CHOLERA
Cured by the Timely Use of
A.A.A.
THE Best Remedy, in fact the only sure one, from all Summer Complaints from Diarrhœa to Cholera Morbus is ARNOT'S ARNICA ANODYNE. Nothing is more imprudent at this season of the year than to allow a slight Diarrhœa to continue unchecked, thereby weakening the system and predisposing it to be attacked by whatever epidemic is prevailing, when by taking a single dose of A.A.A. the disease will be arrested, and all danger effectually obviated.
In cases even of Severe Cholera, A.A.A., if administered properly according to the directions, will give immediate relief, and in a short time accomplish a complete cure.
No Householder, no Traveller, should be without a bottle of A.A.A. at hand to check disease at the outset.
PRICE 25 CENTS.
Sold by all Druggists in Canada.
Wholesale by
G. S. HOBART,
MEDICAL HALL.
