TEMPERANCE SENTIMENT GROWS

The Dominion Alliance has endorsed Mr. Rowell's platform unanimously, and will thankfully accept the closing of the bars at his hands when he finds himself in a position to grant the boon.

Last week a delegation of militia officers waited on the Minister of Militia at Ottawa and asked that the canteen be re-established. Mr. Hughes told them in plain, unvarnished words that the only way for them to get back the canteen was by first getting a new Minister of Militia.

It has been in the air for some time that the present Ontario government would this session introduce certain amendments to the local option law, and these amendments may go further than even the temperance people had hoped for. Among the innovations hinted at are the closing of bars and shops throughout the province at 8 o'clock in the evening and at noon on Saturdays. Bottle selling by hotels may also have attention. This is one of the greatest troubles that local option districts have to contend with. In this regard the Mail-Empire, which should be a reliable prophet, says:

"The elimination of bottle selling by hotels will particularly benefit the rural districts in which local option is in force. In quite a number of local option municipalities where the law is strictly enforced there is, nevertheless, a certain amount of drinking, and investigation has thrown the whole responsibility on bottle selling by hotels in nearby licensed places. Where a hotel in a license municipality is at all near a local option municipality the bottle trade is often heavy, and a great deal of the good effect of the wiping out of the bars is nullified. There seems to be little doubt that legislation to bring this state of affairs to an end will be introduced."

Artemesia Council

Artemesia Township Council met at Priceville on Saturday last with all the members present, the Reeve in the chair. Minutes of last session were read and confirmed. A communication was read from Alex. Hill of Owen Sound re steel for bridge, and a petition signed by some 300 ratepayers was presented asking the Council to retain the services of the present Clerk.

By-law No. 753, to appoint road overseers, fence viewers and poundkeepers was introduced and read a first and second time and laid over until next meeting of Council.

Graham—Caswell—That whereas it is stated the Hydro Electric Commission is likely to buy the power at Eugenia from the Georgian Bay Power Company, and in the event of it being sold the concessions secured to us by agreement with the Georgian Bay Power Company shall cease, we desire to enter protest against said sale unless an equivalent is granted this municipality for the conditions we were to receive, including taxes on a stated assessment of $40,000 and a reduction on light and power, and a copy of the resolution be forwarded to our representative in the Legislature, the Hon. I. B. Lucas, with a request that he press our claims—Carried.

Brown—McLeod—That this Council call for tenders for an operator on the grader for the coming season, the tenders to be in by the first day of May, prox.—Carried.

McLeod—Brown—That whereas there is a bridge in this municipality on a leading road from Collingwood to Durham, which is over 300 feet long, and will have to be built soon, and that a great deal of the travel is by parties of other municipalities, and whereas special legislation was granted to part of our township to form a separate municipality, we would ask that our Hon. Member of the Legislature would ask for a suitable grant to rebuild the same—Carried.

Graham—Caswell—That whereas there is no law to regulate the assessment of municipalities supporting continuation schools similar to that for union public school sections, our Hon. Member for the Legislature be requested to look into the matter with the Minister of Education and have such legislation enacted as will meet the requirements of the case—Carried.

Graham—Caswell—That the Reeve is hereby appointed to take legal advice re the specifications on the gravel road arch, and legal opinion be secured and placed before the members of this Council as soon as possible, if necessary.—Carried.

Graham—Caswell—That this Council prepare a bylaw to appoint a Clerk and fix his salary—Lost.

Caswell—Graham—That the thanks of this Council be tendered Mr. McGrath for his generous offer of a hall for us to meet in to-day, and we thank the electors for their kind remarks—Carried.

Graham—Caswell—That the next meeting of this Council be held at Eugenia—Carried.

Council adjourned.
