International President and First Lady To Visit District

**WEDNESDAY – MAY 27, 1970
CHATEAU LAURIER – OTTAWA**

The Nation's Capitol has been selected for the first stop of President Bob Weber's Official Visit to the largest area District of Kiwanis International. At this time the over-four-million Tulips will be in full bloom for the now famous Ottawa Tulip Festival. President Bob and his charming wife Gail will meet Kiwanians at an informal type reception "come one – come all" to be held in the Drawing Room of the famed Chateau Laurier at 6:30 on Wednesday. The main meeting will be held in the Ball Room of the Chateau with its ornate gold leaf interior decoration when President Bob will address the gathering. Musical entertainment will be provided by the Ottawa Kiwanis singers and musicians who performed in Madison Square Gardens during the International Convention there. Ladies will be present dress informal – Governor-Elect Bob Faulkner says the Committee is planning an outstanding day to mark the occasion.

**FRIDAY – MAY 29, 1970
ADMIRAL BEATTY – SAINT JOHN, N.B.**

Leaving Ottawa on Thursday, the next stop in our District will be Saint John, New Brunswick. Lieutenant-Governor Len Gay and the Committee are planning a full program to honour our International President. An informal outing is arranged for the visitors with a boat trip on the beautiful Saint John River, with a reception and banquet on Friday Evening in the Admiral Beatty Hotel. Arrangements have been made for meetings with government officials and other dignitaries.

Governor Ray Allen and Marjorie will accompany President Bob and Gail. Kiwanians should not miss these opportunities to meet, hear and welcome to our District the man who heads our great Kiwanis organization and who has earned the nickname "Mr. Enthusiasm".

GOVERNOR'S MESSAGE

I recently had the pleasure of attending our Key Club District Convention held in Peterborough and, believe me, it's a thrilling and rewarding experience. With over six hundred registrations, the largest number ever, the competition was both keen and vigorous in oratorical contests, scrapbooks, single service projects, talent show, achievement reports, etc. Congratulations to Key Club District Chairman Ken Wynkie!

With our District being honoured with a visit from International President Robert F. Weber, we have a real opportunity to extend to the Webers a typical O.Q.M.&C. welcome. Let's make this a memorable occasion! Mark these dates down, start planning now to have your Club well represented at either of these meetings. I hope all Clubs in the neighbouring Divisions will help to make these two visits gala affairs. Inter-club groups from distant points of up to 200 miles should be possible.

Governor Ray Allen

Past Governor Laurent Girouard suggests:

On suggère fortement l'organisation de voyages par autobus, car les arrangements ont été pris pour que ces mêmes autobus puissent faire le tour de la ville d'Ottawa, afin de visiter l'exposition de tulipes qui se tient à travers toute la ville. Les clubs d'Ottawa auront des Kiwaniens à notre disposition pour cette occasion.

**FOR 1970-71
GOVERNOR-ELECT**

O.E. (Ed) LOBERG

The Kiwanis Club of Niagara Falls Canada Inc. is pleased to present O.E. "Ed" Loberg for the office of Governor-Elect, Ontario-Quebec-Maritime (and Caribbean) District.

Ed, who is President of Bissell Ltd.; a Vice-President of Bissell Inc; and Chairman of the Board of other Bissell companies in Switzerland, The United Kingdom and Australia; as well as President of the W. Germany and French Companies; has been an enthusiastic and dedicated Kiwanian since he joined in Vancouver in June 1935.

Now, with the location of Bissell's International Division headquarters in Niagara Falls, he, as its chief executive officer, is able to spend his time in Canada and devote himself to community and service endeavors.

Kiwanis has been an important factor in Ed's life now for almost 35 years. In his early years of membership in Vancouver he was for three years, a Director of the Vancouver Kiwanis Club and particularly interested in Boys and Girls work and the Kiwanis Big Brother movement. It was during his term as Chairman that he introduced the Soap Box Derby and the Hobby Show there.

As a member of the Toronto Kiwanis Club and the West Toronto Kiwanis Club he again displayed interest in Boys and Girls work and latterly in Vocational Guidance Work.

While living in Montreal he belonged to the Royal Mount Kiwanis Club where he served on the Inter-Club Committee. Ed has been a member of the Niagara Falls Kiwanis Club since moving to Niagara Falls in 1958. The next year he was elected a Director and remained on the Board for three years, heading up three of the most important committees during that period, the Inter-Club, the Program and the Music Festival Committees.

In 1962 he was elected President and enjoyed a successful term of office. Other distinctions include serving as General Convention Chairman for the O.Q.M. District Convention in 1963 and a term as Lieutenant-Governor for Division No. 4, to which he was elected in 1964.

Since that time he has been Chairman of the O.Q.M. District Boys and Girls Committee and active at the club level.

He has concerned himself as well, with the United Appeal. He was President in 1963 of the Greater Niagara United Appeal and Chairman of the Fund Campaign the following year and remained on the Board for the following two years.

Ed was also Vice-President of the Greater Niagara Chamber of Commerce in 1966 and has been a director of that organization as well as a director of the Niagara Falls Club.

He is married to a woman of grace and charm, Judy. They have three children. The oldest a son, is a member of the Niagara Falls Kiwanis Club. One daughter is married, the other is in training at Montreal Royal Victoria Hospital.

EAST YORK - Quoted from The Local Press - by Jim McConaghy.

KIDS GROW UP

Almost every day we read about youth revolt in our great metropolitan centres. Certain advice should be handed out to young people in our great city, in answer to the cry of youth - "What can we do? Where can we go?"

Go Home! Hang the storm windows, paint the woodwork, rake the leaves, mow the lawn, shovel snow, wash the car, learn to cook, scrub the floors, repair the sink, build a boat, get a job.

Help the minister, priest or rabbi - Visit the sick, help the poor, study your lessons - And when you are through - and not too tired - read a good book.

Your parents do not owe you entertainment. Your city does not owe you recreational facilities. The world does not owe you a living. You owe the world something. You owe it your time and energy and your talents so that no one will be at war, or in poverty, or sick or lonely again.

In plain, simple words, grow up!

BOYS and GIRLS WORK

Chairman: H. A. (Len) LEONARD

FOUR ITEMS:

1. Your reports continue most interesting and provide the best method of communication we have between clubs. "Keep it up Gentlemen".
2. Operation Drug Alert is proving to be one of the most intensive programmes ever undertaken by Kiwanis. The success of this major emphasis programme is due to the planning and effort of all Kiwanis Clubs and Kiwanians supported by other interested groups and excellent Press coverage. "Our Congratulations".
3. The Boys & Girls Work Committee have been asked to provide material for a booth on some of their projects at the O.Q.M. & C. Convention in Arvida next August 14th-17th. Your ideas, suggestions and, better still, your physical assistance would be appreciated. "Let's have them - Thank you".
4. Finally, is Boys and Girls work worthwhile? (Look for the answer elsewhere in this issue.)

AGRICULTURE and CONSERVATION

Chairman: RONALD C. DEETH

TO: ALL COMMITTEE CHAIRMEN

Kindly ask you Club the following questions:

1. Does your community have a Pollution problem?
2. What is the Pollution problem?
3. What are the causes of the problem?
4. What are the various solutions to the problem?
5. What is the best solution to the problem?
6. WHAT can your KIWANIS CLUB do to HELP the problem?

PROGRAMS and MUSIC

Chairman: J. HARVEY MITCHELL

Having passed the midway point of the 1969/70 Kiwanis year, the Programs and Music Committee in each club, already should be laying plans for the final quarter which embraces the two vacation months, July and August, when many Kiwanians spend a portion of the holiday season at a summer cottage or in travel. You may be hesitant about arranging for high calibre speakers lest you feel chagrined and apologetic at a disappointing attendance of your own members. So commence planning summer programs now, and on a positive note. At the first meeting in July your club's delegate or delegates will provide an enthusiastic report on the highlights of the Kiwanis International Convention held in Detroit, June 21 to 24. Have the Youth Committee organize a program around the "youth summer activities" including the presence of two or more of the young participants. The committee on Agriculture, if given ample time for preparation, should provide an interesting program on a topic other than pollution. In order to be less dependent on outside speakers, explore the feasibility of talks by your own club members. You will be agreeably surprised at the enthusiasm engendered when a member discourses on his favourite hobby or on an unusual trip he and his family have enjoyed. The Inter-Club Chairman can be most helpful by arranging one Inter-Club visit each month and an invitation extended to a nearby club to meet with you helps to maintain morale. Be not too hasty in adopting innovative devices in the hope of stimulating interest and attendance. The consensus of clubs which have experimented with breakfast meetings and cook-outs at the homes of members is that the glamour of change wears off quickly and in the long run the best plan is to adhere to the regular time and place of meeting.

NEW CLUB BUILDING

Chairman: JACK W. CHIVERS

My correspondence file is filled with good intentions BUT the confirmation by Chicago of new clubs is still well below our quota. This is my last chance in K-Ray to ask each of you to put your *backbone* behind your *wishbone* and get that new club going. I realize that it takes time and effort, but it is time and effort well expended . . . TODAY is the DAY . . . NOW is the HOUR . . . You are the MEN and if you say "I am going to do it NOW, it will be done".

I wish to congratulate all those clubs that are working so hard and if there is any way in which I can help you, please contact me immediately.

INTER-CLUB & FELLOWSHIP

Chairman: W. G. (BILL) REID

INTER-CLUBBING - WHO NEEDS IT?

Of course no intelligent Kiwanian - or Kiwanis Club - would ask such a question, but just let's consider a few of the many benefits we can derive from Inter-Clubbing if they are planned in advance and well thought out. Inter-Clubbing promotes good fellowship with other clubs - and it isn't always necessary to restrict your Inter-Club activities to Kiwanis Clubs alone - visit your local Lions Club, Kinsman Club, Rotary Club, etc. Inter-Clubbing promotes good fellowship within your own club. You get to know your own members better as you visit with them on the way to and from Inter-Clubs. You can get new ideas visiting other clubs - find out how they do things and what innovations they have introduced that have been successful. You might use the idea. Rate your Club procedures with the Club being visited. How do you rate? Is there any way your Club can improve? You will get out of your Inter-Clubs what you put into them. Good Inter-Clubs just don't happen. If your Inter-Club program is lagging better look to your laurels - pull up your socks and put planning into your program. The spirit of Kiwanis fellowship grows in direct proportion to the manner in which you promote it. Keep a strong, imaginative program going and your members will be bugging you for the date of the next Inter-Club. Sluff off your responsibility by putting forth a minimum of effort and you'll have trouble getting a car load. Kiwanis Fellowship must be kept strong and growing. Inter-Clubbing is one important way to do it.

INTERNATIONAL RELATIONS

Chairman: C. HARVEY JAY

KIWANIS AMBASSADORS OF GOOD WILL

The Kiwanis Ambassadors of Good Will Program has been developed to encourage persons travelling abroad to comport themselves as good ambassadors of their country as well as to provide them with suitable mementos of their trip. There are two items involved in the program:

1. The Kiwanis Passport to Friendship and Understanding.
2. The Kiwanis Ambassador of Good Will Certificate.

How The Club Participates

1. Ascertain the names of Club members who are planning to travel outside of the country.
2. For each such member, order from the Supplies Department, the Kiwanis Ambassador Packet, which consists of the two items listed above. The price is \$2.00 for the packet.
3. At a meeting prior to the member's departure, present him with the Kiwanis Passport to Friendship and Understanding.
4. When the Kiwanian returns from abroad, present him with the Kiwanis Ambassador of Good Will Certificate.

ON-TO-CONVENTIONS

Chairman: CLIFF WYMAN

55th INTERNATIONAL CONVENTION – DETROIT. You have many good reasons to attend this year's International Convention. Detroit is the Birthplace of Kiwanis. The Convention Centre is COBO HALL, reputed to be the largest in the World and located only a few minutes across the tunnel from our Headquarters Hotel – Holiday Inn in Windsor. Top-notch Speakers – *Dr. Robert B. McClure*, Moderator of the United Church of Canada; *Arthur Godfrey*; and Humourist *Sam Levenson*. Vous avez de multiples raisons pour assister cette année à la Convention Internationale. Le Kiwanis est né à Détroit; le Centre de la Convention, COBO HALL, est un des plus grands au monde et est situé à quelques minutes de tunnel conduisant à nos Quartiers Generaux – soit l'Hotel Holiday Inn à Windsor. The programme has something for everyone, including Kiwanis Education, Entertainment and Fellowship. Si vous n'êtes pas encore enregistré faites-le *immédiatement*. Il n'en coûte que \$17.00 pour les Hommes \$10.00 pour les Femmes et \$10.00 pour les Jeunes Adultes – et le tout payable en Fonds Canadiens. If you have not registered, please do so *NOW*. Registration is only \$17.00 for Men, \$10.00 for Ladies and \$10.00 for Young Adults – and in Canadian Funds. Hope we will see you there. Nous espérons vous rencontrer à Détroit.

SUPPORT OF CHURCHES

Chairman: ERIC PITTMAN

Kiwanis uses the word "Church" to mean any congregation or organization of religious persuasion who publicly worship God whether or not the congregation itself uses the word "church" in referring to its organization or edifice. This definition of the Church gives us a broad non-denominational basis on which to work. Because we in Canada live in a predominately Christian community it's only natural that when we try to create greater public consciousness of the importance of the religious and spiritual values the emphasis in the main is on the Christian Church. Committee Chairmen's reports for December indicate that at Christmas most clubs had a member of the Christian Clergy tell the time honored story of the Birth of the Christ Child. One Club, however, had a member of the Jewish Faith explain to them the celebration of the Jewish Festival Hannukkah. My curiosity was aroused and I hope yours also. May I suggest that before your year of endeavour is over you arrange if possible a programme that will acquaint us with the beliefs and practices of our Jewish Brothers and Kiwanians.

MEMBERSHIP DEVELOPMENT

Chairman: DON LOISELLE

I wish to continue to impress on you the importance of increasing your membership and therefore also our work force. Although there has been a slight increase in some clubs, the majority are still lacking in efforts to bring in new members. This year each member who sponsors a minimum of three new members is eligible to receive the Lieutenant-Governor Certificate for his efforts. The deadline for this is June 30/70. As you may already be aware, there are many citizens interested in our 'Operation Drug Alert' programme. This programme can also be used to introduce men to our ranks to help us continue to fight drug addiction in youth, which exists in almost every community. If you have not already tried this approach to gain new members why not do so now. How many friends can you honestly say that you have given a "pitch" talk to lately? Bring them along as your guest and recruit their help to work on the worthwhile project your club may be involved in at the moment. It is worth a try.

KEY CLUB

Chairman: KENNETH WYNKIE

Let me begin with a bit of doggerel written by the Key Club Lieutenant-Governor for Northern Ontario. We know he is frustrated because there are only two Key Clubs in his Division, one in North Bay and the other in Kirkland Lake. The distances between the two Clubs is such that they cannot even enjoy Inter-Clubbing. Wayne was overjoyed when he learned that there would probably be a Key Club formed in New Liskeard. As a result of his awakened interest he wrote, in a bulletin to all Kiwanis Presidents in Northern Ontario,

*"The Leaders of Tomorrow
Are in your midst today
With Kiwanis help and understanding
Key Club will show them the way."*

Think about it. Doesn't this really apply to all Kiwanis Clubs? To those Clubs who have a "sence of urgency" about forming a new Key Club there is still time. April and May are good months. Let's see what can be done. "Project Awake" a Key Club – Kiwanis oriented programme, developed by the Key Clubbers themselves, to bring our two organizations closer together, provides an ideal vehicle for the Kiwanis help and understanding that Wayne referred to in his bulletin. April, May and June are months that particularly lend themselves to co-operative Kiwanis-Key Club projects where Kiwanians can work side by side with their Key Clubbers. This year the International Board has decided to institute a competition to recognize the Kiwanis and Key Club co-operative service programmes. Both the Kiwanis Club and the Key Club selected as the top entry in each District, as well as the top entry in International, will each receive a trophy provided through special funds, from the Kiwanis Foundation. Each Club President will have already received a notice of the new competition. For further details write me direct or check with your Key Club. "Project Awake" can give real meaning to Kiwanis – Key Club relations.

FUND-RAISING

Chairman: BEN RUDELL

I receive about fifty Club Committee Reports through the District Office each month. I found that the sale of Xmas trees, cookies, candies and nuts is very popular for the Xmas Season and very profitable with lots of work involving all the Club members – this is good. Repeating myself, Radio and T.V. Auctions are becoming very popular and there is money to be made, again with lots of work and Club participation. A Club in Montreal is making a killing selling apples. In February a Club from the Toronto area had an unique project, a week-end Snow-Show – sports and racing. This was well organized with plenty of publicity. I don't know how much money they made but they are going ahead for next year.

ODA – OPERATION DRUG ALERT

Co-Ordinator: CHARLES D. Forsyth

Many exciting O.D.A. program developments are taking place across the O.Q.M. & C. District. It is most gratifying to see the way in which most of this program is relevant and in tune with the needs of youth in our communities. It is important that we recognize the needs of our community, know what others are doing and then do what is appropriate to our club skills. Don't be modest – send in to your District O.D.A. Chairman the story of your club's accomplishments.

If there are newspaper articles send a copy if possible.

ST. GEORGE – Keith McGruer says:

SPEAK OUT

Remember standing in line at Expo '67 and chatting with the people both in front and behind you? It seemed so easy and enjoyable. Yet, do we talk to people in line for a bus, a show, or sitting beside us at a hockey game or on the Metro? Very, very few do. In fact, a lot of us would be rather annoyed at such an attempt. Why are we like this? Is it peculiarly Canadian, Montrealer, or what?

You are entering the Expressway – Why won't someone let you in? You always do it – or do you? The automobile breeds strange people.

You go to another Kiwanis Club. How come the members are not rushing to greet you? Where's that good old Kiwanis spirit? At your own Club are you always on the watch for guests and try to make them welcome – or do you ignore them so that they won't sit with you?

We condemn bigots outwardly but inwardly harbour generalizations about this race or that ethnic group.

There are many daily examples of curious behaviour like these. Psychologists will give you numerous reasons for it . . . but perhaps more important than guessing the whys is the task of reconciling ourselves with our standards we set for others. It takes courage, honesty and effort.

Perhaps the key premise is "Consider every stranger as a potential friend – Then work on it".

BOYS AND GIRLS WORK COMMITTEE

Answer to Item 4 of Article by Chairman Len Leonard on Page 4 of this Issue:

Is Boys and Girls Work worthwhile?

Read this poem, think about it, and pass it on.

A builder builded a temple;
He wrought with care and skill.
Pillars and groins and arches
Were fashioned to meet his will.
And men said when they saw its beauty:
"It shall never know decay,
Great is thy skill, O builder,
Thy fame shall endure for aye."

A teacher builded a temple;
She wrought with skill and care
Forming each pillar with patience,
Lay each stone with prayer.
None saw the unceasing effort;
None knew of the marvelous plan!
For the temple the teacher builded
Was unseen by the eyes of man.

Gone is the builder's temple
Crumbled into the dust,
Pillar and groin and arches
Food for consuming rust.
But the temple the teacher builded
Shall endure while the ages roll;
For that beautiful unseen temple
Was a child's immortal soul.

BROTHERHOOD WEEK at LINDSAY

Since the organization of the Council of Christians and Jews and the establishment of Brotherhood Week, the Kiwanis Club of Lindsay has sponsored a special dinner meeting. The annual get-together was attended by some seventy-five men from the four service clubs, members of the clergy, Key Club members and a number of business executives. The guest speaker was Rev. Dick Jones of Toronto, one of the founders of the Brotherhood movement. He addressed an assembly at the Central Senior Public School and at the Kawartha Lakes School in the afternoon. An Honorary Member of the Lindsay Club, the Honourable Leslie Frost, former Premier of Ontario, was present. Among the guests shown in the above photograph were: Exchange Student Nancy Bertino, Rev. Richard D. Jones, the Hon. Leslie M. Frost, and Key Club President Ricky Witham.

(Our thanks for photographs and press clippings provided by Norm Skitch, Chairman of Support of Churches Committee; and Past Lt. Governor Ford Moynes who has been a Kiwanian for forty-eight years).
