W. H. Thurston - Editor

WILL HE BE PROV. TREASURER?

Wm. McDonald, editor of the Chesley Enterprise, is a member of His Majesty's Loyal Opposition in the Ontario Legislature. Mr. McDonald spends his week ends at home and looks after the editorial columns of the Enterprise. Being right on the legislative battle ground he finds plenty to write about and knows how to deal with public questions. In last week's issue of the Enterprise he has this to say of the East Grey representative's prospects for the position of Provincial Treasurer:

"Who will succeed the late Hon. Mr. Matheson as Provincial Treasurer? The job is worth $5000 per annum and there are at least a score on the government side who would not object to trying to fill the vacant portfolio satisfactorily. Last session when Hon. Mr. Matheson was sick the budget speech was made by Hon. I. B. Lucas, and he has been entrusted by the premier with the same duty this year. If the members of the Opposition had their way, I. B. Lucas, who represents Centre Grey, would enjoy the salary as well as the distinction of "Hon." which he already possesses. The only thing that stands in the way of "Ikey" Lucas, as he is familiarly called, being promoted to the Treasurership, is that he is not an eastern Ontario man. However, at the close of this session there will be other changes on account of Attorney General Foy's desire to retire on account of ill health, and then Hon. I. B. Lucas will get a portfolio. He is popular on both sides of the house, never loses his temper, and when his department is being attacked he comes back at his opponents with rapier like thrusts, a provoking smile playing around the corners of a mischevious looking boyish mouth all the while."

HOCKEY

On Tuesday evening of last week Durham hockey team came over here and played a game with the Flesherton team. The play was very much one-sided, resulting in a score of 19 to 4 in favor of the home team. The Durham boys were very much surprised at what they ran up against here and had numerous excuses to offer for their defeat, the main thing being that about half their regular team could not get away and substitutes were called on. The Chronicle has this to say of the match:

"We regret very much to chronicle the untimely demise of our junior hockey team, who were most cruelly massacred on Tuesday night by the Flesherton septette, in a game at that place. The final score was 19 to 4, in favor of Flesherton. Where the "4" came from we don't know. To do the boys justice, however, it should be stated that at the last moment they were disappointed, and had to go minus about half their regular team, who could not get off for the trip. We understand a return game is being arranged for next week, which should prove a live one. Flesherton has a good junior team, the best in that section of the country, and with a full line-up for the Durhams it should be a battle royal when they come together.

John Greenaway of East Garafraxa took a corrosive-sublimate tablet by mistake for a candy on Friday, and had a narrow escape from fatal poisoning. Realizing his mistake on feeling sick he was taken to a doctor's where a stomach pump removed what was left of the poison.

Death came with sudden summons to Mrs. James Johnston of Colbeck district. Although in her 80th year she was a smart active woman, able to attend her household duties and also much of the work devolving on the woman of the farm. These she had completed, prepared the the supper and sat down when without the least warning she dropped over and expired.

While working on the bridge here on Tuesday, David Higgins lost his balance and falling off the bridge broke through the ice in the river below. A lot of excitement was occasioned in rescuing him from the deep, as he was fast going down stream when he was fished from the Saugeen. As a result of the cold bath and the bad shaking up he sustained, he will be under the care of the C. P. R. physician, Dr. Fraser, for a few days.—Bruce Herald.

A warrant is out for the arrest of a Mono man on a charge of abusing his daughter. It is said that he had a rope around her neck and had her half choked when neighbors interfered.

Hugh Graham, aged 75, one of the best known men in Kincardine, was found sitting dead in his chair after not having been seen around for a week. He is believed to have been dead several days. Deceased was a widower, and had one son living in the States.
