BUY BABY CHICKS IN NEXT FEW WEEKS

To obtain birds that will give the maximum of egg production next Autumn and also to have broilers when prices are high farmers would be well advised to buy their chicks within the next few weeks, according to officials of the Poultry Services, Dominion Department of Agriculture.The sale of chicks is reported as good in the Maritime Provinces, fair in Ontario and Quebec and good in all the four Western Provinces. It is evident that the demand is increasing for baby chicks with a good record of breeding behind them and from flocks that have been blood tested and approved. At the present time 95 per cent of the approved hatcheries in Canada use only eggs from blood-tested flocks and with a good production record behind them. These hatcheries sell around 13,000,000 chicks a year, the price of which ranges from 10 to 15 cents per chick.

Live Stock Report

Monday's cattle market displayed considerable activity and prices advanced a strong quarter on all classes but heavy steers. The best demand was shown for choice handy weight butcher cattle, heifers and cows.

Best heavy steers sold at from $8.00 to $8.50; fair to good from $7.50 to $8.00; common to medium $6.00 to $7.00. In the butcher section, choice butcher cattle were in strong demand at from $7.00 to $7.50; fair to good from $6.50 to $7.00; common to medium $5.50 to $6.25. Choice baby beeves brought from $7.50 to $8.00, others lower, according to quality. Stockers and feeders were in strong demand, choice light kind from $4.75 to $5.50 and feeders from $5.75 to $6.25. The cow trade was active, choice heifery cows from $5.00 to $5.-50; fair to good from $4.50 to $5.00; common to medium $3.25 to $4.00; canners and cutters $2.00 to $2.65. Choice light butcher bulls sold readily at from $4.75 to $5.25; heavy bulls from $4.25 to $4.50; bolognas from $3.75 to $4.25.

Lambs featured the market, advancing to a new high of 11c. The offering was made up largely of Western feed lot shipments, besides a good assortment of Ontario lambs. Choice light sheep made from $6.00 to $6.50. The calf market was active and strong, choice calves from $9.00 to $9.50, with a few tops at 10c; fair to good from $7.50 to $8.75; common to medium $5.00 to $6.50.

Supplies of hogs were heavy and packers were bidding a quarter lower, sales being made on the basis of $8.60 to $8.75 for truck deliveries, and the prospects for the balance of the week are that prices will be steady.

President Roosevelt says he is not out for a third term. And American business is trying to make up its mind whether to take that as a threat or a promise.
