COLD BATH.—On Friday evening, about seven o'clock, as Mr. Henry Folger was crossing over to Kingston from Garden Island, he slided into the hole in the ice made by the sleigh that day. Luckily he retained his presence of mind, and immediately availed himself of a handy method of getting out, and soon placed himself on strong ice. Circumstances were decidedly against him, for the night was dark and no one was near at hand. He is fortunate therefore in escaping with only a wet skin.

KINGSTON POST OFFICE.—We are glad to be able to announce that Mr. William Shannon has been appointed Deputy Postmaster of Kingston, an official notification of which he received on Saturday morning last. Mr. Shannon has been in the service for eleven years, during which time he has proved himself to be an efficient and diligent officer. We understand that the District Inspector, Mathew Sweetnam, Esq., strongly recommended the appointment, which speaks volumes in Mr. Shannon's favor. There has been no regularly appointed deputy in the Kingston office for a number of years, and we therefore think that the filling up of the position is a judicious step. We congratulate Mr. Shannon on his appointment, and wish him many years of good health for the performance of his duties.

VETERINARY SURGEON.—A want of much consequence is about to be supplied in Kingston, in the person of a competent Veterinary Surgeon. Mr. McIntosh comes from Toronto as a Graduate of the Veterinary College of Ontario, with high recommendations from Professor Smith, the Principal, and the Professors of the College, with Prof. Buckland, the well-khown officer of the Board of Agriculture. He has opened an office in the City Hotel, where advice and veterinary medicines can had be had on application, which will obviate the necessity of sending to Toronto and elsewhere in future for either of these. We trust that he will be sufficiently patronized to make it an object to Mr. McIntosh to remain here.

☞ By a blur in the type, understood by some, perhaps, but not by all, the bounty distributed by the St. Vincent de Paul Society was made to appear at $200, instead of $1,200, the correct amount.

MILITARY SCHOOL.—The following are the names of those who obtained certificates during the past week:—First-class, William F. Robinson; second-class, John A. Morgan, William C. Martin, and Henry J. Wilkinson, all of Kingston.

THE ICE.—The mild atmosphere, and the absence of strong frost last week, had the material effect in weakening the ice between the city and Wolfe Island. Two horses, attached to sleighs, one empty and the other loaded with ashes, while on their way to the city on Friday morning, broke through when about midway across. The former, which belonged to a farmer, was extricated from its perilous position without much difficulty; but the driver in charge of the latter, was obliged to cut the harness and let the sleigh sink to the bottom in order to save the horses from being drowned. The stages continue to ply regularly with the passengers and mails for Gape Vincent.

On Saturday teams were crossing without accident.

The ice on Friday and Saturday was in splendid condition for skating, and crowds of young people were skating over it.

Police Court, Saturday.

Before John Creighton, Esq., P.M.

There was quite a large crowd of the great unwashed and others in attendance at the Court this morning, as several cases of interest were to have been brought before the Magistrate. They were doomed to disappointment, however, as the most interesting case, that of a charge of assault preferred by one gentleman against another, was withdrawn, the parties concerned having amicably adjusted matters, the defendant being simply mulcted in the oysters, accompanied with the usual quantity of champagne, at the B. A. H.

A stalwart young farmer from the Island was found in an abtuse state of 'ganglation' by Policeman Hoyle, near Halligan's, yesterday, (which accounts for the milk in the cocoa nut). He made his salaam this morning, looking very 'scrumptious' indeed, and pleaded the usual plea of ignorance of the strength of the poison he had been imbibing. But the worthy Police Magistrate could'nt see it in that light, and demurred to the plea. The demurrer being held good by the Court in ano, the usual penalty of $2, or 14 days with Charley, was imposed. The prisoner produced a well-filled purse, and immediately forked over the required amount of the rhino, and was discharged.

Inspector Mostyn caused a raid to be made on Wednesday evening on the following bibulistical establishments, and summoned their proprietors for allowing the game of bagatelle to be played on their premises within the last month, contrary to the by-law in that behalf made and provided, viz:—Messrs. Makins, Doolin, Graves, Gee, Quigley, and Jennings. Mr. D. Macarow appeared for Jennings and some of the others, and took several legal objections to the charge. The Magistrate said that he did not wish to punish the parties in this instance if they would promise to abstain from the obnaxious practice in future. Mr. Macarow said that he was present to defend his clients, and wished the charge proceeded with, in order that he might hereafter be in a position to test the legality of the by-law in another Court. The Magistrate remarked that if the tavern-keepers did not comply with the rules and regulations laid down by the Commissioners, the consequence would be that they would withdraw the licenses from the parties offending in future. The matter was finally laid over until the next meeting of the Commissioners in February next, when the subject will come up for discussion.

Policeman Hoyle bagged a strapping young son of old Scotia, late of the Fusilier Guards, and name unknown, who was creating a disturbance at Linton's Auction Mart. He was bidding very spiritedly on the different articles put up for sale, and knocking them down at his own figure. Hoyle put a stop to his tricks, however, and lugged poor 'Sawney' down to the Station House according to Hoyle.

Nothing known equals Dr. J. Briggs' Modern Curative for Corns, Bunions, Bad Nails, Frosted Feet, Chilblains, &c. Many have tried it, and rejoice in its beneficial use. If you would enjoy a rural walk or fashionable promenade, these lovely Winter days, treat your feet kindly, and cure your corns with Dr. J. Briggs' Modern Curative. Sold by Druggists and Country Dealers. Dr. J. Briggs & Co., Proprietors, 208 Broadway, N.Y., and No. 6 King St. West, Toronto.

Catarrh, a disease which distresses us and disgusts our friends, can be instantly relieved and quickly cured by using Dr. J. Briggs' Allevantor, an invaluable Remedy for all pain and inflammation. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

Dr. J. Briggs' Pile Remedy is acknowledged by all who have tried it (and their name is Legion) to be the best, most successful and efficacious Remedy ever used for that disease. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

A corn is a decease as much as a decayed tooth is, but skilful dentists are universally employed and respected, and surgeon chiropodists are now earning a similar claim for the respect and confidence of the community. It is needless to say that the success which Dr. Briggs has achieved in his profession as a surgeon chiropodist has been unparalleled in this city; many of our most estimable and worthy citizens, ladies as well as gentlemen, have been relieved from corns, bunions, club and inverted nails, without the slightest pain or uneasiness, and doubtless many more would, had they adequate appreciation and knowledge of his ability. Few individuals are aware that the diseases of the feet, if not fatal to one's life, are certainly as annoying as can be, and the remedy is simple and sure; the corn, bunion, or inverted nail must be skillfully and carefully treated, and the pain entirely ceases. The best way to obtain this relief is to purchase a box of Briggs' Modern Curative, which you can obtain at any Druggists or Country Merchants throughout the country and we will warrant you will find it the most reliable and efficacious Remedy in the known world; we only ask you to give it a trial. Dr. J. Briggs & Co., Proprietors. Offices 208 Broadway, New York, and No. 6 King St. West, Toronto, Canada.

Frosted Feet, Chilblains, Corns, Bunions, Bad Nails, &c., are positively cured by the use of Dr. J. Briggs' Modern Curative. This remedy has been compounded with great care, and, used as directed, never fails. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

Consumptives, try Dr. J. Briggs' Throat and Lung Healer. It will relieve and cure you. For all diseases of the Throat, Chest, and Lungs, nothing can surpass its beneficial effects. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

R. R. R.

Ladies should always keep Radway's Ready Relief in their escritoires or toilet cases; it will be found of great value in all the varied complaints which ladies are more or less troubled with. Headache, Toothache, Wandering Pains, Dizziness, &c., are instantly relieved and cured by its use.

LADIES BEWARE!

Insanity, Fits, Heart Disease, Rush of Blood to the Head, Vomiting of Blood, Weakness, Bad Dreams, Lowness of Spirits, Languor, Loss of Appetite, Consumption, and rapid decline, follow speedily Irregularities and Retentions. To guard against these evils, let the feet be soaked in warm water mixed with Ready Relief daily, for three or four days before the expected period. If afflicted with either of these symptoms, take the Renovating Resolvent, and at night two to six of Radway's Pills. A few days' use of these medicines will remove all obstructions, and restore the system to health and regularity.

Sold by Druggists and Country Merchants, at 25 cents per bottle.

See Dr. Radway's Almanac for 1870.

A. A. A.
Arnot's Arnica Anodyne!
THE NEW PAIN RELIEVER,

IS THE MOST RELIABLE REMEDY for all Pain, of whatever kind, whether internal or external. It is a certain cure for
NEURALGIA, TOOTHACHE, RHEUMATIC AFFECTIONS, INFLAMMATORY SORE THROAT, DIARRHŒA, COLIC, DYSENTERY, CRAMPS, COLDS, DYSPEPSIA, FLATULENCE,

And all Complaints of the Stomach and Bowels.

It is not a weak or untried Medicine, rashly or carelessly intruded on the public attention, but has been used by thousands in this immediate vicinity, as well as elsewhere through Canada, and in every case, as far as known, with the best results. Dr. ARNOT, the eminent Physician whose name it bears, was well known as one of the most distinguished Medical Practitioners in the Empire, and this remedy has been pronounced by all who have experienced its wonderful curative powers as well worthy of its author's reputation.

No one need continue a sufferer from pain when by the timely and proper use of A. A. A. the suffering is sure to be alleviated immediately, and entirely banished after a few applications. Its taste and odour are both agreeable, so that when taken it gives no offence to the most delicate palate, and when inhaled through the nostrils refreshes and stimulates the olfactory nerves more than the best Eau de Cologne.

If you suffer from NEURALGIA, use A. A. A.
If you are a martyr to TOOTHACHE, use A. A. A.
If you are afflicted with RHEUMATISM, use A. A. A.
If you are attacked by DIPTHERIA, use A. A. A.
