cream silk, trimmed with beaded fringe and silk insertion, and carried a bouquet of white dahlias and maidenhair fern. The bride's sister, Miss Etta, who performed the duties of bridesmaid, was gowned in blue silk mulle and carried a bouquet of sweet peas. The groom was ably supported by his brother, Neil, of Toronto. The groom's mother was dressed in black silk and the bride's mother wore mauve with natural flowers to match. The groom's gift to the bride was a gold watch and chain; to the bridesmaid a pearl crescent brooch, and to the groomsman a pearl tie pin. After hearty congratulations about 75 guests partook of a sumptuous wedding breakfast served by the hostess in her usual good style. The tea room was beautifully decorated, as was the table. The bride's travelling suit was brown velvet with bodice of cream alover lace, trimmed with willow plumes and satin ribbon. The bride received many costly and useful presents. Among those present were friends from Colpoy's Bay, Owen Sound, Orangeville, Brampton, Durham, Norval, Priceville and Maxwell. We all extend to the young couple hearty wishes for a happy and prosperous journey through life.

Robert Brandon, a resident of Meaford for many years, died suddenly of heart failure.

Dairying For Profit

Everyone dairying for profit will find that a cream separator is indispensable. It is, therefore, simply a question of which separator will best meet his requirements.

The Dairymaid cream harvester has been designed to meet all demands. It is built of the best material by experienced workmen.

The essential points of the Dairymaid cream harvester are:

Simple construction, Durable construction, Close skimming, Large capacity, Easy cleaning, Light running.

These, and many others, are valuable features which make a Dairymaid cream harvester best suited to those dairying for profit.

Call and examine a Dairymaid cream harvester and secure one of the handsome little booklets telling you more about this separator.
