Terrible colliery explosion at Wigan—Three hundred men lost—The elections—Riots—Fenian demonstrations.

Wigan, England, Nov. 26.

A terrible explosion has occurred in the Arley mine colliery. Three hundred men were in the pit at the time, most, if not all of whom have perished. 153 bodies have thus far been recovered. Hundreds of the relatives of the dead men are gathered at the mouth of the pit and the scene is heartrending.

London, Nov. 26.

The following candidates for Parliament have been elected without opposition:—The Marquis of Lorne; the Right Hon. Chichester Fortescue (Liberal); the Right Hon. Henry T. L. Corry (Conservative); Lord Elcho is returned from Haddingtonshire, as well as Mr. George Trail (liberal) from Caithness, and Major Hamilton (liberal) from South Lanarkshire.

The total number of members now elected is 615. Liberals, 367; Conservatives, 248. Liberal majority, 119.

Riots broke out at Tredegar yesterday during the election, and much damage was done to property. The authorities were obliged to call upon the troops. The ringleaders have been arrested, and order is now restored.

Riots have occurred at Longton and Brampton, in Cumberland. The military were called out, and quiet is restored.

The case of Mason vs. Walter of the London Times, in which the defendant was sued for damages for the publication of a Parliamentary debate containing language injurious to the personal character of the plaintiff, was before the Court of Queen's Bench, and was decided against the plaintiff, the Court ruling that the complaint was not actionable.

It is understood that the British claim for indemnity based on cases adjudicated in American courts of Admiralty, will not be entertained by the Alabama commission.

Several persons have been arrested in Paris by the police for making speeches at public meetings.

Requiem masses were celebrated in Corn and Queenstown for the repose of the souls of the Fenians who were executed at Manchester. In both cases a great demonstration was made. There was no interference on the part of the authorities, and good order was maintained.

The Fenian "Congress" in Philadelphia.

Philadelphia, Nov. 26.

The Fenians made a grand demonstration here to-day in honor of the Fenian "Congress" now in the session here. An escort of three thousand soldiers and civilians conducted the delegates through the principal streets this afternoon. Gen. O'Neil, of Fort Erie fame, was greeted with heavy cheers. The Fenian "Congress" will get actively to work to-morrow.

"NO IRISH NEED APPLY."—The New York Herald gives a list of the offices filled in that city "by the worthy, spirited, and patriotic sons of Old Erin, God bless them." It appears that in this list are included the sheriff, comptroller, register, city chamberlain, acting mayor, the presidents and clerks of both branches of the city government, five justices, all but two of the police justices and all the clerks, three fourths of the coroners, two members of Congress, three-fifths of the State senators, six-sevenths of the Assembly men, four-six-sixth-tenth of the common council, and four-fifths of the supervisors. This is a pretty strong showing to be sure, but the proportion is not much larger than that within the party which has the disposal of all the offices in the city. Without the Irish vote the democrats would lose all the spoils, and it is no more than right that they should lay claim to the lion's share of whatever is to be made.

NEWS OF THE DAY.

SATURDAY MORNING, NOV. 28, 1868.

DINNER.—Mr. Tutton, for many years Manager of the Ontario Foundry, and still later of the Kingston Locomotive Works, is about leaving Kingston, and his numerous friends, and he has numerous friends and well wishers, intend to dine him at the B. Amer. Hotel to-night before his departure. Mr. Tutton richly deserves this compliment, and it is hoped and expected that no one who respects him will stop away. Major Phillips can supply Tickets.

ZOGRAPHICON.—This panoramic exhibition of Bungan's Pilgrim's Progress and one hundred other great paintings is to exhibit in Kingston in about eight days. Look out for it.

DEAD DOG.—A defunct number of the canine species has for some time been lying on Wellington street, between Gore and Union streets, scenting the morals of the people. The indications are that he may be there till some hungry crows eat him up.

Mr. O'REILLY.—We yesterday stated that this gentleman had left for Toronto to be present at the argument in the Whelan case. We were in error. Mr. O'Rielly's presence in Toronto is not required before next, Friday to which day the case has been postponed. The Leader says that:—"The newspapers are commenting upon the fact that Mr. O'Reilly, who has thus far so ably conducted the Whalen prosecution, is not mentioned in connection with the case in the Court of Queen's Bench. It was upon Mr. O'Rielly's advice, we believe, that Mr. Anderson was retained by the government, he being skilled in questions of error and in the technical matters which are involved in the case."

SHOOTING AT CONVICTS.—The guards of the Kingston Penitentiary are frequently compelled to exercise the power the law gives them of firing at run-away convicts. Last week, it is said, a convict attempted to run away from the quarry in which he was working outside of the Penitentiary, when the guard fired at him, but though he did not injure him, so intimidated him that he turned back and surrendered himself.

POLICE COURT, Friday.—Two drunks and Margaret Watson were the only prisoners at the Court this morning. The inebriates were fined $2 each, and Watson was fined $3, or thirty days in gaol, for being drunk and disorderly.

A communication was received from New York yesterday morning by the Chief of Police, accompanied by a photograph, offering a reward of $300 for the arrest of H. George alias Wm. French. The said George was lately arrested at St. Paul's, Minnesota, for attempting to sell counterfeit College Land Script, and was held to bail under that name. There are also two other accomplices with him.

Affray at Gananoque.

GANANOQUE, Nov. 27.

At four o'clock this afternoon, John Bolger, constable here, in a quarrel had with Joseph Gagnon, shot the latter with a revolver. The ball entered the nose, passing behind the left eye. Gagnon is still alive, but no hopes are entertained of his recovery. Bolger has given himself up to the authorities.

Postal Arrangements.

THE OCEAN MAILS.

Washington, Nov. 25.

The new postal convention between the Post Office Departments of the United States and Great Britain was received to-day by Postmaster-General Randall, who approved it, and then took it to the President for his signature. Being thus signed, this convention will supersede the one now in force, and to go into effect on the 1st January next. It is not materially different in its general provisions from the one now existing. Great Britain, however, abolished the double, and will after that time charge only a single rate, while the United States will reduce the rates on newspapers, small pamphlets, and periodicals. All postages will be divided between the two countries, as at present.

SARSAPARILLIAN RESOLVENT

Is a better purifier and a surer curative for Kidney, Bladder and Urinary difficulties and Boils, Tetter, Tetter-one, Cubeb, Juniper, Gin, or any other diuretic known.

SARSAPARILLIAN RESOLVENT is a quicker cure for the removal of spots, blemishes, sores, eruptions of the skin, black spots or worms in the flesh, than any of the ordinary Sarsaparillas in use. These decoctions are mere washes to the powerful, stimulating and purifying efficacy of DR. RADWAY'S SARSAPARILLIAN RESOLVENT. A few doses will restore the vigor of life to the weak, debilitated or infirm.

RADWAY'S SARSAPARILLIAN RESOLVENT is the consumptive's hope. It loosens the phlegm, repairs the waste of the body with new, healthy material, made from pure, rich blood, and stops decay. Let it be tried.

Cuebs is not a fit or safe remedy to take as a general medicine; it is subject to the same objections, as Blue Pills, Quinine, Corrosive Sublimate Mercury, etc., and other direct or exclusive properties. Persons that have taken either of these remedial agents for a length of time, are aware of the serious trouble involved—the liver, spleen, and other glands suffer. So with Buchu—its exclusive diuretic action on the kidneys, will, if used continuously, suspend the secreting functions of other organs. Buchu, as is well known, is a direct diuretic, and is chiefly employed by medical men to secure an increased action of the kidneys.

But in most cases when thus employed, its use after a few doses is suspended and opiates administered, to modify his action, or to compensate the kidneys from the great strain they suffer from the direct influence of Buchu. Now Buchu indiscriminately used in cases of diabetes, gravel, brick dust deposits, urea, uric, or little acid; and in granular degeneration of the kidneys, catarrah of the bladder, dropsy, etc., is like taking salts to check diarrhoea.

PAREIRA BRAVA, associated with SARSAPARILLIAN and other remedial agents, in RADWAY'S RESOLVING RESOLVENT, is compensating remedy. It cures every kind of disease of the Kidneys, Bladder, Skin, and Uterine Organs. A few doses will make the extraordinary change—for the better.

One ounce of Dr. Radway's Extract of the Pareira Brava Root, is worth all the Buchu Leaves that ten generations of Hottentots or other Savages can gather. Try it, and be cured.

ASK for Dr. Radway's Sarsparillian Resolvent. Price, $1 per bottle, or 6 bottles for $5. Address,

RADWAY & CO.,

SARSPARILLIAN RESOLVENT stops all weakening discharges that threaten to destroy life. The Resolvent, when prepared under the old process, cured many persons of diseases brought on by self-abuse, who have since married and have children. This ought to be good evidence of its powerful purifying and truthful efficacy. As prepared now, under Dr. Radway's new process, there is no disease that can be reached through the blood, urine and sweat, but that it will cure. Many diseases, not proper to mention in an advertisement, is explained, and means of cure pointed out, in Dr. Radway's new Medical Publication, FALSE AND TRUE, now ready. Address RADWAY & CO., 439 St. Paul Street, Montreal. Price of RESOLVENT SARSPARILLIAN, $1 per bottle, or 6 bottles for $5. 277

HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the* cheapest *preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

"A Repository of Fashion, Pleasure, and Instruction."

HARPER'S BAZAR.

A supplement containing numerous full-sized patterns of useful articles accompanies the paper every Fortnight, and occasionally an elegant Colored Fashion Plate.

Harper's Bazar contains 16 folio pages of the size of Harper's Weekly, printed on superfine calender paper, and is published weekly.

CRITICAL NOTICES OF THE PRESS.

Harper's Bazar contains, besides stories, patterns, etc., a variety of matter of vital use and interest to the family circle on health, dress and housekeeping in all its branches; its editorial matter is especially adapted to the circle it is intended to interest and instruct; and it has, besides, good stories and literary matter of merit. It is not surprising that this journal, with such features, has achieved in a short time an immense success; for something of its kind was demanded by thousands of families, and Harper's Bazar has filled the demand.—New York Evening Post.

Whether we consider its utility as based upon the elegance and superiority of the paper, its typographical appearance, the taste and judgment displayed in the engravings, or the literary contributions on subjects to its pages, we unhesitatingly pronounce it to be superior in each and every particular, to any other similar publication here or abroad.—Philadelphia Legal Intelligencer.

We know of no other English or American journal of fashion that can pretend to approach it in completeness and variety.—New York Times.

To dress according to Harper's Bazar will be the aim and ambition of the women of America.—Boston Transcript.
