VICINITY CHIPS

Miss Dowdle is visiting her grandmother, Mrs. White.

Mr. Leslie Norris of Prince Albert, Sask., is visiting with his mother, Mrs. White, in town.

Miss Annie Waller is spending a couple of months with her sister, Mrs. McFadden, at Mono Centre.

Mr. Donald McLeod, ex-Dep. Reeve of Artemesia, is attending Orange Grand Lodge at Windsor this week as representative for the county.

Mrs. Edward Thompson, who has been visiting here for the past month, returned on Wednesday to her home in Collingwood.

The managers of the skating rink will give a carnival on Friday evening of this week, March 14, weather permitting. For full particulars see posters.

Mrs. R. Bentham entertained a number of young people last Thursday evening in honor of Mr. and Mrs. Will Nixon, who left the following morning for their home at Ogema, Sask.

Messrs. Ed. Thompson and Fred Mathewson are attending Orange Grand Lodge at Windsor this week, the former as representative for L. O. L. 883 and the latter as county representative.

Coulthard—Healey—In the Methodist church, Flesherton, on March 5 at 3.30 p. m. by Rev. H. E. Wellwood, B. A., B. D., Henry Coulthard and Miss Alice Hannah Healey, both of Feversham, were united in marriage.

The poultry meeting held in the town hall on Tuesday afternoon was largely attended and deep interest evinced therein. The speaker was Mr. McCullough of the Guelph Agricultural college. We will endeavor to give a fuller report next week.

Mr. Geo. Walter had one of the most successful sales ever held in this district at Kimberley on Tuesday of last week. The proceeds netted $3,400. Of course there was a large quantity of good stock and implements, but Mr. Walter retained two of his polled angus cows and a horse. The family is now domiciled in Flesherton.

A sad death occurred at Priceville on Wednesday of last week, March 5, when Mr, Chas. McKinnon passed away. About five months ago the young man was married to Miss Ella Lever, daughter of Mr. Wm. Lever of the East back line. Mr. McKinnon was 29 years of age. The funeral took place to Priceville cemetery on Saturday, March 8. Much sympathy is extended to the young widow.

A letter received this week by a gentleman in town states that the family of Mr. Andrew Graham, who moved from the valley to Saskatchewan two years ago, are all down with smallpox except Mrs. Graham. Two physicians are in attendance. There are seven children down with the disease, but the two younger are convalescing. One little boy, Ernest, is at present down here visiting his grandparents. Mr. Graham's many friends here will be sorry to learn of the calamity that has befallen him.

The Spring Assizes will open in Owen Sound on Tuesday, March 18, when the Love murder trial will be the most important case on the docket. The Owen Sound papers say Love still retains all the nerve he exhibited at the preliminary hearing here. Some time ago Love sent a commuication to this paper asking for financial assistance. In response to this appeal The Advance only received one 50-cent piece, the public evidently having decided that the Crown will see to it that the accused man has a fair trial without individuals coming to his aid. A large number of witnesses have been summoned to appear and give evidence at the trial.

F. G. Karstedt's spring millinery opening will take place on Wednesday and Thursday of next week, March 19 and 20.

An early morning blaze and the fire bell startled the citizens about 7.30 o'clock on Friday morning. The fire was discovered to be in W. W. Trimble's residence and caught from a stovepipe. Many willing hands were soon on the scene and succeeded in subduing the fire, but not until considerable damage was done to the premises. The contents were all removed and considerable injury to furniture resulted. The house is a brick, owned by Strain Bros. of Montana, and was insured. There was no insurance on the contents.

Next Sabbath, March 16, the pastor of the Methodist church speaks at morning worship on the 6th chapter of Revelation —"The sealed roll opened." Evening, "Conscience as related to God," with illustrations from the life of the great David Livingston, missionary, scientist, explorer, whose last written words were : "All I can say in my solitude is, may heaven's richest blessing come down on every one—American, English, Turk—who will help to heal this open sore (the slave trade) of the world." The whole civilized world commemorates the Livingstone centennial March 19, 1913 Everyone is welcomed.

At a congregational meeting of this circuit, held in Chalmers' church on Monday afternoon, it was decided to extend a call to the Rev. Archibald McVicar of Barrie presbytery The stipend is the new minimum of $1,000, with free manse and vacation. Mr. McVicar is highly recommended by those who know him. He is at present in a good charge, but desires high school advantages which are afforded here. Mr. T. R. McKenzie was appointed to support the call with the moderator before the Presbytery of Orangeville, on Tuesday.

Pork is certainly soaring these days. Last shipping day the price paid here was $9.25, while other points paid $9 and $9.15. This week the price has gone up another 25 cents to $9.50, probably the highest price on record for Ontario. One thing that Flesherton can claim with justice is a good stock market. Some weeks ago a representative of one of the Toronto firms came here to buy in opposition to our stock buyers, but about one week sickened him and he departed with a whole purse full of experience but no profits. Our buyers are quite capable of taking care of the trade here.

SOCIAL EVENTS

On Friday evening last, about twenty of the young people went out on a snow shoeing tramp, and on their return to town were entertained by Miss Mabel Boyd in her home. Every person pronounced it a very jolly evening.

On Monday evening Miss Lillian Armstrong entertained about a dozen of the young people her own age.

On Thursday afternoon last Bob Thompson, the infant son of Mr. and Mrs. O. W. Phillips, received the rite of baptism in their home in the presence of eighteen guests.

Dairying for Profit

Everyone dairying for profit will find that a cream separator is indispensable. It is, therefore, simply a question of which separator will best meet his requirements.

The Dairymaid cream harvester has been designed to meet all demands. It is built of the best material by experienced workmen.

The essential points of the Dairymaid cream harvester are :

Simple construction, Large capacity,
Durable construction, Easy cleaning,
Close skimming, Light running.

These, and many others, are valuable features which make a Dairymaid cream harvester best suited to those dairying for profit.

For every up-to-date, well regulated farm, a Dairymaid cream harvester is a necessity. It will save you the inconvenience of hauling your milk to the creamery, and bringing back cold and tainted or sour skim milk.

Use a Dairymaid cream harvester and separate your milk while it is still warm and secure all the butter fat.

Call and examine a Dairymaid cream harvester and secure one of the handsome little booklets telling you more about this separator.
