TRUTH BEFORE FAVOR—PRINCIPLES, NOT MEN

THE EUGENIA POWER

Our announcement of two weeks ago that the Hydro-Electric Commission had purchased the Eugenia power from the Georgian Bay Power Co, has created considerable interest throughout the county and elsewhere. Last week the Toronto dailies denied the sale, but qualified their denial by stating that the Hon. Adam Beck was out of town and the staff knew nothing about it. It was natural that the staff should know nothing of it, for, as we stated, the papers have not been signed and consequently had not passed through their hands.

Notwithstanding this qualified denial, we have it on the best authority that the sale has been made, although it may not be officially announced until about the first of January. The property it is said will be turned over at a substantial financial loss to the original owners.

There is one phase of this transfer that will not be received with favor by the ratepayers of the township in which this power is located, and that is that no taxes will accrue to the municipality under government control, as it would under private; but probably there will be other advantages to more than offset this.

It is rather an eye-opener to the people of this country when they realize the vast number of Bulgarians that have been laboring on public works in Canada. It is announced officially that about 6000 Bulgarians came into Canada last year and most of these have been engaged as laborers on public works. Since the war began 2590 Bulgarians passed through Montreal on their way home to fight for their native land. These people are said to be good workmen, and their removal is crippling temporarily many of our public works.

x x x

The report of the Conservation Commission on the "Sea Fisheries of Eastern Canada" has been received. This volume is of peculiar interest to us, as among other things it gives Prof. Stafford's paper on "Conservation of the Oyster," which we referred to some time ago as having been favorably noticed by the Montreal Witness. Other important papers in this volume are "Whitefish of the great lakes," and the "Lobster fishery of Canada."

x x x

For some weeks a petition has been in circulation in this district praying the County Council to dismiss County Constable R. Cook. The petition does not set forth reasons why the constable should get his coup be grace, yet it is said that several hundred men have put their names to the document without knowing any reason for doing so. If there are no more reasons set forth when the question comes before our august legislators at the county town than are contained in the petition, that body is scarcely likely to weigh the matter very long.

x x x

The government armory contractors in this county are having a difficult time this fall. About half the flooring in the Meaford armory will have to be taken up and relaid, and the end fell out of the Markdale structure one night recently. Both catastrophes were caused by rains and storms. To the superstitious they must be ominous of something, but who will read the riddle.

Durham

The concrete work on the bridge was completed last week, and from general appearance, Mr. Begg has turned out a first-class job. Nearly three hundred barrels of cement were used in the work and as the wall is over nine feet thick at the bottom, and tapers off to eighteen inches at the top, it should stand a heavy pressure of water to move it. The bottom was closely piled before the concrete was put in, to make the foundation secure. The steel work of the old bridge was shipped to Stratford on Monday, where it will be put in condition by the Bridge Company, and returned, we hope, before long. Once the material is again on the ground, the completion of the work will not take long. A gang of men and teams is now engaged in making the necessary fills. We hope to see the work finished before the close of the present year.—Chronicle.

Owen Sound will vote on local option repeal next January. So will Orangville,

Mt. Forest's new government post-office has been opened for business.

The Chatsworth News says Frank Maher brought home two deer from his hunt. How's this? How's this? The News will have the game warden on Frank's back if it don't watch out.

TEMPERANCE IN CENTRE GREY

(From the Pioneer)

Representatives of this riding convened in Markdale on Wednesday, Nov. 13th, holding afternoon and evening sessions, to to consider the prospects in their section of Ontario. The attendance was not large owing to the weather, but great enthusiasm was manifested and the feeling is one of determination on the part of every representative.

The following were elected as office-bearers: President, Mr. Wm. Breese, Chatsworth; 1st Vice Pres., Rev. R. M. Phalen, Markdale; 2nd Vice Pres., Mr. Jas. Henry, Markdale; 3rd Vice Pres., Mr. Wm. McLean, Markdale; 4th Vice Pres., Mrs. M. Cook, Markdale, County pres. of the W. C. T. U.; Secretary, Mr. T. R. McKenzie, Portlaw; Treasurer, Mr. J. Attley, Markdale.

Members of Committee: Thornbury, R. Conn; Osprey Township, Mr. A. N. Brownridge, Maxwell; Artemesia township, R. Cook, Ceylon; Markdale village, W. G Pickell; Holland township, Mr. J. G. Ritchie; Chatsworth Village, Mr. W. G. Merriam; Collingwood township, Mr. S. R. McKnight, Collingwood; Sullivan township, Mr. S. Hemstock; Euphrasia township, Mr. J. M. Davis; Flesherton Village, Mr. W. A. Armstrong.

A rousing meeting was held in the evening in the Methodist church, at which the President of the District occupied the chair, while splendid addresses were delivered by Mr. Wm. Breese and Mr. F. W. Duggan, Field Secretary of the Dominion Alliance. Several items of music added to the effectiveness of the meeting.

The following resolutions were heartily adopted:—

1st. That we, the temperance workers of Centre Grey, in convention assembled, do urge upon all the municipalities in our district which are under license and not debarred by the three years requirement that they early inaugurate a campaign, voting to take place in January, 1914.

In order that the municipal organizations can be perfected we urge upon the chairman of each municipality the express need of calling together early in January the temperance workers and that the meeting be arranged to suit the convenience of the Secretary of the Alliance for this territory, Rev. Wm. Kettlewell.

3rd. That we wish to place on record our appreciation of the efficiency of the County constable, Mr. Robt. Cook.

MARKDALE MOVING

The outlook in this municipality is exceedingly encouraging. A strong petition containing the names of nearly 60 per cent. of the voters of the municipality was recently filed with the clerk. Arrangements are being perfected for the holding of several public meetings.

The arrangements for the campaign are in the hands of the following Executive: President, Geoffrey Artley; Vice President, Rev. R. M. Phalen; Secretary Mr. G. A. Clark, Treasurers, Messrs. Erskine and Pickell.

Commitees—Public Meeting, Messrs. A. E. Bryson and Geo Rorke; Legal, Rev. Mr. Adams, Mr. Bryson and Mr. P. McCullough; Literature, members of the W. C. T. U.; Music, Revs. Adams and Phalen.

The Voter's List is in good working shape and the temparance force are counting on a winning battle.

MICHAEL FRAZER ENDS THE LITIGATION

"Bala Castle," in Midland, the home of Michael Frazer, for many years, presented a sombre appearance on Saturday when the announcement was made that the octogenarian had died, after a brief illness, of hardening of the arteries. The announcement also recalled the sensational circumstances of his marriage to Miss Hannah M. O. Robertson nearly three years ago. His young wife was at his bedside at the time of his death.

The marriage of Frazer and Miss Robertson took place after a series of circumstances which attracted wide attention, and was followed soon afterwards by actions in the courts made by Miss Catharine McCormick, a niece, relatives, for annulment on the ground that Frazer was insane at the time of its performance.

This action was dismissed on Nov. 12, 1910, by Mr. Justice Britton, who declared that Frazer was sane. An appeal was taken to the Divisional Court, which held that he was incapable of managing his affairs, and a committee of his estate was appointed, while his wife was made a committee of his person.

In September, 1911, Mrs. Frazer, through her attorneys, filed an appeal from the Divisional Court judgement, and the Court of Appeal ordered a new trial. The time of appeal passed, but is still available, yet it is understood should other litigation follow it will be directed toward the will, which is said to dispose of an estate valued at about $80,000.

The Late Edward Hanley

Another of Osprey's early settlers was called away by death on Thursday, Nov. 14, Mr. Edward Hanley, at the ripe old age of 84 years. Mr. Hanley was born in Co. Fermanagh, Ireland, in the year 1828, and came to Canada in 1854 and and settled near Port Hope in the early sixties. He was married in Stayner to Miss Mary Jane Goodfellow and came to Osprey and then to the town line of Artemesia, where they lived for a number of years. Selling out there to his nephew Wm. Hanley he bought a farm on the 10th line of Osprey, where Mrs. Hanley died eighteen years ago. Of late years Mr. Hanley has lived with his daughter, Mrs. John A. Kernahan, near Feversham. There is left to mourn the loss of a kind and loving father two sons and one daughter—William of Ottawa, Albert of Shrigley, and Mrs. J. A. Kernahan of Feversham. Mr. Hanley was highly esteemed wherever he lived, always an obliging neighbor and kind friend. He was an Orangeman for a great many years and his lodge, 1085, Feversham, turned out in a body to his funeral, six of his brother Orangemen acting in the capacity of pallbearers. The remains were laid to rest in the Anglican cemetery at Maxwell on Sunday afternoon, Nov. 17. The Rev. Mr. Williams of Dundalk preached a very appropriace sermon. The sympathy of friends and neighbors is extended to the bereaved family.

SEALED TENDERS addressed to the Postmaster General, will be received at Ottawa until noon, on Friday the 27th December, 1912, for the conveyance of His Majesty's Mails on proposed Contract for four years six round trips per week.
