The Perfection of Prepared Cocoa.

MARAVILLA COCOA.

Sole Proprietors, - - TAYLOR BROTHERS, LONDON.

THE COCOA (or CACAO) of MARAVILLA, is the true THEOBROMA OF LINNEUS. Cocoa is indigenous to South America, of which Maravilla is a favored portion. TAYLOR BROTHERS, secured the exclusive supply of this unrivalled Cocoa, have, by the skilful application of their double principle and elaborate machinery, produced what is, undeniably the perfection of prepared Cocoa, that it has not only secured the preference of homeopaths and cocoa-drinkers generally, but many who had hitherto not found any preparation to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

See following Extract from the Globe of May 14 1868.

"Various importers and manufacturers have attempted to attain a reputation for their prepared Cocoas, but we doubt whether any thorough success had been achieved until Messrs. Taylor Brothers discovered the extraordinary qualities of Maravilla Cocoa. Adopting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which supersedes every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Homoeopaths and Invalids we could not recommend a more agreeable or valuable beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homoeopathic Cocoa and Soluble Chocolate.

The New Remedy for Worms in Children or Adults.

BARKER'S WORM SYRUP.

GREAT difficulty has been experienced in obtaining a medicine that can be administered to young Children in a convenient form. Lozenges, Candy, &c., have not been found to answer the purpose, on account of children refusing to eat them; also on account of the number of worthless preparations now before the public. Thousands of lives are sacrificed for the want of a certain and reliable medicine.

The want of a convenient, and at the same time an effectual medicine, has been long required. This WORM SYRUP will supply that want, and having paid particular attention to its preparation, the Proprietor can with confidence recommend it to the public as a certain, safe and sure remedy for destroying Worms in Children or Adults. It can be administered with perfect safety to the most delicate children, and on account of its pleasant taste children will take it freely. A large number of certificates have been received from parties who have used this Syrup with the greatest success; also from several Physicians, recommending its use.

The symptoms of worms are so well known that it is not necessary here to describe them; but it is a well-known fact that thousands of children are hurried to an early grave for want of proper attention.
