A Free Course of Lectures in Agriculture with practical work in judging seed and live stock is being offered to farmers and farmers' sons by the Grey County Department of Agriculture, Markdale. The lectures will commence on Feb. 11th and close on March 7th. Write for outline of course.—H. C. Duff, Instructor : C. L. S. Palmer, Assistant.

Markdale and Flesherton teams will meet on the rink here this (Thursday) evening. Twice this season have these teams met and both times the victory has remained with Flesherton. Markdale promises a better showing this time and no doubt the game will be well worth the price of admission, 15c.

An extensive credit auction sale will be held on lot 19, con. 11. Osprey, on Thursday, Feb. 6, the property of Hudson Bros. A large list of good stuff will be offered at this sale, which will begin at 11 o'clock a. m. sharp. See large bills. The farm will be offered for sale at the same time. Wm. Kaiting auctioneer.

The W. I. will meet in the high school on Wednesday, Feb 5th, at 2:30 p. m. The subjects are on "Fresh Air," "Ventilation," and "Doctor Bills," "Contamination of wells by drainage, from house and barn," to be taken by Mrs. Armstrong and Mrs Robt. Best. A full attendance is requested.

On Tuesday of this week a Eugenia gentleman came into The Advance office to advertise the loss of a watch. While he was in the office another gentleman appeared on the scene who had found a watch and wished to advertise it. The owner recognized his timepiece and our till was minus a quarter. It was a case of very quick returns for advertising. The very idea itself produced the fruit in this case.

Mr. Levi Betts of the Collingwood gravel met with a serious and painful accident while working in the bush on on Friday last. In some manner a tree that he was felling flew back and smash his leg bone very badly below the knee. He was taken to Toronto hospital on Saturday morning train. It is feared that the limb cannot be saved. Mr. Betts also lost a valuable horse at the station last week, when it got its leg broken and had to be shot.

Colonel Matheson, Provincial Treasurer, died suddenly of heart failure at his home in Perth on Saturday last, and the woods is now full of whisperings as to his possible successor. Dr. J. O. Reaume, Minister of Public Works, and Mr. I. B. Lucas, Minister without portfolio, are mentioned as possible candidates, with odds very much in favor of the latter, who has already had some experience in the department, having acted as deputy for some weeks last year.

Molly Cottontail is here. For many years this little animal has been an inhabitant of southern Ontario, and has been found as far north as Orangeville, but no specimen has ever been captured in this county, so far as we know, until last week, when Mr. R. Genoe of Eugenia succeeded in trapping one. Mr. Genoe did not recognize the little bunny and brought it out for identification. This is the genuine rabbit. It burrows and lives in holes and does not change in color with the seasons as does the hare. It is also said to be a better table "bird" than the hare.

That the Artemesia Rural High School is doing extra good work is becoming more in evidence every day. One boy who was obliged to leave the school and attend a county high school found that he was two months ahead of his classes when he entered. A little girl who had attended a county high school for two years recently entered this school and found herself away behind in some of the subjects. Other instances could be given and names if required, to prove that our school has an unusally high standard of excellence, which we believe the present staff will be quite competent to maintain.

HOCKEY

FLESHERTON WALLOPS MARKDALE

About one hundred enthusiastic spectators accompanied the seven rubber chasers to Markdale on Thursday night of last week and cheered the boys to victory. At the end of the game the score was 7-4 in favor of the white and blue uniforms, which represents purity and royalty. The Flesherton lads did not expect to carry off the game without having to work for it, but to their good combination was due the victory. Markdale put in four goals by a few well-aimed shots. They began to get a little weak in the wind before the game was finished.

Markdale citizens did not seem to take a great deal of interest in the game by the number of the home rooters present. It would be far more encouraging to the home team if their own town was enthusiastic.

We will look for a closely contested game between these two teams, on the Flesherton rink to-night (Thursday,) if the elements are favorable.

The teams lined up as follows :

Flesherton		Markdale
Cairns	goal	Staples
Mitchell	point	Mercer
G. McTavish	c. p.	Young
H. Sullivan	cetre	Roche
F. McTavish	r. w.	Haskett
Brown	l. w.	Matson
Crossley	rover	Bushfield

C. Richardson, referee.

The ladies of the town collided with the high school ladies on the ice here on Wednesday evening last, in which the H. S. girls won by a score of 5-3.

One of the land marks of this locality had a close call from being wiped out by fire on Friday afternoon. It was discovered by a man driving on the gravel road who noticed smoke issuing from the siding of Mr. S. McDowell's house at Mayburne. He was not long in notifiying those inside who were unaware of the danger. Word was quickly sent in to the village and the fire brigade hurried out to the scene. The blaze had made considerable headway in the upper part of the house but by the heroic work of the brigade the fire was got under control. Much of the furniture was removed and a good deal destroyed in the handling. Quite a hole was burned in the side of the building. We understand there was insurance to cover the loss. The fire is thought to have originated from the chimney. The building, which was May's hotel in the early days, is yet a good comfortable dwelling. It is situated on the Melancthon side of the gravel road.—Herald.
